Pursuant to the provisions of this Agreement, the management and control of the employees and the direction of working forces, including the right to plan, processing the kind and operation of machinery and equipment, the right to hire, suspend, maintain discipline and discharge for "just and reasonable cause", promote, demote, transfer, layoff, the right to introduce or improve service reliability are vested exclusively in the Company. ### **3.02 Union to Cooperate With Company**

The Union agrees that it will cooperate fully with the efforts of the Company to maintain or improve the skill, efficiency, ability and production of working forces, the quality of its service and the methods and facilities of production. **To this end, both parties will maintain open lines of communication and shall promote a good relationship built on mutual trust and respect.**

### 4.02 Contracting Out

Bargaining unit work shall not be contracted out. This Article does not apply to the Company's limited use of taxicabs for the purpose of supplementing service. The Company agrees that there will be no lay off as a result of the limited use of taxis. Work normally performed by maintenance mechanics in Vernon shall not be contracted out. (Work normally performed by mechanics does not include any warranty work or the contracting out of maintenance in Salmon Arm).

## ARTICLE 5 - RULES & REGULATIONS

### 5.01 Company Rules and Regulations

All employees shall be governed by the rules and regulations established from time to time by the Company. Any changes to such rules and regulations must be in writing, posted in a conspicuous location **for thirty (30) days** for the information of the employees **and kept in a binder at each property. The binder shall be updated when policies and procedures are amended.**

#### EXTENT

**Should any clause or provision of the Agreement be declared illegal or in any way conflict with the laws of the Province of British Columbia or Canada or any regulation thereof, both parties agree that this Agreement shall automatically be amended to comply with such law or regulation, if the law or regulation so requires. The remainder of this Agreement shall not be affected thereby and shall remain in full force and effect.**

---

## **5.02 Employees Charged With a Traffic or Criminal Offense**

When the affected employee **is** required to be away from work, for any reason related to the investigation or charge, the Company shall pay the employee's wages and benefits continuously as though the employee had been at work, so the employee shall suffer no loss of wages or benefits during the investigation process only. The appeal process is exempt from this Article.

The employee must notify the Company within one (1) week of the initiation of any litigation in order to receive reimbursement under this Article, and the Union and the Company are to agree on the choice of legal counsel.

## **ARTICLE 6 - NO DISCRIMINATION**

### **6.01 No Discrimination**

There shall be, by neither the Company nor the Union, any discrimination, interference, restriction or coercion with respect to any employee in the matter of payment of negotiated wages, training, upgrading, promotion, transfer, lay-off, recall, discipline, discharge, scheduling of work, overtime or otherwise, by reason of race, creed, age, sex, sexual orientation, colour, national origin, political or religious affiliation, nor by reason of membership or activity in the Union.

## **ARTICLE 7 - PICKET LINES**

### **7.01 Legal Picket Lines**

An employee shall not be penalized for refusing to cross a legal picket line as established by law or mutually agreed to by the Parties. If picket lines affect routing, alternative routing will be implemented as established by the Company.

## **ARTICLE 8 - GRIEVANCE AND ARBITRATION PROCEDURES**

### **8.01 Definitions**

"Grievance" means any difference between the Parties bound by this Agreement concerning its interpretation, application, operation or alleged violation thereof, including whether any such matter is arbitrable.

"Days" shall mean Monday through Friday, and excludes Saturdays, Sundays, and Statutory Holidays.

---

If an employee or the Union has a grievance or a dispute with the Company, the Parties agree to the grievance procedure as follows. If the Union does not present a grievance to the next higher level within the prescribed time limits, the grievance will be deemed to be abandoned. However, the Union shall not be deemed to have prejudiced its position on any future grievance.

#### **8.02 Step 1**

In Step 1 of the grievance procedure every effort shall be made to settle the complaint through informal discussions between the aggrieved employee and the employee's immediate supervisor. The employee shall be accompanied by a Job Steward. If the complaint is not resolved within seven (7) days of this discussion, the aggrieved employee and/or Job Steward may submit a formal written grievance to Step 2 of the grievance procedure.

##### Formal Grievance at Step 2

An employee who wishes to present a formal grievance at Step 2 of the grievance procedure must do so within fourteen (14) days of an answer to Step 1 of the grievance procedure.

#### **8.03 Time Limits Specified**

Should the Company fail to initiate discipline within fourteen (14) working days from the date that the alleged offence took place, the Company will have waived their right to do so. However, in the event an employee goes on vacation, sick leave, WCB or LOA within the fourteen (14) days, the time the employee is absent will not count as one (1) of the fourteen (14) days.

The Company has fourteen (14) days to adjudicate an accident or else the accident is considered **non-disciplinary** provided that if the Company requires an extension of time, such extension will be granted by the Union.

#### **8.04 Step 2**

If the Parties are unable to resolve the complaint at Step 1, or if there is no response from the employee's immediate supervisor within seven (7) days of the Step 1 discussion, a formal grievance may be put in writing by the aggrieved employee and/or Job Steward and forwarded to the manager. The manager shall meet with the grievor and a Job Steward in an attempt to resolve the matter at this step. If there is no response by the manager within seven (7) days of this Step 2 meeting or if there is no mutually satisfactory settlement, the matter may be submitted to Step 3. Both the Company and the Union may have one (1) additional representative present at Step 3 meetings.

---

### **8.05 Step 3**

If the problem is not satisfactorily settled under Step 2 above, the Union shall take up the question with senior management in writing within thirty (30) days of the response under Step 2. Management shall respond within seven (7) days.

#### **NATIONAL REPRESENTATIVE**

It is understood that in all discussions concerning grievances, any national officer may accompany the Union in their meetings with the Company.

### **8.06 Policy Grievances and Grievances Involving Suspension or Discharge**

All suspension and discharge grievances must be presented at Step 3 of the grievance procedure within seven (7) days of the dismissal or suspension. Where a grievance arises involving a general application or interpretation of this Agreement affecting more than one (1) employee, the Union may initiate such a dispute as a policy grievance at Step 3.

### **8.07 Arbitration**

If a grievance is not settled in accordance with the above procedure, the Union may submit it to arbitration within thirty (30) days of its receipt of a written answer to Step 3 of the grievance procedure. If there is no written response within seven (7) days of the Step 3 meeting, the Union may submit the grievance to arbitration within thirty (30) calendar days.

### **8.08 Single Arbitrator**

Within seven (7) days after the Union has submitted a grievance to arbitration, the Parties shall select a single arbitrator. Should the Parties be unable to agree upon an arbitrator within an additional seven (7) days, either Party may make application to the Minister of Labour to have an appointment made.

### **8.09 Decision of Arbitrator Binding**

The decision of the arbitrator shall be final and binding, on the Parties and the Parties shall share equally in the fees and expenses of the arbitrator. Should either Party disagree as to the meaning of the arbitrator's decision, either may apply to the arbitrator to have the decision clarified. Nothing in this Article shall restrict either Party's right to appeal an arbitrator's decision pursuant to the provisions of the Labour Relations Code. In no event may the arbitrator amend or modify the collective agreement.

---

## **Expedited Procedure**

Recognizing that there are times when an expedited arbitration may be desirable, the parties agree that the following process may be used as a substitute for the formal Grievance Procedure as outlined in this Collective Agreement:

- a) The process can only be used by mutual agreement between the parties who are signatory to this Collective Agreement.
- b) The outcome will be binding on both parties.
- c) The cost will be borne equally by the parties.
- d) The procedure cannot be used should an application for a Settlement Officer, under Article 87 of the Labour Relations Code, have been made by either party.
- e) No legal counsel will be used by either party. The Union will use elected officers or Union representatives.
- f) The number of cases to be heard at any given time will not exceed three (3).
- g) The parties or their representatives will try to get an agreed statement of facts for presentation to the arbitrator.
- h) Wherever possible, the arbitrator will attempt to mediate a settlement between the parties.
- i) In such case that the arbitrator must write a decision, such decision shall be brief and to the point.
- j) An agreed schedule for the process will be arranged in advance based on a mutual assessment of the length of time needed to present each case.
- k) General rules of evidence will be waived except for the rule of "onus".

### **Procedure Guidelines**

- 1) **The Opening Statement:** This should basically set out the case from each party's perspective. The Arbitrator will aggressively seek, at this point, to define the issue and to determine what evidence is agreed to and what is not.
- 2) **The Argument:** As agreed, the parties will not cite legal precedents but may refer to Brown and Beatty, Palmer, etc.
- 3) **The Decision:** If mediation fails, or is not appropriate, and if the decision can be rendered after a short deliberation, the Arbitrator will do so. By

---

meeting first with counsel to explain the framework of the Arbitrator's decision, the parties are provided with an opportunity to influence the exact terms of resolution. Within the framework of settlement as outlined by the Arbitrator, the parties can work out exact terms which best suit the specifics of the case.

- 4) Arbitrators or Investigators shall be drawn from the following list:

Joan Gordon  
Joy Bischoff  
James Dorsey  
Corrin Bell

or such others as may be agreed by the parties and added to.

#### **8.10 Time Limits for Grievances**

The time limits established in this Article may be altered by mutual consent of the Parties.

#### **8.11 Chief Shop Steward to be Notified**

All written complaints and verbal complaints logged by the Company shall be **copied to the Chief Shop Steward.**

The names of the complainants shall not normally be made available to the employees concerned during the above procedure.

#### **8.12 Time Limit for Imposition of Discipline**

- a) Prior to the issuance of any discipline, a meeting with the Company, employee and Union shall be scheduled to review the facts of the event and advise the employee of potential discipline. Any documents used by the Company in the determination of discipline will be shared with the Union.
- b) If a suspension results, the suspension must commence by the fifteenth (15th) day following **the Company's knowledge of the** incident unless the parties agree to an alternate commencement date. In the event an employee goes on vacation, sick leave, WCB or LOA within the fourteen (14) day time limit, the suspension will begin on the date the employee returns to work. No employee shall work the day of their suspension.
- c) Should the Company fail to initiate discipline, for a non-collision related event, within fourteen (14) working days from the date that the **Company became aware of** the offence, the Company will have waived their right to do so.

---

However, in the event an employee goes on vacation, sick leave, WCB or LOA within the fourteen (14) days, the time the employee is absent will not count as one (1) of the fourteen (14) days.

- d) The Company has fourteen (14) days to adjudicate an accident or else the accident is considered **non-disciplinary** provided that if the Company requires an extension of time such extension will be granted by the Union.

## **ARTICLE 9 - PRESENCE OF A JOB STEWARD**

### **9.01 Right to a Shop Steward**

All employees shall have the right to the presence of a Shop Steward at any discussion with the Company where disciplinary action may be taken. In instances where suspension or termination is contemplated or at Step 2 of the grievance procedure, a Job Steward must be present. The Company and the Union agree that this clause is not intended to limit the Company's ability to conduct informal discussions related to the operation of the Company with its employees.

This Article is not intended to limit management's rights to take immediate steps to suspend and/or remove from Company property an employee who presents a danger and/or safety hazard to any person or property.

### **9:02 Paid Time for Stewards**

Shop Stewards shall conduct all grievance investigations and grievance meetings on Employer paid time at regular rates of pay (will not attract overtime) when such investigations or grievance meetings are conducted with the Employer in attendance. **The Union will provide the Employer with the names of all Union representatives.**

**The Chief Shop Steward may attend all committees provided his/her attendance creates no additional cost for the Company and staffing levels permit the Chief Shop Steward to be removed from his/her work shift. The Chief Shop Steward will be an "observer" only and has no committee voice or vote.**

## **ARTICLE 10 - EMPLOYEE RECORDS**

### **10.01 Disciplinary Notation in Employee's Record**

No corrective or disciplinary notation will be entered into an employee's record without the concerned employee and the Shop Steward being so advised in writing. Should the employee dispute any such entry into their personal file, they shall be entitled to recourse through the grievance procedure and the resolution thereof shall become part of the personal record.

---

## 10.02 Removal of Disciplinary Notations
