ARTICLE 13 – GRIEVANCE PROCEDURE

13.0 It is the mutual desire of the parties that a complaint of an employee shall be resolved as promptly as possible. It is understood that an employee has no grievance until they have first discussed their complaint with their immediate Supervisor without satisfaction. The employee may, if they wish, be accompanied by the Chief Steward of the Union or their Steward. Should any difference arise between the Employer and any employee from the interpretation, application, administration or alleged violation of the provisions of this Agreement, an earnest effort shall be made to settle such differences without undue delay in the following manner.

13.1 Step 1

In the first instance, an employee shall take up any such grievance in writing directly with their immediate Supervisor, within seven (7) working days of the event upon which the grievance is based. The grievance shall specify the facts and Article or Articles claimed to be violated or relied upon. The immediate Supervisor shall arrange for the presence of the Steward concerned. The Supervisor will give their decision in writing within two (2) working days.

13.2 Step 2

If not then settled in Step 1, the grievance may within a further three (3) working days be submitted in writing to the employee's Service Director or Assistant Director of Service. The Service Director or Assistant Director of Service shall investigate the grievance and may discuss it with the employee or employees involved with the Steward who has signed the grievance in attendance at such discussion and/or the Chief Steward. The Service Director or Assistant Director of Service shall give their decision in writing to such Steward within a further three (3) working days following receipt of the grievance.

13.3 Step 3

If not then settled in Step 2, the grievance may, within three (3) working days, be submitted in writing to the Director or their representative. The Grievance Committee and a national representative of the Canadian Union of Public Employees, if the Committee so wishes, shall be given an opportunity to discuss the grievance with the Director or their representative within five (5) working days of submission of the grievance. The Director or their representative shall give their decision in writing within five (5) working days of the discussion. The decision in Step 3 shall specify the facts and reasons upon which the decision is based.

- 13.4 (a) In determining the time within which any action is to be taken under the Grievance and Arbitration Procedure as set out in Articles 13, 14 and 15, weekends and designated holidays shall be excluded.
- (b) When grievances are submitted by mail, the date of presentation shall be the letter's postmark.
- (c) All time limits provided for in Articles 13, 14 and 15 can be extended by mutual consent, in writing.
- (d) A grievance shall be deemed abandoned if it is not presented within the stipulated times.
- (e) At any stage of the Grievance Procedure, including Arbitration, the conferring parties may have the assistance of the employee or employees concerned and any necessary witnesses.
- (f) For all the above steps where the grievance relates to a job posting "Supervisor" shall mean the Supervisor or Director of Service where the vacancy exists.

ARTICLE 14 – POLICY GRIEVANCES

- 14.0 It is understood that the Employer may submit to the Union's Executive Committee any complaint with respect to the conduct of Union officers, Committee Members, stewards or members concerning the interpretation, application, administration or alleged violation of the provisions of this Agreement, and if such complaint by the Employer is not settled satisfactorily, it may be treated as a policy grievance and referred to Arbitration in the same manner as a policy grievance of the Union.
- 14.1 Similarly, the Union shall have the right to process a policy grievance which could not otherwise be processed by individual employees and which deals with any difference which arises between the Parties from the interpretation, application, administration or alleged violation of the provisions of this Agreement.
- 14.2 An Employer Policy grievance shall be filed within thirty (30) working days of the day on which the circumstances giving rise to the grievance occurred or came to the attention of the Employer.

A Union Policy grievance shall be filed within thirty (30) working days of the day on which the circumstances giving rise to the grievance occurred or came to the attention of the Union.

- 14.3 All policy grievances shall be initiated at the Step 3 level of the Grievance Procedure.

ARTICLE 15 - ARBITRATION

- 15.0 Both Parties to this Agreement agree that any dispute or grievance which has been properly carried through all steps of the Grievance Procedure as outlined in Articles 13 and 14 and which has not been settled will, at the written request of either of the Parties, be referred to a Board of Arbitration, at any time within twenty (20) working days thereafter, but not later.
- 15.1 When either party requests that any matter be submitted to arbitration, it shall make such request in writing addressed to the other party to this Agreement, and at the same time nominate an arbitrator. Within five (5) working days thereafter the other party shall nominate an arbitrator; provided, however, that if such party fails to nominate an arbitrator as herein required, the Ministry of Labour for the Province of Ontario shall have power to effect such appointment upon application thereto by the party invoking arbitration procedure. The two arbitrators so nominated shall attempt to select by agreement a chairperson of the Arbitration Board. If they are unable to agree upon such a chairperson within a period of ten (10) working days, they shall then request the Minister of Labour for the Province of Ontario to appoint an impartial chairperson.
- 15.2 No person may be appointed as an arbitrator who has been involved in an attempt to negotiate or settle the grievance.
- 15.3 No matter may be submitted to arbitration which has not been properly carried through all requisite steps of the grievance procedure.
- 15.4 The Arbitration Board shall not be authorized to make any decision inconsistent with the provisions of this Agreement, not to alter, modify, add to, or amend any part of this Agreement.
- 15.5 The proceedings of the Arbitration Board will be expedited by the parties hereto and the decision of the majority, and where there is no majority, the decision of the Chairperson will be final and binding upon the parties hereto and the employee or employees concerned.
- 15.6 Each of the parties hereto will bear the expense of the arbitrator appointed by it and the parties will share equally the expenses, if any, of the chairperson of the Arbitration Board.
- 15.7 The parties acknowledge that the time limits set out in both the grievance and arbitration procedures must be strictly complied with except by written agreement to extend them and failure to so comply shall result in the grievance being deemed to have been abandoned subject only to the provisions of [Article 48\(16\) of the Ontario Labour Relations Act, 1995, as amended.](#)

- 15.8 Upon mutual agreement by both parties, a single arbitrator may be appointed in lieu of an Arbitration Board.
- 15.9 Upon mutual agreement, the parties may utilize the services of a Grievance Mediation Officer prior to proceeding to arbitration. The mediator must be mutually agreed to and the mediator's expenses shall be shared equally by the parties.

ARTICLE 16 – DISCHARGE AND DISCIPLINE

- 16.0 Where a Supervisor or other Employer representative intends to conduct a formal meeting with an employee:
- (a) to investigate matters for the purpose of determining whether to take disciplinary action against that Employee; or

(b) for discipline or termination of employment,

the Employee shall have the right to be accompanied by and represented by the Local Union President or a designate identified by the Union. The Employer shall notify the Employee of this right and notify both the Employee and the Union of the time and place for the meeting.

The Employer will attempt to provide both the Employee and the Union with at least one (1) day notice of the time and location of the meeting. Such notice shall indicate the general purpose of the meeting. In the case of a meeting to terminate an employee, the meeting may proceed in the employee's absence.

The foregoing language is not intended to preclude a supervisor from initiating a query to gather information regarding an incident or complaint about which the supervisor believes the employee would or should have knowledge. Informal queries should be conducted in an appropriate environment.

- 16.1 When the Employer deems it necessary to place a negative or disciplinary notation in writing on the Employee's record, or to suspend or discharge an Employee, the Employer will provide to the Employee concerned a written statement outlining the reason for the notation, suspension or discharge. The Employer will provide a copy of this written document to the Secretary of the Union at the time it is issued to the Employee.

16.2 Discharge or Suspension Grievance

- (a) A claim by an employee other than a probationary employee that they have been discharged or suspended without just cause shall be treated as a grievance if a written statement of such grievance is lodged with the Director or their representative at Step 3 within three (3) working days after the discharge or suspension, or within three (3) working days after the Union has been notified, whichever is the later.

- (b) The Employer shall have the exclusive right to discharge employees during the probationary period provided the decision to discharge has not been made arbitrarily in bad faith or contrary to the Human Rights Code. A claim by a discharged probationary employee that the employer has violated this paragraph shall be treated as a grievance.

Such grievance may be settled by:

- (i) confirming the Employer's action in dismissing or suspending the employee,
or;
 - (ii) reinstating the employee with full compensation for time lost,
or;
 - (iii) any other arrangement which is just and equitable in the opinion of the conferring Parties or by the Arbitrator.
- 16.3 Provided that an employee's record has been free from discipline for similar grounds during the preceding one year period, any letter of reprimand, letter of suspension, counselling letter or other disciplinary notation which predates the one year period will be removed and such removal will be confirmed in writing with the employee. A copy of the letter of removal will not become part of the employee's personnel file.

ARTICLE 17 – PROBATIONARY PERIOD

- 17.0 All regular full time employees shall be placed on a seniority list, as of the date of hire after a probationary period of six (6) months worked. A probationary employee will be advised regarding their progress in writing after three (3) months. The probationary period may be extended only in cases where the probationary employee has been on authorized leave during such period or upon mutual agreement of the employer, the employee and the union in writing.
- 17.1 Until the employee is placed on this list, they shall be known as a probationary employee.
- 17.2 An employee shall be notified in writing that they have completed their probationary period. If no written notice is received, it shall be assumed that the employee has completed their probationary period and has acquired seniority.

ARTICLE 18 – SENIORITY

18.0 For the purpose of this Agreement, seniority shall mean length of time in the bargaining unit since the last date of hire and seniority dates shall only be amended as required in other provisions of this agreement or by law. Seniority is used to establish preference for vacation, job postings, protection from layoff and bumping and recall rights.

For the purposes of this Agreement, years of service means the accumulated years of service in the employ of the Society since the last date of hire. "Years of service" is used to calculate entitlement to earned benefits of employment such as paid sick leave, vacation, and advancement on the salary grid. Service shall be deemed to accrue in the following circumstances only:

1. while actually at work for the Society
2. while on vacation or paid holidays
3. while on an employer paid absence (including short term sick leave)
4. while on pregnancy /parental leave
5. while on modified work or accommodation (prorated to time worked)
6. while on an approved leave of absence pursuant to an entitlement under the Employment Standards Act (ESA) or Workplace Safety and Insurance Act (WSIA).
7. while on authorized union paid leaves

18.1 (a) The Union shall provide the updated seniority list to the Employer on January 15th and July 15th. The Employer will post the seniority list on the Employer's intranet site.

(b) If any bargaining unit employee does not challenge the Union on the position of their name on the Seniority List within ten (10) working days from the date the list is posted, provided they are at work when the list is posted, they shall be deemed to be ranked properly. In the event the employee is not at work, they must object to their seniority to the Union within ten (10) working days from the date of their return to work.

(c) At any time during working hours, up-to-date seniority information shall be available to the Employer or their representative, upon reasonable application to the Union President or Union President's designate.

(d) An employee who is absent from work or on a leave of absence for any reason (including illness or accident) for seventeen (17) continuous weeks will not accumulate seniority for any period after the first seventeen (17) weeks except as permitted under the collective agreement or required by law.

- (e) The employee will continue to maintain the seniority that they had before the absence plus seniority accumulated over the first seventeen (17) weeks of leave but will not accumulate any further seniority (unless they are on Long Term Disability) until the employee returns to work.
- (f) The seniority list will show a column for amended seniority dates to accurately reflect the non-accumulation. Fifty-two (52) weeks will equal one (1) year of seniority for the purposes of this amendment.

18.2 Where a part-time or contract employee is transferred to a full-time bargaining unit position, the employee shall bring with them, on a pro rata basis, to the full-time seniority list, all seniority in accordance with time worked in the bargaining unit. For further clarity "time worked in the bargaining unit" is understood to include only such time the employee was paying Union dues and as such may be less than the employee's "service time" with the Employer.

18.3 Promotions, Demotions and Transfers

- (a) In promotions, demotions and transfers, the following factors shall be considered:
 - (i) seniority;
 - (ii) knowledge, qualifications and ability to do the normal requirements of the job; and when factor (ii) is relatively equal in the judgement of the Employer, factor (i) shall govern.
- (b) If an employee believes that a proper evaluation of factors in (ii) with respect to their qualifications has not been made, they may file a grievance under the procedures of Article 13 claiming that the Employer acted in an arbitrary, unfair or discriminatory manner.

ARTICLE 19 – LOSS OF SENIORITY

- 19.0 An employee shall only lose their seniority and shall be considered terminated for the following reasons:
- (a) if an employee resigns;
 - (b) after twenty four (24) consecutive months of lay off;
 - (c) if an employee is discharged and the discharge is not reversed through the Grievance or Arbitration Procedure;
 - (d) if an employee has been absent for five (5) consecutive working days without being granted a leave of absence in accordance with sub-Article 27.1 (b), or pursuant to emergency leave under the [*Employment Standards Act, 2000*](#), as amended.
 - (e) if an employee is laid off and fails to return to work within five (5) working days after being notified of recall by registered mail to their last known address on the agency's records to report for work and does not give a satisfactory reason;
 - (f) if an employee overstays a leave of absence, granted by the Employer in writing, and does not secure an extension of such leave or provide a reason satisfactory to the Employer for the overstaying of such leave;
 - (g) upon the date of retirement.
 - (h) Transfer outside the bargaining unit in excess of provisions defined under Article 20.6.

ARTICLE 20 – JOB POSTING

- 20.0 In Article 20, "vacancies" shall mean those positions that the Employer intends to fill. Vacancies may arise as a result of resignations, retirements and terminations, internal transfers or newly created positions. Vacancies of a temporary nature may result from extended illness or approved leaves of absence of less than twelve (12) months.
- 20.1 No qualifications shall be set by the Employer for any job unless the qualifications are reasonable and necessary for the performance of that job.
- 20.2 The Employer shall be free to temporarily fill a vacancy during the posting period by appointing a qualified person according to Article 18.3.
- 20.3 Notice of all vacancies, reclassification or newly created positions within the bargaining unit shall be posted within thirty (30) calendar days and shall:
- (a) include the nature of the position, the knowledge and education required for the position, the qualifications, ability and skills required and the salary rate;
 - (b) be posted electronically on the Employers' intranet. In work locations where employees have restricted or limited computer access, hard copies of the notice of vacancy shall be posted. Vacancies shall be posted for a period of no less than five (5) working days. To ensure continuity of service and timely transfer of the successful applicant, one vacancy resulting from the initial 5 day posting will be posted for three (3) working days, then no posting thereafter. Employees who wish to apply for a posted vacancy must do so in writing no later than the closing date specified on the posting. The employer shall e-mail copies of job postings to bargaining employees who are laid off provided the employee's qualifications on file meet or exceed the qualifications required for the position. Employees on extended leave shall be notified of selected job vacancies provided the employee identifies in writing to the Director of Human Resources the specific position or job classification vacancies they wish to be apprised of. Such request may be made prior to commencing or during the leave but shall not take effect until after the request has been received and acknowledged by Human Resources.
 - (c) once the requisites of Article 20.3 (b) have been met, the vacant position will be offered to the most senior qualified bargaining unit employee on layoff. If that employee refuses that vacant position, the next most senior qualified bargaining unit employee on layoff will be offered the vacant position. This process will continue through the list of qualified laid off employees until the vacant position has been filled. If no qualified laid off employee accepts the position, the employer may fill the position from outside of the bargaining unit.

- 20.4 (a) Appointments from within the bargaining unit shall be made within twenty (20) working days of the close of the original posting. The successful applicant and the Union Secretary shall be notified by e-mail. The successful Employee shall be transferred to their new position at the earliest possible opportunity following appointment. If the position is a higher rated position, the new rate shall apply when the employee assumes their new duties or on the forty-fifth (45th) working day following appointment, whichever occurs earlier.
- (b) The Employer agrees not to refer prospective new employees to a hiring supervisor until all internal applications have been fully processed.
- (c) Upon the filling of a posted position, the Employer shall post the name and seniority status of the successful applicant.
- (d) Any employee applying for a vacancy filled by a person with less seniority may request and shall receive in writing reasons why they did not get the position. Any such request shall be made within three (3) working days of the filling of the vacancy or where the employee should have reasonably become aware of the filling of the vacancy, and the answer shall be given within three (3) working days of the making of the request. A copy of the written reasons shall be placed in the Employee's record, if the employee so requests. Upon request, the unsuccessful applicant will be provided an opportunity to meet with Human Resources to review training or skill development areas that may improve their opportunities for success in future postings.
- (e) Both parties subscribe to a best practice philosophy and agree that worker continuity is preferred for clients. It is therefore agreed that Authorized Child Protection Workers who work in Ongoing Services, Child In Care, Kin and Family Finder positions who have passed the probationary period or were successful applicants for a job posting may apply but need not be considered for another job posting until they have been in their present position for a period of twelve (12) months.

Notwithstanding the foregoing, Authorized Child Protection Workers who fall within one (1) month of the year criteria shall not have their eligibility unreasonably denied.

In order to assist employees with ongoing development and continuity, employees who are on a work development plan may apply but need not be considered for job postings until the successful completion of the work development plan. However, employees who fall within one (1) month of successful completion of their work development plan shall not have their eligibility unreasonably denied.

All other employees who have passed the probationary period or were successful applicants for a job posting may apply but need not be considered for another job posting until they have been in their present position for a period of six (6) months.

- (f) The employer will give the union a list of bargaining unit members applying for each posting.
 - (g) Employees temporarily assigned by the employer to a position in a higher classification in the bargaining unit for a consecutive period of six (6) months or an aggregate total of nine (9) months shall be deemed qualified for all future postings for that higher classification.
- 20.5 The Secretary of the Union shall be notified by email of all appointments new hires, lay offs, transfers, recalls, terminations and of employees filling in on a temporary full-time basis.
- 20.6 No employee shall be transferred to a position outside the bargaining unit without their written consent. They shall retain the seniority previously acquired in the bargaining unit at the time of such transfer for up to six (6) months after transfer. This may be extended to a maximum of twelve (12) months with the written agreement of the union.

ARTICLE 21 – TERMINATION, LAY OFF AND RECALL

- 21.0 Both Parties recognize that job security should increase in proportion to length of seniority.
- 21.1 Employee displacement rights are contingent upon:
- (a) seniority;
 - (b) knowledge, qualifications and ability to do the normal requirements of the job.
- 21.2 Where a lay off is necessary, the Employer shall meet with the Union to discuss the effect of such reduction on the level of services required and the classification levels of affected staff and to hear any representations of the Union. The parties may agree to an alternative or alternatives, including attrition, to the proposed layoffs. The Employer shall provide as much advance notice of a pending layoff as possible to the union to ensure there is a reasonable opportunity to explore alternatives to proposed layoffs.
- 21.3 When the Employer determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function or a reduction in an employee's hours of work, the Employer shall advise the employee, in writing, that they will be laid off as well as the effective date of said layoff. Such communication shall also indicate any guarantee of a reasonable job offer and a list of classifications that are, in the opinion of the Employer, commensurate with the employee's qualifications and displacement rights, if such a position is or becomes available. Within five (5) days of receipt of the written notice of layoff, the employee will advise the Employer's designated official (who shall be identified in the notice of layoff letter) in writing (which may be by e-mail) of the Employee's "preferred location" for the purposes of paragraph 21.4.
- 21.4 To minimize disruptions in the event of a layoff, the bumping employee will:
- (a) displace a less senior employee in the employee's classification/job in the "preferred location" identified by the employee as per paragraph 21.3.
 - (b) when bumping into another classification/job as identified by the employer as per paragraph 21.3, displace the least senior employee in that classification/job.
- In either case, any displacement is subject to the requirements of subparagraph 21.1 (b).
- 21.5 Employees who are not in receipt of a guarantee of a reasonable job offer or who choose not to exercise displacement rights, shall be laid off and deemed surplus employees.
- 21.6 The Employer shall then advise the Union of those employees affected.

- 21.7 The Employer will notify all employees on the seniority lists of a pending lay off as soon as practical after notice to the Union as follows:

All employees with more than six (6) months' seniority but less than four (4) years' seniority shall receive four (4) weeks' notice prior to layoff or payment in lieu of notice.

All employees with more than four (4) years' seniority shall receive one (1) weeks' notice for each year up to a maximum of eight (8) weeks' notice prior to a layoff or payment in lieu of notice.

- 21.8 Employees on layoff can exercise recall rights for a period of 24 consecutive months from their date of layoff.

- 21.9 The employer shall notify all laid off employees by e-mail of all job postings in those classifications/jobs which, in the opinion of the Employer, are commensurate with the employee's qualifications.

- 21.10 (a) Daycare Centres - Temporary Closure of less than 60 days.

Articles 21.0 to 21.9 inclusive do not apply to a layoff of Daycare Centre employees when the employer is unable to operate the Daycare Centre premises due to labour disputes, loss of license, temporary or permanent closure of the facility/building in which the Daycare Centre is being operated, or other emergency at the Daycare Centre premises. When such a layoff occurs, the Employer will promptly take all reasonable steps to obtain a license under the Child Care and Early Years Act to operate the affected Daycare Centre at an alternate location.

- (b) Daycare Centres - Permanent Closure

When a Daycare Centre is permanently closed employees affected by the closure will be allowed to exercise their rights under the collective agreement.

- 21.11 No new employees will be hired until all laid off employees who are qualified for the vacant position(s) have been offered the opportunity to be recalled to the vacancy.

- 21.12 Grievances concerning lay offs due to a reduction in the working force will be initiated at Step 3 of the Grievance Procedure.

- 21.13 Should an employee grieve their lay off or recall (i.e. that the employee should not have been laid off or should have been recalled) and should the outcome of the grievance rule in the favour of the employee, they shall be reinstated with full compensation of wages and benefits for time lost.

- 21.14 Employment of an employee on probation may be terminated by one (1) weeks' notice in writing or payment in lieu of such notice being worked out.

21.15 Any employee still on probation may terminate employment with one (1) week's notice in writing.

21.16 Each permanent employee will provide one (1) month's notice in writing of termination of employment unless there are exceptional circumstances, in which case the Employer, may at their option, accept a written notice of termination that is less than one (1) month. The Employer may, at their option, make payment in lieu of all or part of such notice being worked out.

21.17 Any part of a vacation period shall not be considered part of the notice of resignation to the Employer.

21.18 Benefits Payable at Termination of Employment

If during the term of the job share one of the incumbent's positions is made redundant, the provisions of Article 21.2 will apply.

- (s) Notwithstanding the above, or any other Article of the Collective Agreement a job sharing arrangement will be effective for a maximum period of one (1) year, subject to extension by mutual agreement and approval. Step 2

Where an employee identifies that their workload is becoming unmanageable, an employee may request a workload review by their immediate supervisor in accordance with this Letter of Understanding.

In order to distinguish between this review and an informal discussion regarding day-to-day workload matters between an employee and their supervisor, the request for a workload review must be in writing outlining specific issues.

In addition, a Supervisor will conduct a caseload review when an employee's caseload reaches any of the following levels:

- Investigation and Assessment – 10 monthly assignments or if a caseload exceeds 21 active cases.
- Ongoing – 16 (active cases).
- Child in Care – 17 (active cases).
- Long Term Care – 17 (active cases).
- Resources Department – Foster Home Support – 29 (active cases).
- Kinship (pilot project) – 20 (active cases).

Step 3

A meeting between the supervisor and employee will be held within five (5) working days of the request or such period of time that the employee and supervisor agree to. The purpose of the meeting is to develop a plan to address workload issues including agreed upon solutions. These solutions will be in writing and signed by all parties with a copy to the appropriate Service Director. Remedies may include but are not limited to the following:

- Redirecting the cases.
- Protecting recording time.
- Deploying additional staff on a contract basis.
- Additional training to support skill development.
- Development of a workload management plan.
- Other remedies as may be appropriate.

Step 4

If the issue is not resolved in Step 3, the supervisor will refer the matter to the appropriate Service Director who will determine an alternative resolution and provide a written response to both the Supervisor and employee within ten (10) working days. The Union shall receive a copy of the Service Director's response.

If the issue is not resolved the Service Director will refer the matter to the Director of Child Welfare Services who will provide a written response to all parties (including the union) within ten (10) working days.

(Note: Where it is determined that the solution to an issue identified in a Workload Review requires a broader scope or systemic action the Director of Child Welfare Services and relevant Senior Management will review the matter and notify the Union of its proposed course of corrective action.)

Part III

Workload will be a recurring agenda item at Service Directors and Labour Management meetings.

A meeting that includes two members of the union executive, the Director of Child Welfare Services and two Service Directors will occur at least twice during the calendar year for the purpose of discussing workload issues in general. In the event a serious issue that impacts on workload is identified, either party may request a meeting be held to discuss that specific issue.

The Director of Child Welfare Services will advance any recommendations as appropriate and a response will be provided in writing (with a copy to the Union).

Part IV

The Employer agrees that employees are entitled to request Workload Reviews and they will not be subject to discipline or performance reviews for doing so.

It is agreed and understood that any grievance arising out of this Letter of Understanding shall be limited to failure to comply with the undertakings specifically outlined in this Letter of Understanding.

Either party may request that this Letter of Understanding may be renegotiated in the event there is an impact in the operations of the Society as a result of changes to legislation or standards.

The Union shall reimburse the Employer in full for the additional salary and/or requisite contribution amounts paid by the Employer under this paragraph.

- 8) The Employer agrees to continue to pay premiums/make contributions towards the following benefit coverage for the Local Union President during the leave of absence provided for under this Letter of Understanding, subject to the terms and conditions of the plans and/or contracts under which such benefits are provided: Extended Health, Dental Plan, Life Insurance, OMERS (in accordance with OMERS regulations), and Employer Health Tax during the period of elected office. The Employer shall pay 100% of the costs for the provision of such benefits except OMERS. OMERS contributions shall be split equally between the Employer and the President as per OMERS regulations. The Union shall reimburse the Employer for 100% of the amounts paid by the Employer under this paragraph.

- 10) The Local Union President's vacation entitlement will continue during the leave of absence under the terms of this Letter of Understanding in accordance with the Collective Agreement. The Union shall reimburse the Employer for 100% of any cost incurred by the Employer in connection with any vacation earned during the leave of absence under this Letter of Understanding. The Union President will be expected to take their normal entitlement of vacation during the term of elected office and shall not carry over any vacation without the express consent of the Employer.
- 11) It is expressly understood that the Local Union President is an *ex-officio* member of all committees listed in the Collective Agreement. It is expected that the Local Union President will attend any and all committee meetings, as a matter of priority, except for those where a direct scheduling conflict could not reasonably be avoided.
- 12) It is expressly understood that circumstances may arise which require modification to this Letter of Understanding. Such modifications shall only be incorporated by mutual consent of the parties.
- 13) The Union agrees that it will provide the Employer with thirty (30) calendar days notice in writing of the Union President's return to their former position in the workplace and that no more than one leave of absence at a time will be taken by an employee under this Letter of Understanding.

PREAMBLE

The Ministry of Children and Youth Services has made application for a regulation under the Public Sector Labour Relations Transition Act (PSLRTA) to ensure that mergers mandated by the Ministry are covered under PSLRTA. The parties herein agree to use their best efforts to effect a smooth transition in the best interests of clients and staff in the event of mergers during the life of this consensus agreement.

ARTICLE 1 – SCOPE AND PURPOSE

- 1.01 This document is intended to set out general guidelines and principles regarding child welfare sector integrations during the term of this agreement which are mandated by the Ministry and for which local Human Resources Adjustment Plans (HRAP) are required to be negotiated. Subject to the following terms, these principles will serve as the framework for the treatment of bargaining unit employees and will apply to subsequent negotiations with unions, as may be required, as part of an integration arising within the context of the Ontario Labour Relations Act (OLRA) or PSLRTA, whichever is applicable.
- 1.02 Employees who may be impacted by an integration are valued and are to be treated fairly and respectfully. The parties agree that they will make reasonable efforts to reduce any negative affect on employees as a result of an integration in accordance with the following.

ARTICLE 2 – GENERAL

- 2.01 Except as provided under applicable legislation, to the extent that a local HRAP conflicts with the terms of any subsisting collective agreements, the terms of the HRAP, where superior, shall prevail over the terms of the collective agreement. A local HRAP shall be negotiated where an integration takes place. When the employers and local unions affected by an integration agree to negotiate an HRAP, the provisions outlined herein shall be the minimum applicable to the integration and shall form the basis for the HRAP.
- 2.02 The principles set out in this document do not and are not intended to replace or override any legislative rights and obligations including, but not limited to, those set out under the OLRA, PSLRTA, the Employment Standards Act, and collective agreement rights and provisions, as may apply.
- 2.03 When the local parties decide to negotiate a local HRAP, the Ministry shall assume the costs associated with the negotiation and implementation of said HRAP in its funding allocation to the Predecessor and Successor Employers including, but not limited to, costs in excess of current legislative or contractual obligations associated with Labour Adjustment Options, the Dispute Resolution Process, Salaries, Benefits and Pay Equity Adjustments.

ARTICLE 3 – DEFINITIONS

- 3.01 "Predecessor Employer" is defined as an agency designated as a Children's Aid Society by the MCYS that is merged, amalgamated, transferred or discontinued in the course of an integration such that PSLRTA or the OLRA, if applicable to Children's Aid Societies, would apply to it.
- 3.02 "Successor Employer" is defined as the merged or amalgamated Children's Aid Society designated by the MCYS that results from integration and employs employees of a Predecessor Employer such that PSLRTA or the OLRA, if applicable to Children's Aid Societies, would apply to it.
- 3.03 "Integration" is defined as the creation of a new agency designated as a Children's Aid Society from a process which would give rise to the application of PSLRTA or the OLRA, if applicable to Children's Aid Societies, including but not limited to the merger, amalgamation or transfer of existing child welfare employers.
- 3.04 "Local parties" is defined as the local trade union(s) and employers directly impacted by an integration.

ARTICLE 4 – SENIORITY

- 4.01 Seniority will be recognized as set out under PSLRTA. Seniority will be recognized for all purposes provided for in the respective collective agreements and the following principles will apply:
- (a) Dovetailing of seniority shall prevail and all affected employees will transfer all service and seniority to the Successor Employer.
 - (b) Employees who are working simultaneously at two employers prior to the integration shall transfer the seniority and service held at the employer from whom they are transferred. In the event that an employee is working simultaneously at two employers who both integrate with the same Successor Employer (and the employee is employed in both of the transferred programs), the employee shall receive the greater amount of seniority and service held at either Predecessor Employer.
 - (c) Employees transferred to a Successor Employer due to an integration will not be required to complete a new probationary period, however they will be required to complete any probationary period they are serving as of the effective date of integration (or changeover date)

ARTICLE 5 – ACCESS TO WORK

5.01 Subject to Article 2, the process for identifying access to work when there is an integration shall be as follows:

- (a) The Successor Employer shall determine the number of staff required and will identify the classifications, skills, abilities and qualifications required.
- (b) The projected staffing needs of the Successor Employer, will be made known to all of the affected unions.
- (c) Both the Predecessor and Successor Employers will provide to the affected Unions the seniority and service lists including job classifications and job descriptions related to the integration. These lists will be updated to reflect staffing changes as necessary and will be provided to the affected Unions.
- (d) Where there is more than one Predecessor Employer with a collective agreement which provides that seniority plays a role in determining which employees will be transferred to a Successor Employer, and those collective agreements contain different definitions of seniority, the local parties will agree on a common definition of seniority for that purpose. Employees at the predecessor employer(s) affected by the transfer of services or programs will be given the opportunity to move with their work, subject to staffing requirements set out in paragraph a), supra.
- (e) Should the Successor Employer and the affected Unions be unable to agree on the composition of the seniority lists either party may refer the matter to the Ontario Labour Relations Board as provided under PSLRTA, if applicable or, alternatively, the parties may agree to have the dispute resolved under the Disputes Resolution Process herein.
- (f) For purposes of clarity, employees who were on layoff or approved leave of absence at the Predecessor Employer prior to, but not due to, the integration and who may be transferred to the Successor Employer will be included for purposes of placement on the aforementioned integrated seniority lists.
- (g) Unless otherwise provided in a collective agreement, the Successor Employer will honour the recall rights of any employee of a Predecessor Employer who is transferred to the Successor.

5.02 Employees on layoff or in receipt of notice of layoff due to the integration from the Predecessor Employer who are not transferred to the Successor Employer may apply for vacancies at the Successor Employer for which they would not otherwise have recall rights for a period of 18 months from layoff date. These applications will be considered after the Successor Employer's normal job posting procedure is completed and there are no successful applications, but before other external applications are considered.

5.03 In the event of layoffs by a Predecessor Employer resulting from an integration, the layoff, recall and displacement rights and entitlements under the respective collective agreement(s) of the Predecessor Employer will apply, unless the provisions of this agreement are superior.

ARTICLE 6 – BARGAINING UNIT REPRESENTATION

6.01 Upon an integration, Union representation rights with the Successor Employer will be determined in accordance with the processes set out in OLRA or PSLRTA, whichever is applicable.

ARTICLE 7 – LABOUR ADJUSTMENT OPTIONS

7.01 In the event of layoff due to an integration, the employer shall lay off employees in the reverse order of their seniority within their classification, providing that those employees who remain on the job have the qualifications, skills and ability to perform the work.

7.02 An employee who is subject to permanent layoff shall have the following entitlements:

- (a) be placed on a recall list for eighteen (18) months from the date the actual layoff begins; or
- (b) accept the layoff, waive the right to recall, resign, and receive any termination and severance pay of two (2) weeks salary for each year of continuous service to a maximum of twenty-six (26) weeks' pay inclusive of obligations under the Employment Standards Act, 2000.

Nothing in this Article is intended to deprive an employee of any other options upon layoff that may be available to that employee under the applicable collective agreement.

ARTICLE 8 – TERMS OF EMPLOYMENT

8.01 Terms and conditions of employment including wages, insured benefits and pension, vacation entitlement, sick leave and long term disability benefits of employees transferred as a result of an integration shall be addressed through the process set out under PSLRTA or the OLRA, if applicable. The Local HRAP shall address transition issues related to disabled employees (short term or long term) of the Predecessor Employer, including those on WSIA benefits and modified work programs, who may be affected by the integration.

8.02 The Local HRAP shall ~~may~~ include an article dealing with the qualifications required by the Successor Employer. Such agreement will address qualifications for existing employees including those deemed qualified. Employees shall be deemed qualified for their current classification, subject to legislative requirements.

ARTICLE 9 – DISPUTE RESOLUTION PROCESS

- 9.01 Disputes between an employer and a union covered by this framework that are unresolved, and which arise from the interpretation or application of a local HRAP negotiated in response to an integration, will be processed as follows:
- (a) An arbitrator will be selected by mutual agreement of the parties within 30 days of the initial event giving rise to the dispute, failing which either party is free to apply to the Ministry of Labour for appointment of an arbitrator.
 - (b) Nothing prevents the particular parties to a dispute from agreeing to a substitute arbitrator for determination of that dispute only.
 - (c) Where the parties agree, the arbitrator may act as a "mediator-arbitrator".
 - (d) An arbitrator will have the same powers and authority as set out in section 48 of the OLRA. The arbitrator will not have the authority to add to, modify or delete any part of this Agreement, the locally negotiated HRAPs, or the applicable collective agreements.
 - (e) The fees and expenses of the arbitrator shall be divided equally among the parties to the dispute.
 - (f) Time limits may be extended in writing by mutual agreement.

ARTICLE 10 – TERM AND APPLICATION

- 10.01 The Term of this agreement is the same as the term of the CAS PDT Consensus Agreement.
- 10.02 The terms of this Framework HRAP are subject to approval by the principals of each party in accordance with their normal ratification procedures.
- 10.03 This Framework HRAP and any local HRAP will only apply to an integration if all of the local parties affected by the integration (i.e. Successor Employer, Predecessor Employer and Locals of the Successor and Predecessor Employer who have claims to successor rights) and who have ratified the PDT agreement.
