- 3.4.1.2 Such other matters as are agreed to by the parties, and will submit the Agreement to the arbitration Board to certify in each case that the Agreement accurately incorporates the awards of the arbitration Board.
- 3.4.2 When an arbitration Board receives a Collective Agreement pursuant to Article 3.4.1 and it is satisfied that it gives effect to its award, the arbitration Board will certify the Collective Agreement as accurately incorporating its award.
- 3.4.3 Upon certification by the arbitration Board pursuant to Article 3.4.2, the Board and the Association will sign the Collective Agreement.
- 3.4.4 If, at the expiration of ten (10) working days after the date of certification by the arbitration Board, neither party to the Agreement has signed it, or one party to the Agreement has signed it, the Collective Agreement thereupon becomes a Collective Agreement between the parties as if they had both signed it and is effective from the date or dates specified in the Agreement or, if there are no dates, from the date or dates specified by the arbitration Board.
- 3.4.5 A Collective Agreement referred to in Article 3.4.4 is binding upon the Association and every Member on whose behalf it was bargained collectively, and the Board.

3.5 Single Arbitrator

- 3.5.1 Where the Board and the Association agree that a single arbitrator is appropriate, then they may establish an individual as an arbitration Board in accordance with this dispute settlement procedure.
- 3.5.2 A single arbitrator will be appointed in the same manner and will have the same powers and be subject to the same limitations as a three-member arbitration Board referred to in this procedure.

3.6 Time Limits

- 3.6.1 Notwithstanding the time limits referred to in this Article, any of them may be extended at any time upon the mutual written Agreement of the parties to this Agreement. For the purposes of this Clause, the time limits may be extended by the University President or designate, on behalf of the Board, together with the President of the Faculty Association on behalf of the Association.

ARTICLE 4 Disputes and Grievances

4.1 Categories of Faculty Grievances

- 4.1.1 If any difference concerning the interpretation, application, operation, or alleged violation of this Agreement, or any question as to whether any difference is arbitrable, arises between the parties or the persons bound by this Collective Agreement, such difference will be deemed a grievance. The four different types of faculty grievances are defined as follows:
- 4.1.1.1 Individual Member grievance: grievance relating to an individual employee;
- 4.1.1.2 Group grievance: grievance relating to a group of employees similarly affected by the employer's action;
- 4.1.1.3 Association grievance: sometimes used interchangeably with policy grievance, but also referring specifically to a grievance directly affecting the Association; and
- 4.1.1.4 Policy grievance: grievance by the Association which may involve a matter of general policy or of general application of the Collective Agreement.

4.2 Informal Dispute Resolution and Grievance Procedures

- 4.2.1 Informal Dispute Resolution
- 4.2.1.1 To promote the earliest possible resolution of disputes arising out of this Collective Agreement, issues should be brought forward for discussion within ten (10) working days with the appropriate parties with the intent of informal dispute resolution.
- 4.2.1.2 Informal dispute resolution is not mandatory.
- 4.2.1.3 Matters of discipline will not be subject to informal dispute resolution.
- 4.2.1.4 Informal Dispute Resolution and Step 1 will not apply to Group, Association, or Policy grievances. Group, Association, or Policy grievances will be initiated at Step 2.
- 4.2.2 Step 1 Grievance
- 4.2.2.1 Within thirty (30) working days of the difference arising, regardless of the cause or source of the difference, if an informal dispute resolution has not been reached, the Member will submit the complaint to the Association. If the Association decides to proceed with a grievance, they will file the grievance in writing with the appropriate Dean, with a copy to Human Resources and the Member, outlining the nature of the difference and the resolution sought.
- 4.2.2.2 In matters to be grieved arising from the discipline of a Member, a grievance will be filed at Step 1 within ten (10) working days of receipt of the discipline.
- 4.2.2.3 Within ten (10) working days of the receipt of the grievance, the Member, the Dean, and one representative from each of Human Resources and the Association will meet and attempt to resolve the difference. This step will not continue beyond ten (10) working days from the date of the first grievance meeting.
- 4.2.2.4 An Association representative will accompany the Member through all steps of the grievance procedure.

- 4.2.3 Step 2 Grievance
 - 4.2.3.1 Within ten (10) working days of the expiration of Step 1, the Association may file the grievance in writing with the Provost.
 - 4.2.3.2 Within ten (10) working days of the grievance being filed at Step 2, the Member, the Provost, and one representative from each of Human Resources and the Association will meet and attempt to resolve the difference. This step will not continue beyond ten (10) working days from the date of the first meeting.
 - 4.2.3.3 When the resolution of the grievance is not accomplished with the expiration of Step 2, the Association may elect to resolve the dispute through grievance arbitration, as set forth in Article 5.

4.3 Board Grievances

- 4.3.1 Grievances by the Board will be filed with the President of the Association within thirty (30) working days of the difference arising. If the grievance is not settled within thirty (30) working days of the grievance being filed, the Board may refer the difference to grievance arbitration as set forth in Article 5.

4.4 Failure of the University to Process

- 4.4.1 When there is a failure by the University to meet the time limits set out in Article 4.2, then, upon expiry of such time limits, the Association may advance the grievance to the next step.

4.5 Failure of the Association to Process

- 4.5.1 When there is a failure by the Association to file or advance the grievance within the time limits set out in Article 4.3, the grievance will be deemed abandoned.
- 4.5.2 When there is a failure by the Association to respond to a Board grievance within the time limits set out in Article 4.4, the Board may elect to advance the grievance to arbitration as outlined in Article 5.

4.6 Grievance Time Limits

- 4.6.1 The time limits in this Article may be extended by the mutual consent of the parties to the grievance. For purposes of this sub-clause, the time limits may be extended:
 - 4.6.1.1 On behalf of the University, by the Dean or Provost, as applicable to the step of the grievance procedure in question, and on behalf of the Association by the President.
- 4.6.2 Requests for extensions will not be unreasonably denied by either party.

ARTICLE 5 Grievance Arbitration

- 5.1 Provided that the Association has complied with the terms of Article 4, the Association may elect to advance the grievance to arbitration according to the terms of this Article.
- 5.2 **Notice**
 - 5.2.1 Within ten (10) working days of the expiry of the time limits set forth in Article 4.3 or Article 4.4, the grieving party will notify the other party to the grievance, in writing, of its desire to submit the grievance to arbitration.

5.2.2 Such notice will contain a statement outlining the nature of the grievance and the redress sought, and will name the first party's nominee to the arbitration Board.

5.3 Convening the Arbitration Board

5.3.1 The recipient of the notice will, within ten (10) working days of receipt of such notice, inform the other party of the name of its nominee to the arbitration Board.

5.3.2 The two (2) nominees so selected will, within ten (10) working days of the appointment of the second of them, appoint a mutually acceptable third person who will be the Chair.

5.3.3 If either of the parties to the grievance fails to name its nominee to the arbitration Board within the time limits herein provided, such appointment will be made by the Minister of Community and Social Services upon the application of the other party, giving three (3) working days' notice of such application.

5.3.4 Similarly, if the two (2) nominees fail to agree upon a Chair, the appointment will be made by the Minister of Community and Social Services, upon application by either party upon three (3) working days' notice to the other.

5.4 Arbitration Hearing

5.4.1 After the arbitration Board has been duly formed, it will meet as soon as possible after the appointment of the Chair and hear such evidence as the parties to the grievance may desire to present, in order to assure a full and fair hearing.

5.4.2 The arbitration Board will render its decision in writing to the parties as quickly as possible after the completion of the hearing.

5.4.3 The decision of the majority is the award of the arbitration Board and is final and binding upon the parties and any persons bound by this Agreement. If there is no majority, the decision of the Chair governs and will be deemed to be the award of the arbitration Board.

5.5 Powers of the Arbitration Board

5.5.1 The arbitration Board has the authority to:

5.5.1.1 Allow for clerical errors or clerical omissions in the framing of the grievance;

5.5.1.2 Request the attendance of any witness it deems necessary;

5.5.1.3 Keep a record of the proceedings;

5.5.1.4 Request access to any documents or other materials relating to the dispute; and

5.5.1.5 Correct any typographical error or omission in the Agreement or any previous award.

5.5.2 The arbitration Board, by its decision, will not alter, amend, or change the terms of this Agreement nor will it render any decision inconsistent with the terms of the Agreement.

5.5.3 Where in ruling on a grievance, an arbitration Board determines that this Agreement has been violated but finds no redress specified in the Agreement, the Board will determine a fair and adequate remedy.

5.5.4 Notwithstanding any other provision of this Agreement, and provided that the arbitration Board determines that no substantial wrong or substantial prejudice has occurred, a grievance will not, at any stage in the process, be defeated because of any defect in form or because of a failure to adhere to timelines.

5.6 Expenses of Arbitration Board

5.6.1 Each party to the difference will bear the expense of its respective nominee to the arbitration Board, and the two parties will bear equally the expenses of the Chair.

5.8.1.1 The Provost, on behalf of the University; and

5.8.1.2 In the case of an Association grievance, or an individual grievance carried by the Association on a Member's behalf, the Association President on behalf of the Association or the Member.

ARTICLE 6 Joint Committee for the Management of the Agreement

6.1 Within ten (10) working days of this Agreement coming into effect, the University and the Association will form a Joint Committee for the Management of the Agreement. The Committee will exist for the entire duration of this Agreement.

6.2 The Committee will be composed of three (3) representatives each of the University and of the Association. Each party will appoint its representatives and inform the other in writing of the names of or changes to its representatives.

6.3 The Committee may use the services of such consultants and resource people as they see fit, and such persons may be invited to attend committee meetings.

6.4 The objectives of the Committee will be:

6.4.1 To review matters of concern, especially those arising from the management or interpretation of the Agreement;

6.4.2 To reach consensus, where possible, on those issues that are specifically placed before it by the terms of this Agreement;

6.4.3 To facilitate good communication and develop a spirit of co-operation and mutual respect between the parties; and

6.4.4 To serve as a forum for the exchange of information and function in an advisory capacity to the University and the Association.

6.5 The Committee will not limit access to grievance, nor the rights of Members to grieve as set out in this Agreement; however, the Committee will not hear matters that have been formally grieved or submitted to grievance arbitration.

- 6.6 The Committee is not a substitute for negotiations and will have no power to approve amendments to the Collective Agreement, but may recommend:
 - 6.6.1 Changes to the procedures for the application of the Collective Agreement; and
 - 6.6.2 Changes to the Collective Agreement, for consideration during future collective bargaining.
- 6.7 The Committee will determine its own rules of procedure, subject to the following provisions:

 - 6.7.2 The Committee will meet as necessary, upon five (5) working days written notice by either party; and
 - 6.7.3 Quorum is the entire Committee.

ARTICLE 7 Board/Association Relations

7.1 Recognition

- 7.1.1 The Board recognizes the Association as the sole and exclusive bargaining agent for all Members designated as academic staff as set forth in this Agreement. All University employees designated as academic staff in this Agreement will be Members of the Association.
- 7.1.2 The Board recognizes the Association as the official representative of any Member who asks for its assistance in processing a grievance in any or all stages of resolution or attempted resolution.

7.2 Consultation with the Association

- 7.2.1 Where consultation with the Association is required by this Agreement, such consultation will be deemed to have occurred once the following actions have been taken:
 - 7.2.2 The Dean advises the Association of the issue involved;
 - 7.2.3 The Dean hears and discusses the concerns of the Association prior to reaching a decision or making a recommendation on the matter; and
 - 7.2.4 The Association is notified of the Dean's decision or recommendation without undue delay. Such notification will be given to the Association in writing.

7.3 Release Time

- 7.3.1 The Board will annually provide to the Association, without compensation from the Association, 405 IH release for Members to perform Association duties. For the purposes of this Article, 45 IH will be equivalent to a ten per cent (10%) release for Members assigned a percentage-based workload.
- 7.3.2 The Board will further allow the Association to purchase up to 495 IH release for Members to perform Association duties. The cost of release time for Members will be ten thousand dollars (\$10,000) per 45 IH course equivalent.

- 7.3.3 The Board will not unreasonably deny the Association the right to purchase additional release, beyond that stipulated in this Article. Should the Association request the purchase of further release, the request will be made by the Association President to the Provost, who will review the request and, in situations where further release for a particular Member is not granted, will provide written reasons to the Association. Any additional release will be at the rate prescribed in this Article.
- 7.3.4 Release time requests will be made in writing by the Association to the Provost not less than two (2) months prior to the effective date of the release, or with such notice as is otherwise agreed.
- 7.3.5 The Association recognizes that all release requests may not be granted when a Member has unique responsibilities that are particularly difficult to replace.

7.4 Association Fees

- 7.4.1 The University will deduct bi-weekly an amount equivalent to 1/26 of each Member's annual membership fees, and will remit such fees bi-weekly to the Association.
- 7.4.2 The University will, on a bi-weekly basis, submit to the Association Office a current record of the deductions and remittances of all Members made in accordance with this Article.
- 7.4.3 The Association will, from time to time, advise the University of the amount of the annual membership fees.

7.5 Membership Information

- 7.5.1 The University will, on a tri-annual basis, submit to the Association, in an agreed electronic format, a current list of Members, including each Member's appointment category, salary, and leave status, as well as each Member's home address, primary telephone number, and primary email address.

ARTICLE 8 Appointment of Academic Staff

- 8.1 Academic Staff will be recruited through advertisements that will be publicized within the University and externally for a period of at least ten (10) working days.
- 8.2 Before seeking authorization to recruit Academic Staff, the Dean will request input from Members of the Academic Unit to determine staffing needs.

8.3 Composition of the Search Committee

- 8.3.1 Once authorization has been granted by the Provost and, after calling for volunteers from within an Academic Unit, the Dean will consult with the Chair and then appoint a Search Committee.

- 8.3.4 At the discretion of the Dean, others may be added to the Committee to serve in a non-voting, advisory capacity.
- 8.3.5 Where possible, the Search Committee will be composed of Tenured Members.
- 8.3.6 While every effort will be made to ensure the attendance of all Committee members, quorum for a vote of the Search Committee is the Dean, the Chair of the Academic Unit, and three (3) voting members.

8.4 Search Process

- 8.4.1 The Search Committee will consider the following when determining shortlisted candidates, planning recruitment activities, and recommending a candidate for appointment:
 - 8.4.1.1 A candidate's curriculum vitae;
 - 8.4.1.2 Documentation provided by a candidate that is considered, by the Committee, to be relevant to the search;
 - 8.4.1.3 Written feedback from Members of the Academic Unit, when the search has had a public component; and
 - 8.4.1.4 Other factors considered pertinent by the Committee.
- 8.4.2 When appropriate, the Search Committee will seek written feedback from the wider University community, including students, following the recruitment activities of shortlisted candidates.
- 8.4.3 Upon request, the University will provide the Association the text of a job advertisement, the scope of its distribution, the number of applicants, and the number of shortlisted candidates.

8.5 Appointments

- 8.5.1 The Search Committee will make, to the Dean, a recommendation for appointment, after all shortlisted candidates have been interviewed. The Dean will then make a recommendation to the Provost and include with it the recommendation of the Search Committee. The Dean will share with the Search Committee the recommendation made to the Provost.
- 8.5.2 Where more than one candidate is suitable for appointment, the recommendation may include a ranked order.
- 8.5.3 Where the Search Committee determines at any point in the process that there are no candidates suitable for appointment, the Search Committee may recommend to the Dean that no appointment be made.
- 8.5.4 The decision to effect an appointment rests with the Provost. Should the Provost's decision differ from the recommendation of the Dean or of the Search Committee, the Provost will explain that decision in writing to the Search Committee.

- 8.5.5 A shortlisted candidate offered an appointment will receive a letter of offer, declaring that the appointment is subject to this Collective Agreement, specifying the salary, type of appointment (including academic rank, if applicable), starting date, duration of appointment, and any other terms and conditions to which the University and the candidate have agreed. A signed copy of the letter signifying acceptance of the offer will be sent to the Association.
- 8.5.6 In extraordinary situations, the Provost may make an appointment on a temporary basis, for a term not to exceed twelve (12) months.
- 8.6 Effective Dates for Tenure-Track Appointments**
- 8.6.1 The normal appointment year will be from July 1 to the following June 30.

- 9.1.2 The titles for eligible instructional faculty will be at the rank of, in ascending order, Assistant Professor, Associate Professor, and Professor.
- 9.1.3 The titles for Librarians will be at the rank of, in ascending order, Librarian I, Librarian II, and Librarian III.
- 9.1.4 The titles for Counsellors will be at the rank of, in ascending order, Counsellor I, Counsellor II, and Counsellor III.
- 9.1.5 English as an Additional Language Instructor, Faculty Development Coordinator, Faculty School Advisor, Instructional Assistant, Learning Skills Specialist, Nursing Resource Professional, Science Lab Instructor, Science Lab Supervisor, University Preparation Instructor, and Writing and Learning Consultant are positions without academic rank.
- 9.1.6 Promotion to an academic rank beyond Assistant Professor, Librarian I, or Counsellor I will only be made after materials are submitted to a Tenure and Promotion Committee. The criteria for recommending Promotion are set out in Article 10.

9.2 Tenure and Promotion Committees

- 9.2.1 For the application of this article to Librarians, references to Faculty or School will mean the Library.
- 9.2.2 For the application of this article to Counsellors, references to Faculty or School will mean Student Affairs.

- 9.2.3 When making any recommendation, a Tenure and Promotion Committee will summarize in writing the basis on which the recommendation was made and the information relied upon in formulating the recommendation. A recommendation will be made only on the basis of relevant criteria.
- 9.2.4 Composition of Tenure and Promotion Committees
- 9.2.4.1 For each Academic Unit, the Dean, after calling for volunteers and in consultation with the Chair, will appoint a Tenure and Promotion Committee.
- 9.2.4.2 The term of the Committee is one Academic Year, except for Members serving by virtue of position.
- 9.2.4.3 The Committee constituted for an Academic Unit will consider and make recommendations on all applications for Extension of Probation, Tenure, and Promotion in the Academic Unit during that Academic Year.
- 9.2.4.4 A Tenure and Promotion Committee will consist of:
- 9.2.4.4.1 The Dean, as non-voting Chair of the Committee;

- 9.2.4.7 External members should be chosen for their experience and will normally hold, at minimum, the rank of Associate Professor, Librarian II, or Counsellor II. External members will serve on all Tenure and Promotion Committees in the Faculty or School during the Academic Year. Three (3) alternates, who conform to the same requirements, will also be chosen.
- 9.2.4.8 Appointment to the Committee of a slate of internal members, other than the Chair of the Academic Unit, requires ratification by Tenure-Track and Tenured Members within the Academic Unit. Appointment to the Committee of a slate of external members requires ratification by Tenure-Track and Tenured Members within the Faculty or School. The members listed as alternates will be included in the slates requiring ratification. Ratification requires more than fifty per cent (50%) of the votes cast in the ratification ballot. Should ratification fail, the Academic Unit, Faculty, or School will conduct an open election to fill the positions.
- 9.2.4.9 Alternates will be used:
- 9.2.4.9.1 To replace an internal member when an application for Promotion is from that Member;

- 9.2.4.11 Quorum for a Tenure and Promotion Committee is the Dean and all voting Members.
- 9.2.4.12 A Member may petition the Dean, in writing, to adjust the membership of the Committee that will consider and make a recommendation on that Member's application. The Dean may choose to replace members, without prejudice, or to confirm the original membership.

9.3 The University Promotion Committee

 - 9.3.1.1 The Provost, as non-voting Chair;
 - 9.3.1.2 The Dean from the Faculty or School from which an application originates, as a voting member;
 - 9.3.1.3 Five (5) Tenured Members, one (1) from each Faculty or School, excluding the School of Continuing Education; and
 - 9.3.1.4 One (1) Tenured Counsellor, who will vote on applications by Counsellors, only, and one (1) Tenured Librarian, who will vote on all other applications.
- 9.3.2 The voting members of the Committee will be elected by ballot in each Faculty, School, the Library, and Student Affairs.
- 9.3.3 The term of the University Promotion Committee is one (1) Academic Year. Any Member applying for Promotion in an Academic Year is not eligible to serve on the University Promotion Committee.
- 9.3.4 Members elected to the University Promotion Committee are ineligible either to apply for Promotion or to sit on a Tenure and Promotion Committee in the same Academic Year.
- 9.3.5 At the discretion of the Provost, other individuals may be added to the University Promotion Committee to serve in a non-voting, advisory capacity.

- 9.4.2 Deferrals**
 - 9.4.2.1 A Member who takes an approved leave of more than four (4) months during a Tenure-Track appointment may elect to have probationary review or reviews postponed for the same amount of time as the leave, rounded up to the nearest year. The Member will communicate this in writing to the Dean by August 31 in the Academic Year before any review.
 - 9.4.2.2 A Member may request in writing to the Dean, with a copy to the Chair of the Academic Unit, that consideration for Tenure at the end of the probationary period be deferred. The Member's request must be made by May 31 in the Academic Year before the Member's Tenure review is to come before a Tenure and Promotion Committee.
 - 9.4.2.3 Deferrals may only be granted by the Provost, on the recommendation of the Dean, and are normally for one (1) year. In extraordinary cases, a further deferral may be granted for a maximum of one (1) additional year. Decisions regarding deferral must be made by July 1 in the Academic Year before the Member's Tenure review is to come before the Tenure and Promotion Committee.
- 9.4.3 Extension of Probation
 - 9.4.3.1 The review process for the first three (3) years of a five-year probationary period is primarily a formative process to provide feedback on the Member's progress towards Tenure.
 - 9.4.3.2 By September 1 of the third year of probation, the Member will submit a dossier, as outlined in Article 10.1.8, that provides evidence of performance in assigned workload, over the initial probationary period, sufficient to warrant Extension of Probation.
 - 9.4.3.3 During the interval from October 1 to December 15 of the third year of probation, Extension of Probation must be considered by a Tenure and Promotion Committee.
 - 9.4.3.4 In its deliberations, the Committee will consider the following motion: "That the quality and quantity of the Member's academic work, relative to the criteria in Article 10 and the Member's workload, warrants Extension of Probation."
 - 9.4.3.5 The Committee will vote by ballot if a ballot is requested by at least one (1) member of the Committee.

- 9.4.3.6 Passage of the motion constitutes a recommendation to the Dean that probation be extended. Failure of the motion to carry constitutes a recommendation to the Dean that the Member's appointment be terminated on June 30 of the current Academic Year.
- 9.4.3.7 Within fifteen (15) working days of receiving this recommendation, the Dean will make a recommendation to the Provost and include with it the recommendation of the Tenure and Promotion Committee. - 9.4.4.1 Tenure is an appointment without defined term length.
- 9.4.4.2 By September 1 of the final year of probation, the Member will submit a dossier, as outlined in Article 10.1.8, that provides evidence of performance in assigned workload sufficient to warrant Tenure.
- 9.4.4.3 During the interval from October 1 to December 15 of the final year of probation, Tenure must be considered by a Tenure and Promotion Committee.
- 9.4.4.4 By mutual agreement between the Member and the Dean, a Member who is promoted during a probationary period may be considered for Tenure immediately after being promoted. The Committee may recommend Tenure or Extension of Probation. If the Committee recommends Extension of Probation, it will not continue beyond the Member's original probationary period.
- 9.4.4.5 In its deliberations, the Committee will consider the following motion: "That the quality and quantity of the Member's academic work, relative to the criteria in Article 10 and the Member's workload, merits Tenure."
- 9.4.4.6 The Committee will vote by ballot if a ballot is requested by at least one (1) member of the Committee.
- 9.4.4.7 Passage of the motion constitutes a recommendation to the Dean that Tenure be granted. If the motion fails, the Committee will recommend to the Dean that either:
- 9.4.4.7.1 The Member's appointment be terminated June 30 of the Academic Year; or
- 9.4.4.7.2 The Member's probation be extended by one (1) additional year.

9.5 Promotion

9.5.1 Applications for Promotion, through ranks in sequence, are the responsibility of the Member and may be made when deemed appropriate by the Member. Normally, application for Promotion requires at least five (5) years in the current rank held by the Member.

9.5.2 A Member will notify the Chair of the Member's Academic Unit of intention to apply for Promotion no later than July 1 of the Academic Year prior to the Academic Year in which such consideration is to occur.

9.5.3 For Promotion to the rank of Professor, Librarian III, or Counsellor III, the Tenure and Promotion Committee will seek advice from external referees who hold equivalent rank. Four (4) referees will be chosen, two (2) of whom will be chosen by the Committee from a short list provided by the Member and two (2) of whom will be chosen by the Dean in consultation with the Chair of the Member's Academic Unit. In cases where one (1) of the referees is unable to complete a reference, the remaining three (3) references will be deemed to fulfill this requirement.

9.5.4 Step One Promotion Hearings

9.5.4.1 A Member will submit a written request for Promotion to a Tenure and Promotion Committee no later than October 1 in the Academic Year in which such consideration is to occur. The request will indicate the rank sought and will be accompanied by the Member's dossier, as outlined in Article 10.1.8. In the case of Promotion to Professor, Librarian III, or Counsellor III, a list of five (5) arm's-length potential referees will also be included in the submission.

9.5.4.2 During the interval from January 1 to February 28, the Committee will consider a Member's request for Promotion. The Committee will consider the following motion: "That the quality and quantity of the Member's academic work, relative to the criteria in Article 10 and the Member's workload, warrants Promotion to the rank requested by the Member."

9.5.4.3 The Committee will vote by ballot if a ballot is requested by at least one (1) member of the Committee.

- 9.5.4.4 Passage of the motion constitutes a recommendation that the Member be promoted. Failure of the motion to carry constitutes a recommendation that the Member not be promoted.
- 9.5.4.5 Within fifteen (15) working days of the Committee’s vote, the Dean will forward the committee’s recommendation to the University Promotion Committee and include with it a summary of the deliberation. The Member will be notified of the recommendation.
- 9.5.5 Step Two Promotion Hearings
 - 9.5.5.1 During the interval from March 15 to May 15, the University Promotion Committee will consider and make recommendations on all applications for Promotion during that Academic Year.
 - 9.5.5.2 All materials made available to the Tenure and Promotion Committee, including the recommendation of the Tenure and Promotion Committee, will be placed before the University Promotion Committee.
 - 9.5.5.3 The motion considered by the University Promotion Committee will be: “That the quality and quantity of the Member’s academic work, relative to the criteria in Article 10 and the Member’s workload, warrants Promotion to the rank requested by the Member.”
 - 9.5.5.4 The Committee will vote by ballot if a ballot is requested by at least one (1) member of the Committee.
 - 9.5.5.5 Passage of the motion constitutes a recommendation that the Member be promoted. Failure of the motion to carry constitutes a recommendation that the Member not be promoted.
 - 9.5.5.6 Within fifteen (15) working days of the completion of deliberations, the Provost will make a recommendation to the University President and include with it the recommendation of the University Promotion Committee and the recommendation of the Tenure and Promotion Committee. The Provost will share with both Committees the recommendation made to the University President, and the Member will be notified of the recommendations.
- 9.5.6 The decision to promote a Member rests with the University President. If an application for Promotion is approved by the University President, the Promotion will take effect on July 1 of the Academic Year in which that application was considered.
- 9.5.7 A Member whose application for Promotion has been denied may not make application for Promotion, again, during the next Academic Year.

 - 10.1.6.2 For the purposes of evaluation for Extension of Probation, awarding of Tenure, or Promotion in rank, scholarly activity may take several forms, including:
 - 10.1.6.2.1 Scholarship of discovery: investigative inquiry that builds a distinctive body of knowledge or creativity within a field of study;
 - 10.1.6.2.2 Scholarship of integration: analytical inquiry that develops new insights and understanding as a result of bringing together and synthesizing knowledge and information from a variety of sources;
 - 10.1.6.2.3 Scholarship of application: inquiry that advances knowledge through engagement with the application of knowledge and expert practice;
 - 10.1.6.2.4 Scholarship of teaching: inquiry that supports the pedagogy of the discipline, innovation in the discipline, and the transfer of knowledge to learners; and
 - 10.1.6.2.5 Scholarship of professional practice: inquiry that reflects scholarly work that faculty in professional programs undertake as being part of a practicing profession.

- 10.1.6.3 The nature of scholarly activity may vary amongst Members and across Academic Units. Despite its diverse forms, all scholarly activity must be based on a high level of professional expertise, must give evidence of originality, and must be communicated in appropriate ways so as to have impact or significance beyond the University. Such work is ideally open to critical review and evaluation by peers.
- 10.1.6.4 Dissemination may be through either traditional or electronic forms. Publication will be interpreted to include exhibitions and performances, as appropriate.
- 10.1.6.5 Work that has been peer reviewed or has received external peer recognition will normally be accorded significantly greater overall weight in the assessment, and evidence of peer validation should be provided as part of a Member's dossier. Other dissemination will be considered, and weighted accordingly.
- 10.1.6.6 A Member's dossier could include a mix of peer-reviewed materials and other works. Members of a Tenure and Promotion Committee must determine whether the documented scholarly activity meets the requirements for Extension of Probation, awarding of Tenure, or Promotion.
- 10.1.7 A Demonstrated Record of Service
- 10.1.7.1 A Member will be assessed on contributions, and the effectiveness of these contributions, to the functioning of the University through activities and work on University, Faculty or School, Academic Unit, or Association committees; administrative activities related to the research and teaching functions of the University, or through other administrative assignments; the contribution of the Member to the intellectual life of the University through public presentations; and contributions to the academic community and society from activities related to the Member's appointment.
- 10.1.8 Member's Dossier
- 10.1.8.1 A Member applying for Extension of Probation, Tenure, or Promotion will submit a dossier. It is the Member's responsibility to provide sufficient evidence in the dossier to support the application.
- 10.1.8.2 A Member's dossier will contain the following parts:
- 10.1.8.2.1 Statement of the case for Extension of Probation, Tenure, or Promotion
The Member will provide an assessment of career progress and will outline how expectations have been met for each of academic credentials, teaching, scholarly activity, and service;
- 10.1.8.2.2 Curriculum vitae
This part of the dossier will consist of an up-to-date curriculum vitae, covering the Member's entire academic career. All Members will use the format approved by Academic Governance Council;
- 10.1.8.2.3 Teaching or Professional Practice
This part of the dossier should provide information that conveys the scope, quality, and effectiveness of the Member's teaching or professional practice. Quality and effectiveness as a teacher may be documented and demonstrated through the submission of materials as provided for in Article 11;

- 10.1.8.2.4 Service
This part of the dossier should provide information on the Member’s service activities. In demonstrating the nature of service contributions a Member should highlight the level and significance of participation; the level of responsibility, workload and demands on time and energy; a description of the setting indicating if the activity is disciplinary or non-disciplinary and whether it is within Academic Unit, Faculty or School, University, or external to the University; and the extent to which such activities contribute to the workings of the University or bring distinction to the University; and
- 10.1.8.2.5 Where scholarly activity is a component of a Member’s workload, the dossier will also include a section on:
- 10.1.8.2.5.1 Scholarly Activity
This part of the dossier will include evidence of the Member’s scholarly program, whether through conventional or emerging means of dissemination. The significance of completed work and how it has contributed to the Member’s discipline should be highlighted. In demonstrating scholarly productivity, the Member should highlight the quality of contributions, the quantity of production in the context of disciplinary norms for undergraduate-only institutions, and the connection between the Member’s scholarship and effective teaching. Projects currently in progress and plans for future work are components of a scholarly program. The submission must include copies of the Member’s scholarly work and should be organized by disciplinary norms. When physical submission is not practical, the Member may include a description of these works sufficient to demonstrate their significance.
- 10.1.8.3 As part of the dossier, a Member may submit, and a Tenure and Promotion Committee may consider, evidence of professional activity prior to the period under review for Extension of Probation, Tenure, or Promotion, provided that the evidence is relevant to the duties that have constituted the Member’s assigned workload in the period under review.
- 10.1.9 Criteria for Extension of Probation and Tenure
- 10.1.9.1 Extension of Probation will be awarded where a Member has performed satisfactorily and is making reasonable progress toward meeting the criteria for Tenure, pursuant to Article 10.1.9.2.

10.2 Professorial Ranks

- 10.2.1 The rank of Assistant Professor normally requires the following:
 - 10.2.1.1 An earned Doctorate or the degree that is determined as the terminal degree for the discipline. Equivalent qualifications or experience may be substituted, such as professional qualifications and a degree normally considered terminal for teaching the relevant University discipline, or where the Member has accumulated experience judged to be particularly relevant and valuable to a discipline;
 - 10.2.1.2 Evidence of commitment to and potential ability for effective baccalaureate-level teaching; and

- 10.2.2 Criteria for Promotion: General
 - 10.2.2.1 Promotion in rank, normally from Assistant Professor to Associate Professor or from Associate Professor to Professor, is a recognition of the Member's growth and development as a teacher and scholar, and of the Member's service. A Member's entire record of work will be assessed.
 - 10.2.2.2 In order to receive Promotion, a Member must present a demonstrated record of achievement consistent with the criteria in each of teaching, scholarly activity, and service.
 - 10.2.2.3 In accordance with Article 10.1.2, a Tenure and Promotion Committee may interpret criteria for Promotion, subject to the following:

 - 10.2.2.3.2 A teaching record exceeding the requirements for the rank being sought may compensate for a lesser record of scholarly activity or service; and
 - 10.2.2.3.3 Scholarly activity and service may be considered together for Promotion, so that greater achievement in one may compensate for lesser achievement in the other.
- 10.2.3 Promotion to Associate Professor

 - 10.2.3.1.1 Effective teaching at all levels available to the Member;

 - 10.2.4.2 In addition to the requirements for Associate Professor, the rank of Professor requires a demonstrated record of:
 - 10.2.4.2.1 Sustained, high-quality teaching at all levels available to the Member;

- 10.3.3 Criteria for Promotion: General

- 10.3.3.1 Promotion in rank, normally from Librarian I to Librarian II, from Librarian II to Librarian III, from Counsellor I to Counsellor II, or from Counsellor II to Counsellor III, is a recognition of the Member's growth and development as a Librarian or as a Counsellor, and of the Member's service. A Member's entire record of work will be assessed.
- 10.3.3.2 In order to receive Promotion, a Member must present a demonstrated record of achievement consistent with the criteria in professional practice and in service.
- 10.3.3.3 Where scholarly activity is a component of a Member's workload contributions, the Member must present a demonstrated record of achievement consistent with the criteria in scholarly activity. The assessing committee will take into consideration the percentage of the Member's cumulative workload that has been allocated to scholarly activity when determining the emphasis placed on this component.
- 10.3.4 Promotion to Librarian II or Counsellor II
- 10.3.4.1 In addition to the requirements for Librarian I or Counsellor I, the rank of Librarian II or Counsellor II normally requires a demonstrated record of:
- 10.3.4.1.1 Effective professional practice in all areas assigned to the Member, reflected in a high level of professional competence, depth of professional knowledge, and commitment to professional values;
- 10.3.4.1.2 Sustained and satisfactory service; and, where appropriate

10.4 Faculty Without Academic Rank: Criteria for Tenure

10.4.1 Assessment of a Member for awarding of Tenure will be based on the effectiveness with which the duties assigned to the Member were carried out.

10.4.2 Tenure will be awarded where a Member has established a satisfactory level of effectiveness in the duties assigned to the Member.

10.4.3 The assessment will account for the relative distribution of the duties assigned to the Member pursuant to Article 12.

10.4.4 Where the assigned duties include teaching, effectiveness will be assessed in accordance with Article 11.

10.4.5 The dossier submitted by a Member applying for Tenure will contain the following parts:

The Member will provide an assessment of career progress. The Member will outline how expectations have been met for each for the categories of evaluation, as guided by the duties assigned to the Member;

10.4.5.2 Curriculum vitae

This part of the dossier will consist of an up-to-date curriculum vitae, covering the Member's entire academic career. All Members will use the format approved by Academic Governance Council; and

10.4.5.3 Record of academic and professional accomplishments

This part of the dossier should provide an evidence-based record that conveys the scope, quality, and effectiveness of the Member's accomplishments, categorized according to the duties assigned to the Member during the probationary period. For teaching, scholarly activity, or service, this part of the Member's dossier will be in accordance with Article 10.1.8.2.3, Article 10.1.8.2.4, and Article 10.1.8.2.5.

10.4.6 As part of the dossier, a Member may submit, and a Committee may consider, evidence of professional activity prior to the period under review for Tenure, provided that the evidence is relevant to the duties that have constituted the Member's assigned workload in the period under review.

ARTICLE 11 Evaluation of Teaching

11.1 Teaching consists of all work directed towards student learning for which students earn academic credit. Whenever this Agreement calls for the evaluation of a Member's teaching, the evaluation will be in accordance with this article.

- 11.2 A Member's entire teaching contribution for the specified period under review will be evaluated. Where available, student course evaluations survey results will be used in this evaluation.
- 11.3 So that no evaluation of teaching performance relies primarily on student course evaluation surveys, Members must submit material that is often used in the construction of a teaching dossier in order to help contextualize these data. Any evaluation of a Member's teaching performance will consider all contextual materials provided by the Member. This material may include, but is not restricted to:
- 11.3.1 A statement of teaching philosophy;
 - 11.3.2 Peer evaluations of teaching;
 - 11.3.3 Instructional materials provided by the Member;
 - 11.3.4 A description of teaching contributions that are not evaluated by student course evaluation surveys;
 - 11.3.5 Member's contributions in the areas of pedagogical development and innovation; and
 - 11.3.6 Member's written responses to the results of student course evaluation surveys.
- 11.4 A Member's written responses to student course evaluation surveys per Article 11.3.6 may address relevant factors, including but not restricted to:
- 11.4.1 Patterns in student course evaluation survey results;
 - 11.4.2 Representativeness of the sample of completed student course evaluation surveys;
 - 11.4.3 The size, type, and level of any course taught;
 - 11.4.4 The nature of course material;
 - 11.4.5 The nature of course delivery;
 - 11.4.6 The number of new course preparations assigned to the Member; and
 - 11.4.7 The complexity and risks inherent to pedagogical innovation.
- 11.5 Student Course Evaluation Surveys and their Administration**
- 11.5.1 Student course evaluation surveys serve both a formative and a summative function.
 - 11.5.2 The University will conduct student course evaluation surveys for every course, with the exception of courses with an enrolment of six (6) or fewer students.
 - 11.5.3 The survey instrument will be constructed so as to help obtain a fair and reasonable assessment of teaching performance.
 - 11.5.4 Academic Governance Council will approve changes to the survey instrument and will be responsible for the administration of student course evaluation surveys.
 - 11.5.5 The administration of the survey must afford all students in a course scheduled for evaluation a reasonable opportunity to respond.
 - 11.5.6 No change to the survey instrument will be made without providing the Association Board an opportunity to submit written input to Academic Governance Council prior to its deliberations on any proposed change.

11.6 In order to improve course design and teaching effectiveness, a Member may conduct formative course surveys in a course, provided that student confidentiality is protected and the format and the timing of the survey do not compromise the student course evaluation process.

11.7 Distribution of Information from Student Course Evaluation Surveys

11.7.1 The data from a student course evaluation survey represent only the views of students responding to that survey.

11.7.2 Quantitative responses will be aggregated, with the mean, standard deviation, frequency, and number of eligible respondents for each question. A report consisting of aggregated quantitative data and student comments will be sent to the Member, the Member's Chair, and the Member's Dean after the material has been converted into a report and following the submission of final grades.

11.7.3 This report will be part of a Member's Official File.

11.7.4 Quantitative data may be aggregated by Academic Unit, Faculty or School, or for the University as a whole, and such aggregated data may be published.

ARTICLE 12 Workload Assignment

12.1 Workload Assignments: General

12.1.1 The workload of Chairs is governed by Article 13.

12.1.2 The process of assigning workload to Members must consider the diverse range of programming at the University and the importance of flexibility for the management of a program. It is acknowledged and accepted that a fair application of workload assignment may give rise to nominal differences for Members within and between Academic Units.

12.1.3 The workload assignment of a Member will be determined by the Dean in consultation with the Chair and the Member.

12.1.4 The duties and responsibilities for a majority of Tenure-Track, Tenured, and Full-Time Limited-Term Members are an appropriate combination of the following:

12.1.4.1 Instruction: Instruction consists of all faculty work directed towards student learning for which students earn academic credit. Members with an instructional workload component are expected to maintain currency in their area or discipline;

12.1.4.2 Professional Practice: Professional practice encompasses the activities undertaken by Professional Resource Faculty in their roles as Counsellors, Librarians, Nursing Laboratory Resource Professionals, Writing and Learning Consultants, and Learning Specialists;

12.1.4.3 Scholarly Activity: Scholarly activity is integral to fulfilling the mandate and mission of the University. Scholarly activity is the engagement in research, scholarship, and critical or creative work, and the dissemination of such work through publications, presentations, exhibitions and performances, and other appropriate means. Members with a scholarly activity component of workload will have a demonstrable program of scholarly activity; and

12.1.4.4 Service: Service represents activities essential to the ongoing operation of the Academic Unit, Faculty or School, and University. At minimum, Members with a service workload component are required to be engaged in the academic operations of their Academic Unit, and to be active in the academic governance of the University, including participation, where possible, in the Faculty or School Council or equivalent. When appropriate, service to the Association, and service to the profession, discipline, or community that relies on the professional or academic expertise of faculty, is a contribution considered alongside institutional service.

12.2 Instructional Assignment

- 12.2.1 Instructional Hour (“IH”) refers to the standard unit of instruction. All forms of instruction are assigned an IH value for the purpose of establishing instructional workloads.
- 12.2.2 The IH value of an instructional activity will be recorded and will constitute the official IH value of the course.
- 12.2.3 A change of the official IH value of an instructional activity requires the approval of both the Dean and Members through the academic governance processes of the University.
- 12.2.4 In cases where a change to the IHs of an instructional activity is enacted without agreement pursuant to Article 12.2.3, the assigned value may be the subject of a grievance filed according to the provisions of Article 4.
- 12.2.5 Course assignments will be determined within each Academic Unit on the principle that Tenure-Track and Tenured workload assignments will be made first, and Full-Time Limited-Term workload assignments will be made prior to other Contractually-Limited assignments.
- 12.2.6 Where an assigned course is cancelled after a Member has received an instructional assignment, the Chair and the Dean will meet with the Member to discuss options and will assign a replacement course. Workload averaged over two (2) years may be considered in determining a suitable replacement.

12.3 Workload Assignment for Professorial Ranks

- 12.3.1 Definitions of instructional workload types

- 12.3.4 The duties of a Member will be assigned according to the following guidelines:

- 12.3.4.1 Unless a Member is granted an alternative workload pursuant to Article 12.3.6, a Member's workload type will not change from year to year. In cases where the Dean has approved an alternative workload pursuant to Article 12.3.6, the Dean will communicate the range of approved IHs to the Member and the Chair. In the exceptional circumstance when a Member does not have a workload type and Article 12.3.6 does not apply, then the Dean, in consultation with the Member, will determine the instructional hour range;
- 12.3.4.2 Instructional assignments will be made by the Member's Chair in consultation with the Member by January 31. If the Member and the Chair cannot agree on a teaching assignment, the Member, the Chair, and the Dean will meet to determine the assignment. A Member who remains dissatisfied with the assignment after the meeting with the Chair and the Dean may request a workload review panel in accordance with Article 12.11;
- 12.3.4.3 Members with a Type 1 or Type 2 instructional workload will engage in scholarly activity. Members are not assigned nor required to have prior approval for specific scholarly activities, but there are expectations for the Member in accordance with Article 12.1.4.3 and Article 10; and

- 12.3.6.1.2 A Member with a Type 1 workload may request an averaging of instructional workload over a period of three (3) consecutive Academic Years to enable the Member to focus on scholarship. The rationale for such a request will outline how the full instructional obligations will be met over the three-year period, including whether or not the Member is willing to assume additional teaching in the first year of the accommodation, and indicate how the alternative distribution will assist with the Member's scholarship.
- 12.3.6.1.3 A Member may request a reduction of assigned teaching for one (1) Academic Year to address significant scholarship or service in that Academic Year.
- 12.3.6.2 The Dean's decision, with rationale, including the start date of the alternative workload, will be communicated in writing within thirty (30) days of the Member's request.
- 12.3.6.3 Within fifteen (15) days, a Member may appeal the Dean's decision to the Provost. The written appeal will include a rationale and may include a request to meet with the Provost. The decision of the Provost will be communicated in writing to the Member and the Dean within fifteen (15) days of receipt of the appeal. The Provost's decision will be final.

- 12.6.2.4.2 A Member will provide the Chair with a summary of anticipated scholarly activity which will include: how the scholarly activity will be disseminated; how it will benefit the Academic Unit, the University, and student learning; and how it will benefit career progression. The request will also indicate the percentage component of annual workload requested for the scholarly activity.
- 12.6.2.4.3 When a scholarly activity component is requested, the Chair will provide a recommendation to the Dean, including how the Member's professional practice and how the operation of the Academic Unit will be impacted.

- 12.8.5 All Science Lab Instructors are expected to maintain currency in their respective area of discipline.

12.8.6 Should the Member not accept a finalized workload, the Member may request a Workload Review Panel in accordance with Article 12.11.

12.9 English as an Additional Language Instructor Workload Assignment

12.9.1 The workloads for Tenure-Track, Tenured, and Full-Time Limited-Term English as an Additional Language (EAL) Instructors will be assigned by the Director and approved by the Dean.

12.9.2 A Tenure-Track, Tenured, or Full-Time Limited-Term EAL Instructor's full-time workload involves teaching for each of the three (3) terms in the Academic Year. In addition to assigned teaching, a Tenure-Track, Tenured, or Full-Time Limited-Term EAL Instructor will engage in professional development and service in support of the program.

12.9.3 The annual in-class workload of a Full-Time EAL Instructor is 1012.5 hours.

12.9.4 All EAL Instructors will be available for out-of-class student contact.

12.9.5 All EAL Instructors are expected to maintain currency in the field of EAL instruction.

12.9.6 All EAL Instructors will engage in service to the University as assigned by the Director.

12.9.7 Should the Member not accept a finalized workload, the Member may request a Workload Review Panel in accordance with Article 12.11.

12.10 University Preparation Instructor Workload Assignment

12.10.1 The workloads for Tenure-Track, Tenured, and Full-Time Limited-Term University Preparation (UP) Instructors will be assigned by the Director and approved by the Dean.

12.10.2 A Tenure-Track, Tenured, or Full-Time Limited-Term UP Instructor's full-time workload involves teaching for each of the three (3) terms in the Academic Year. In addition to assigned teaching, a Tenure-Track, Tenured, or Full-Time Limited-Term UP Instructor will engage in professional development and service in support of the program.

12.10.3 The annual in-class workload of a Full-Time UP Instructor is 810 hours.

12.10.4 All UP Instructors will be available for out-of-class student contact.

12.10.5 All UP Instructors are expected to maintain currency in the field of UP instruction.

12.10.6 All UP Instructors will engage in service to the University as assigned by the Director.

12.10.7 Should the Member not accept a finalized workload, the Member may request a Workload Review Panel in accordance with Article 12.11.

12.11 Workload Review Panel

12.11.1 Any Member dissatisfied with a finalized workload may file a written Notice of Review with the Dean and send a copy to the President of the Association. The Member will file a Notice of Review within five (5) working days of receipt of their finalized workload.

12.11.2 Each Workload Review Panel will be composed of at least the following or their named alternates:

12.11.2.1 The Dean who will act as non-voting Chair;

- 12.11.2.2 The Chair or the individual responsible for the preliminary workload assigned to the affected Member; and
- 12.11.2.3 Three (3) Academic or Resource area Members.
- 12.11.2.3.1 The Members will pre-select seven (7) Members from the appropriate employment category. The Dean will ensure a democratic process of pre-selection occurs.
- 12.11.2.3.2 When a request for review is filed, the Dean will canvas the seven (7) pre-selected Members, of whom three (3) will serve on the panel.
- 12.11.3 In making its determinations on the merits of the appeal, the Workload Review Panel will review the workload procedures in the appropriate employment category to determine if all the workload assignment procedures have been considered and applied. The Workload Review Panel members and the Member requesting the review may request the Dean to provide access to the assigned workloads and workload criteria considerations for the appropriate and relevant Members in the Academic Unit.
- 12.11.4 Within fifteen (15) working days of the date of the Member's review request, the Workload Review Panel will make a recommendation to the Dean on whether a workload adjustment is warranted.
- 12.11.5 The Dean will, without delay, refer the recommendation of the Workload Review Panel, including dissenting comments, to the Provost, whose decision will be final.
- 12.11.6 The Provost will communicate the final decision in writing to the Member within ten (10) working days of receipt of the recommendation. If the appeal is denied, the Provost will provide a written explanation. A copy of the decision will be forwarded to the Association.
- 12.11.7 The financial management for successful appeals will be the responsibility of the Dean of the Faculty or School.

12.12 Overload

- 12.12.1 Overload is for exceptional circumstances and the University and Association acknowledge that excessive amounts of overload may negatively affect a Member's performance.
- 12.12.2 Overload occurs when a Member teaches or provides service in excess of the Member's assigned annual workload in a year.
- 12.12.3 The Dean must provide written authorization to the Chair prior to final confirmation of an overload assignment with the Member.
- 12.12.4 The Dean will authorize overload remuneration at the overload rate.
- 12.12.5 Payment of Overload
 - 12.12.5.1 If a Member works overload, it will be paid at the applicable rate beginning on the first regular payday following the date on which it can be established that an overload exists and will be paid over the balance of the term.
 - 12.12.5.2 In the event that all overload has been worked as of the date on which it was established that an overload exists, then a lump sum payment for such overload will be made on the first regular payday following that date.

12.12.6 If a Faculty School Advisor works hours in excess of thirty-five (35) hours per week, then these hours will be considered overload. All overload must be authorized by the appropriate Dean, in advance of such time being worked. Overload will be paid as time in lieu.

12.13 External Professional Activities

12.13.1 The University recognizes that some Members engage in professional activities external to the University. Professional activities such as consulting, or working for other educational institutions, or healthcare organizations, must not conflict with a Member's responsibilities to the University. Members engaged in external professional activities will, upon request, report the nature and scope of these activities to the Dean.

ARTICLE 13 Chairs

13.1 General

13.1.1 In consultation with the Dean, a Chair provides academic and administrative leadership to an Academic Unit.

13.1.2 A Chair is responsible for the functional supervision of faculty and staff in an Academic Unit and advises the Dean in matters where academic expertise is required.

13.1.3 A Chair works collegially with members of an Academic Unit and facilitates communication and interactions between an Academic Unit and the University community.

13.1.4 A Chair encourages a supportive work environment in an Academic Unit and provides mentoring as needed.

13.1.5 A Chair will meet with all new Tenure-Track Members in an Academic Unit within three (3) months of the commencement of their appointment to explain to them the criteria and procedures for appointment review.

13.1.6 A Chair supports student learning in an Academic Unit and seeks to resolve disputes informally.

13.1.7 English as an Additional Language and University Preparation do not have Chairs. The Director will assume all responsibilities of a Chair. The Director position is not a faculty position.

13.2 Appointment

13.2.1 At least six (6) months before a new Chair is required in an Academic Unit, the Dean will seek candidates who are interested in serving as Chair. The successful candidate will have a Full-Time Tenured appointment and will normally hold an appointment in that Academic Unit.

13.2.2 The Dean will then appoint a Search Committee, having solicited volunteers. The Committee will be composed of four (4) Tenure-Track or Tenured Members from the Academic Unit, as well as a Chair from another Academic Unit. For smaller Academic Units or for reasons of disciplinary expertise, the five (5) voting Members of the Committee may be configured differently. The Dean will act as non-voting Chair of the Search Committee.

- 13.2.3 Candidates will make a presentation to Members of the Academic Unit, who will have an opportunity to provide feedback to the Committee. The Search Committee will then interview candidates.
- 13.2.4 The Search Committee will make a recommendation to the Dean based on the suitability of candidates. Where more than one candidate is suitable for appointment as Chair, the recommendation will include a rank order.
- 13.2.5 The Dean will then make a recommendation to the Provost and include with it the recommendation of the Search Committee. The Dean will share with the Search Committee the recommendation made to the Provost.
- 13.2.6 The Provost will be responsible for the appointment of the Chair.
- 13.2.7 Should the recommendation process be ineffective or impractical, the Provost may, on the recommendation of the Dean, appoint an Interim Chair, from within the Academic Unit or from another Academic Unit, for a period of up to twelve (12) months, while a Chair is sought.
- 13.2.8 Chair appointments will be for a three-year term, and will normally begin on July 1. No Chair will serve more than two (2) consecutive full terms, unless the size of the Academic Unit prevents administrative succession. In such exceptions, the full search process outlined in this article will still be followed.
- 13.2.9 A Chair will receive an honorarium at the rate of \$6,500 per annum.
- 13.2.10 The Dean may appoint an Acting Chair, without honorarium, to accommodate vacations and other short-term absences.
- 13.2.11 Chairs recruited from outside the University are Members and subject to the provisions of this article.

13.3 Reappointment

- 13.3.1 At least six (6) months before the end of a Chair's first term, the Chair will notify the Dean regarding interest in serving a second term.
- 13.3.2 Chairs seeking reappointment will make a presentation to Members of the Academic Unit, who will then be given an opportunity to provide the Dean feedback on the suitability of reappointment.
- 13.3.3 The Dean will provide the Chair an opportunity to respond in writing to a fair summary of this feedback. The Dean will then meet with the Chair to discuss reappointment.
- 13.3.4 The Dean will make a recommendation to the Provost, summarizing the feedback from the Academic Unit and the Chair's response. The feedback and the Chair's response will be available for the Provost to review.
- 13.3.5 The Provost will be responsible for the reappointment of the Chair.
- 13.3.6 If the Chair is not reappointed, a Search Committee will be formed and a recommendation made through the full search process outlined in this article.

13.4 Resignation and Removal

- 13.4.1 To resign from an appointment as Chair normally requires three (3) months' notice. The Chair will advise the Dean in writing.

13.4.2 On the recommendation of the Dean, the Provost may end a Chair's appointment, at any time, with one (1) month's notice. This action, itself, is not a disciplinary measure. In such a case, the Chair will receive a lump sum payment equivalent to three (3) months' honorarium.

13.5 Chair Workload

13.5.1 The Dean, after consultation with a Chair, will determine the Chair's workload.

13.5.2 Unless waived by the Provost, the workload of a Chair will maintain a component of instruction or professional practice.

13.5.3 If a Chair is dissatisfied with assigned workload, an appeal may be made to the Provost. The Faculty Association will be notified of the appeal.

13.5.3.1 Within ten (10) working days of the workload being assigned, a Chair considering an appeal will first meet to discuss the subject of the workload appeal with the Dean in an attempt to resolve the matter.

13.5.3.2 If the Chair and the Dean are unable to resolve the dispute within ten (10) working days of meeting, the Chair may appeal in writing to the Provost. The Provost and the Chair will meet at the discretion of either party to discuss the subject of the workload appeal.

13.5.3.3 The Provost will communicate a decision in writing within ten (10) working days of the date that the matter was referred to the Provost. If the appeal is denied, the Provost will provide a written explanation. A copy of the decision will be sent to the Association.

13.5.3.4 The decision of the Provost is final.

13.5.4 A Member who has completed a term as Chair will be given consideration in the assignment of workload in the year following the Chair's term in order to assist with the resumption of the range of faculty responsibilities.

ARTICLE 14 Annual Reports and Annual Performance Evaluation

14.1 For the application of this Article to Professional Resource Faculty appointed outside a Faculty, a School, or the University Library, as well as to the Faculty Development Coordinator:

14.1.1 References to Faculty or School Councils will mean all such Members holding Tenure-Track, Tenured, or Full-Time Limited-Term appointments; and

14.1.2 References to Faculty or School Executive Committee will mean a committee composed of the Dean to whom these Members report and three (3) Members who are elected by majority ballot of their peers.

14.2 Annual Reports

14.2.1 An annual report template will be provided by the University. Review of the template will be conducted by the University at least every three (3) years, once feedback has been sought from Members.

14.2.2 Except for Members appointed in the previous three (3) months, all Members holding Tenure-Track, Tenured, or Full-Time Limited-Term appointments are required to complete an annual report by September 15, which will detail their activities from the previous Academic Year.

14.3 Performance Evaluation

- 14.3.1 Performance evaluation will be conducted each year for all Members who are required to submit an annual report.
- 14.3.2 The purpose of performance evaluation is to provide an assessment that acknowledges a Member's achievements, identifies areas for improvement, and suggests opportunities for development.
- 14.3.3 A Member will be reviewed in each component of assigned workload, and the Member will be provided with feedback for each component.
- 14.3.4 An assessment of "Meritorious," "Exceeds Expectations," "Meets Expectations," "Requires Improvement," or "Unsatisfactory" will be made for the overall performance of the Member, with respect to the Member's assigned workload.
 - 14.3.4.1 An overall assessment of "Meritorious" will normally be reserved for exceptional achievement.
 - 14.3.4.2 Normally, a Member will receive an overall assessment of "Unsatisfactory" only after having received at least one (1) overall assessment of "Needs Improvement" in the previous two (2) years.
 - 14.3.4.3 When an overall assessment of "Needs Improvement" is made, the Dean will meet with the Member to discuss how the Member may improve, so to achieve an overall assessment of "Meets Expectations," and to advise the Member of the provisions in Article 14.7.
- 14.3.5 No part of this article will preclude informal communication or processes that may contribute constructively to the performance of Members in their roles.
- 14.3.6 Where a Member has been on leave under Article 21, Article 22, or Article 23, the period of leave will be removed from the period considered in the performance evaluation.
- 14.3.7 Should a Member be on leave on September 15, the Member will be required to submit an annual report within twenty (20) working days of return.

14.4 Performance Evaluation Criteria

- 14.4.1 In collaboration with the Executive Committee of each Faculty or School Council, or a committee of Librarians elected by a majority ballot of the Librarians, the Dean will prepare in writing the criteria for the evaluation of performance. Criteria, and any subsequent changes, will be approved by a vote of Faculty or School Council. Criteria in the University Library will be approved by a vote of the Librarians.
- 14.4.2 For units that do not have a Council, such as Student Affairs, a committee consisting of the Dean and three (3) Members will develop the criteria for evaluation. Criteria, and any subsequent changes, will be approved by a vote of the Members within their unit.
- 14.4.3 For the Faculty Development Coordinator, criteria will be developed by three (3) Tenured Members selected from three (3) Faculty or School Executive Committees, the Faculty Development Coordinator, and the Faculty Development Coordinator's Dean.
- 14.4.4 Each year, the Dean will provide all Members with a copy of the current performance evaluation criteria.

14.5 Performance Review Form and Process

- 14.5.1 A performance review form will be provided by the University. At minimum, it will allow for:
 - 14.5.1.1 A Chair's feedback on each component of a Member's workload and an overall recommendation in accordance with Article 14.3.4;
 - 14.5.1.2 A Member's commentary on the Chair's feedback; and
 - 14.5.1.3 The assessment by the Dean in accordance with Article 14.3.4.
- 14.5.2 Annual performance evaluation will be based on all of the following:
 - 14.5.2.1 A Member's annual report;
 - 14.5.2.2 The relevant performance evaluation criteria in effect for the period under review;
 - 14.5.2.3 The norms of a Member's discipline;
 - 14.5.2.4 For Members with instruction as part of their workload, documents that facilitate an evaluation of teaching consistent with Article 11; and
 - 14.5.2.5 Documents in a Member's Official File relevant to an evaluation of that Member's teaching, professional practice, scholarly activity, or service in the period under review.
- 14.5.3 It is each Member's explicit responsibility to provide, in the annual report and in any supporting documents, sufficient detail of activities to enable an assessment of performance.
- 14.5.4 For each Member of the Academic Unit, other than the Chair, who has submitted an annual report, the Chair will:
 - 14.5.4.1 Conduct an initial review of performance;
 - 14.5.4.2 Seek clarification from a Member regarding the content of an annual report, when necessary;
 - 14.5.4.3 Complete the required sections of the performance review form; and
 - 14.5.4.4 Confer with the Dean throughout the review process, as appropriate.
- 14.5.5 The performance review form will be signed by both the Chair and the Member. The Member may add written comments to the review prior to signing the document. The signature of the Member does not constitute agreement with the review.
- 14.5.6 The Chair will gather and forward to the Dean, by November 15, copies of all signed performance review forms from the Academic Unit.
- 14.5.7 Using the signed performance review form as the basis for the evaluation of each Member, the Dean will complete the evaluation by providing an overall assessment of the Member's performance. This overall assessment will be deemed to be the formal outcome of the performance evaluation for the Member.
- 14.5.8 The Dean will communicate the results of the performance evaluation to each Member in writing by February 1. This will include, at minimum, the completed performance review form, signed by the Dean. The Dean will notify the Chair, in writing, of the outcome of performance evaluation for all Members in the Academic Unit.

- 14.5.9 A Member has the right to respond in writing to the Dean's evaluation within ten (10) working days of receiving a performance evaluation. The response will be kept in the Member's Official File with the performance review form.
- 14.5.10 By June 30, the University will provide the Association with the number of Members assessed, together with a distribution of performance evaluation outcomes.

14.6 Performance Evaluation of Chairs

- 14.6.1 The performance evaluation of a Chair, including for the entirety of the Academic Year in which the Chair's appointment ends, is the responsibility of the Dean.
- 14.6.2 Between September 15 and October 15, the Dean will request that Members in the Academic Unit provide attributable, written feedback on the performance of the Chair, including suggestions for improvement, for the period under review. This feedback will apply only to the responsibilities of the Chair role, as guided by Article 13.1.
- 14.6.3 After November 15, the Dean will provide the Chair a fair summary of written feedback from colleagues, protecting the anonymity of Members providing the feedback, and will provide the Chair an opportunity to respond to the fair summary.
- 14.6.4 The Dean will, by February 1, provide the Chair with an overall assessment of performance, having used the feedback of Members and the response of the Chair to supplement the Chair's annual report.

14.7 Unsatisfactory Performance

- 14.7.1 When the overall assessment of a Member's performance is deemed "Unsatisfactory," the Dean, in consultation with the Member and the Member's Chair, will develop, by May 1, a sixteen-month Enhanced Performance Plan, for all of the Member's workload components and responsibilities so that the Member may have guidance in an effort to return to, at minimum, a standard of performance that meets expectations.
- 14.7.2 The Dean will meet with the Member in order to discuss the implementation of the Enhanced Performance Plan.
- 14.7.3 The Dean will ensure that the Member is offered support and has access to reasonable resources to implement the Enhanced Performance Plan. The Enhanced Performance Plan will be kept in the Member's Official File and copies will be provided to the Member, the Chair, and the Faculty Association.
- 14.7.4 A Member will not receive salary increments while on an Enhanced Performance Plan.
- 14.7.5 A Member pursuing an Enhanced Performance Plan will complete an annual report, as set out in Article 14.2.2, but this annual report will not be assessed formally, and will be used only as a four-month benchmark in the plan. The Chair will provide feedback on each component of the Member's workload.
- 14.7.6 The Member and the Chair will continue to review progress and achievement every four (4) months until the Enhanced Performance Plan's conclusion.

- 14.7.7 At the conclusion of the Enhanced Performance Plan, the Member will again complete an annual report that will be assessed in keeping with Article 14.5. Notwithstanding the usual assessment options set out in Article 14.5.7, the performance of a Member who has just concluded an Enhanced Performance Plan will be assessed as either “Meets Expectations” or “Unsatisfactory.”
- 14.7.8 If a Member receives an “Unsatisfactory” assessment in two (2) consecutive performance evaluations, then the Member may be subject to disciplinary provisions under Article 18.1, Article 18.3, and Article 18.4.
- 14.7.9 Where a member receives an “Unsatisfactory” performance review and is placed on an Enhanced Performance Plan, the Member will be advised of Article 14.7.8 and the potential consequences of a second consecutive “Unsatisfactory” assessment.

14.8 Relationship with Promotion Recommendations and Decisions

- 14.8.1 Annual performance reviews described in this article will be used in Promotion recommendations and decisions only as outlined specifically in this Collective Agreement.

ARTICLE 15 Resignation and Retirement

- 15.1.2 Normally, written notice to resign will be provided to the Member’s Dean four (4) months prior to the resignation date.

15.2 Retirement Date and Vacation

- 15.2.1 When a Member retires, the last day of employment will be June 30, and all vacation will be deemed to be used by that date.

15.3 Resignation Date and Vacation

- 15.3.1 When a Member resigns, every effort will be made to use any remaining vacation days. The Dean may, in consultation with the Member, authorize an extension to this resignation date by up to five (5) working days, if extenuating circumstances prevent the Member from using vacation days accrued.

15.4 Bridge to Retirement

- 15.4.1 A bridge to retirement plan allows a Member to phase into retirement with a workload reduction of fifty per cent (50%). Annual workload responsibilities will be reduced proportionately once a future appointment termination date has been declared.
- 15.4.2 With the agreement of the Dean, a bridge to retirement plan will begin on July 1 and will end on June 30. The plan will be for twelve (12) or twenty-four (24) months.

- 15.4.3 The Member will continue to receive health and dental benefits as long as the Member continues to meet benefits eligibility requirements, and all income-driven benefits contributions and premiums — short term disability (STD) and long term disability (LTD) premiums — will be prorated on a fifty per cent (50%) basis, as will vacation and sick leave entitlements.
- 15.4.4 Bridge Eligibility
- 15.4.4.1 To be eligible for the bridge to retirement plan, a Member must meet the following criteria:
- 15.4.4.1.1 The Member occupies a Full-Time Tenured appointment on the date of application, through to the plan start date; and

- 15.4.5.3 The Dean will communicate the decision of the Provost to the Member as soon as possible, and by no later than February 15. The decision of the Provost will be final.
- 15.4.6 Bridge Plan Requirements
- 15.4.6.1 By February 28, when an application for a bridge to retirement plan is approved and accepted, the Member will provide the Dean with an irrevocable retirement letter. The letter will acknowledge the plan start date as the upcoming July 1, and it will confirm the Member's date of appointment termination as the plan completion date of June 30.
- 15.4.6.2 The Member will make application by March 1 to receive Local Authorities Pension Plan (LAPP) benefits on July 1.
- 15.4.6.3 The Member will begin a fifty per cent (50%) workload and will receive fifty per cent (50%) of the Member's annual salary effective July 1.
- 15.4.7 Plan Restrictions
- 15.4.7.1 A Member participating in the plan is not eligible for overload teaching.
- 15.4.7.2 A Member participating in the plan will not condense an annual workload for a twelve-month plan into one (1) semester and will not condense the two (2) annual workloads of a twenty-four-month plan into twelve (12) months.

ARTICLE 16 Academic Reorganization

- 16.1 The Board and the Association acknowledge that in order to maintain the integrity and viability of the academic mission of the University, it may become necessary to revise, restructure, or discontinue Programs or Departments which may result in the layoff of Tenured Members.

- 16.2 Reorganization means the reduction, deletion, or transfer of a Program or Department and will normally occur in the context of institutional academic planning. Academic Governance Council will review potential changes prior to the initiation of reorganization.
- 16.3 Reorganization will normally be achieved in a manner that will protect the employment of Tenured Members.
- 16.4 No reorganization which affects the terms and conditions of employment of Tenured Members may occur without consultation with the Association which may make recommendations to the Provost.
- 16.5 The Association will be notified in writing and consulted at the earliest stages of planning, will have available to it the required supporting information, and have up to one (1) month to make its recommendations. The Association will be copied on all written communication with Members affected by reorganization.
- 16.6 Program or Department Deletion**
- 16.6.1 For reorganization that involves the deletion of a Program or Department, the Dean will inform the Members of the number and nature of the positions that will be required for each year that some or all of the Program or Department will continue to be offered.
- 16.6.2 Affected Members may apply for early release or continuation on staff for the length of time some or all of the Program or Department will continue.
- 16.6.3 The Dean will consider such applications subject to the qualifications of the Members to teach the required courses and the needs of the University.
- 16.7 Program or Department Reduction**
- 16.7.1 For a reorganization involving a reduction in the Tenured Members in a Program or Department, an Implementation Committee will be established. The committee will consist of the Dean, who will chair the committee, and four (4) Tenured Members elected by the Faculty or School Council.
- 16.7.2 The Implementation Committee will recommend criteria for layoffs and recommend the Members to be laid off based on those criteria. The recommendations will be forwarded to the Provost with a copy to the Association. In determining the criteria and making its recommendations, the Committee will consider academic qualifications, academic expertise, performance, and length of service.
- 16.7.3 The Provost is responsible for any decision to lay off a Member. Any Member who is laid off will be notified by the Provost in writing.
- 16.8 Layoffs will only be effected in a Program or Department if the number of Tenured positions subject to layoff is greater than the number of Tenured Members who will retire either in the Academic Year in which the reorganization will take place or in the subsequent Academic Year. Notice of layoff will be not less than six (6) months.
- 16.9 Where a Member is identified for layoff, the University will:
- 16.9.1 Make reasonable efforts to reassign the Member to an equivalent Faculty position that the Member is qualified to perform as per Article 17;

- 16.9.2 Provide a reasonable opportunity for retraining of the Member for the purpose of reassignment as per Article 17; and
- 16.9.3 Provide a reasonable opportunity for the Member to transfer to Part-Time status.
- 16.10 If a Tenured Member identified for layoff cannot be reassigned or refuses a retraining opportunity, the Member will be laid off. A Tenured Member who is laid off in this fashion will receive a severance payment equal to the lesser of:
 - 16.10.1 1/12 of the Member's annual regular salary for each year of Tenure-Track or Tenured service; or
 - 16.10.2 The Member's regular annual salary.
- 16.11 If a Member identified for a layoff can be reassigned to an equivalent position and circumstance but refuses to accept such reassignment, the Member will be laid off and will not receive severance.
- 16.12 In the event that a Full-Time Tenured Member accepts reassignment to part-time status, the severance payable will be in accordance with the provisions of Article 16.10, pro-rated to the percentage reduction from a full-time position.

16.13 Recall

Should the same, or essentially the same, full-time or part-time position be reinstated within eighteen (18) months of the effective date of layoff, the Member will be so advised by the University and be given first consideration for reappointment.

- 16.13.1 If more Members apply for reinstatement than the number of vacancies, the selection of Members for reinstatement will be made on the basis of the procedures and criteria in Article 16.7.2.
- 16.13.2 Salary on reappointment will be at the same rate as at layoff, subject to any general salary adjustments in the interim.
- 16.13.3 Should reappointment occur within one (1) year of the layoff date, the severance payment will be repaid proportionately.
- 16.13.4 Should reappointment occur within one (1) year of the effective date of layoff, for the purpose of the Local Authorities Pension Plan, and subject to plan regulations, the period between the layoff date and the reappointment date will be considered a period of leave without pay.
- 16.14 Layoff under this Article will not be considered nor represented as dismissal.

ARTICLE 17 Reassignment

17.1 Reassignment Procedures

- 17.1.1 The Board acknowledges that while Members are assigned to Academic Units, they are also University employees, and reasonable effort must be made to reassign Members affected by reorganization to other positions they are qualified to fill.
- 17.1.2 A Member adversely affected by reorganization, as described in Article 16, may advise the Provost, in writing, of an interest in being assigned to a position in another area of the University for which the Member is qualified.

27.1.1 Sabbatical leave enables a Member to engage in a sustained period of full-time scholarship, free from the Member's full range of professional responsibilities. After a sabbatical leave, a Member's contribution to the University is expected to be enhanced, for the mutual benefit of the Member and the University.

27.1.2 The University will grant, annually, a limited number of sabbatical leaves to eligible Members, based on a competitive application process and subject to available funds.

27.2 Eligibility

27.2.1 Tenured members with rank who have held the equivalent of a full-time appointment at MacEwan University or another University for at least six (6) years without a sabbatical leave and who have held the equivalent of a full-time appointment at MacEwan University for at least three (3) consecutive years are eligible to apply for sabbatical leave.

27.2.2 A sabbatical leave may be taken for either six (6) months or twelve (12) months, beginning, normally, on July 1. With the permission of the Dean, a sabbatical leave may begin on January 1.

27.2.3 Sabbatical leaves divided into two, noncontiguous six-month segments are not permitted.

27.2.4 Sabbatical leaves must fulfill one or more of the following purposes:

27.2.4.1 Research, scholarship, or artistic creation;

27.2.4.2 A course of study related to teaching or professional practice; or

27.2.4.3 Work in pursuit of a graduate credential.

27.3 University Responsibilities

27.3.1 The University will pay a Member eighty-five per cent (85%) of the Member's base salary during sabbatical leave.

27.3.2 The University will continue to contribute to all benefit plans during sabbatical leave, and pension contributions will be based on the Member's base salary. The Member may select, where a benefit plan permits, to contribute any additional premiums based on the Member's base salary.

27.3.3 The University will provide an eligible Member with all applicable salary adjustments during the Member's sabbatical leave.

27.4 Application Process

27.4.1 An application for sabbatical leave will be submitted to the Dean, through the Chair of the Academic Unit, by September 15, for consideration for the following Academic Year.

27.4.2 The Member's application will include:

27.4.2.1 An overview of the sabbatical leave activity to be undertaken, including, where applicable, a dissemination plan for the outcome(s);

27.4.2.2 A work plan, outlining how the time on sabbatical leave will be used;

27.4.2.3 An explanation of the intended benefit to the Member and the University, as it relates to teaching or professional practice or other work with students; and

27.4.2.4 A description of any teaching or service the Member anticipates while on sabbatical leave.

27.4.3 The Member's application will also include:

27.4.3.1 Verification of the Member's eligibility for sabbatical leave;

27.4.3.2 A copy of any previous work plan and sabbatical leave report, if applicable;

27.4.3.3 An updated curriculum vitae;

27.4.3.4 The Member's two (2) most recent annual reports, as evaluated by the Dean;

27.4.3.5 A description of any paid employment the Member anticipates while on sabbatical leave; and

27.4.3.6 Other information judged by the Member to be relevant to the application.

27.5 Adjudication

27.5.1 For the application of this article to Librarians, references to Faculty or School will mean the Library.

27.5.2 For the application of this article to Counsellors, references to Faculty or School will mean Student Affairs.

27.5.3 Sabbatical Leave Recommendation Committee

27.5.3.1 For each Faculty or School, a Sabbatical Leave Recommendation Committee will be established each year and will consist of:

27.5.3.1.1 The Dean, as non-voting Chair; and

- 27.5.3.1.2 Between three (3) and six (6) Tenured Members of the Faculty or School, configured by the Dean to reflect the size and complexity of the Faculty or School but whose members are elected by ballot of eligible Members.
- 27.5.3.2 Except for Members serving by virtue of position, Members voted to the Sabbatical Leave Recommendation Committee will serve two-year terms and membership will be staggered, in order to maintain continuity.

- 27.5.3.4 Quorum for a Sabbatical Leave Recommendation Committee is the Dean and all voting Members.
- 27.5.3.5 By October 15, a Sabbatical Leave Recommendation Committee will meet and both recommend Members for sabbatical leave and produce a rank-ordered list of recommended applications, based on the following criteria, in order of importance:
 - 27.5.3.5.1 The merits of the application in terms of benefits to the University and the Member;
 - 27.5.3.5.2 The potential impact on the Member's teaching or professional practice or other work with students at MacEwan University;
 - 27.5.3.5.3 Any urgency in undertaking the project, in terms of emerging opportunities or external deadlines;
 - 27.5.3.5.4 The feasibility of completing the proposed work plan, in consideration of the Member's recent performance; and
 - 27.5.3.5.5 Any potential impact on the operations of the Member's Academic Unit.
- 27.5.3.6 Sabbatical leave applications are judged on both their absolute and relative terms, and in some cases applications of merit may not be recommended because of staffing considerations, especially in cases where the Committee receives more than one application from a single Academic Unit.
- 27.5.3.7 By November 1, the Dean will forward to the Provost's Office all applications, as well as the rank-ordered list of recommended applications.
 - 27.5.3.7.1 By November 15, the Dean will write any Member whose application for sabbatical leave was not recommended, explaining the rationale for that decision.
- 27.5.4 University Sabbatical Leave Committee
 - 27.5.4.1 A University Sabbatical Leave Committee will be established each year and will consist of:

 - 27.5.4.2 The voting Members of the Committee will be elected by ballot in each Faculty, School, the Library, and Student Affairs.

- 27.5.4.3 Except for Members serving by virtue of position, Members voted to the University Sabbatical Leave Committee will serve two-year terms and membership will be staggered, in order to maintain continuity.

- 27.5.4.5 Quorum for the University Sabbatical Leave Committee is the Provost and all voting Members.
- 27.5.4.6 By November 30, the Provost will convene the University Sabbatical Leave Committee, whose work will consist of providing the Provost with a single, rank-ordered list of applications from those recommended by the Sabbatical Leave Recommendation Committee in each Faculty or School, based on the following criteria, in order of importance:
 - 27.5.4.6.1 The merits of the application in terms of benefits to the University and the Member;
 - 27.5.4.6.2 The potential impact on the Member's teaching or professional practice or other work with students at MacEwan University;
 - 27.5.4.6.3 Any urgency in undertaking the project, in terms of emerging opportunities or external deadlines;
 - 27.5.4.6.4 The feasibility of completing the proposed work plan, in consideration of the Member's recent performance; and
 - 27.5.4.6.5 Any potential impact on the operations of the Member's Academic Unit.
- 27.5.4.7 Based on available funds, and using the rank-ordered list created by the University Sabbatical Leave Committee, the Provost will grant sabbatical leaves for the next Academic Year. These results will be communicated to Members, and copied to Members' Deans, by January 15. The decision of the Provost will be final.
- 27.5.4.8 A Member whose sabbatical leave has been approved may, in exceptional circumstances, request a deferral for one (1) year. Such a request will be made, in writing, to the Provost, through the Dean, and will include an explanation of the circumstances that give rise to it. The decision of the Provost in such cases will be final.
- 27.5.4.9 There will be no grievance under Article 4 regarding sabbatical leave, except where the relevant processes outlined in Article 27 are not followed.

27.6 Conditions on Sabbatical Leave

- 27.6.1 Chair stipends will be discontinued during sabbatical leave.
- 27.6.2 A Member's vacation will be deemed to have been used during sabbatical leave
- 27.6.3 The responsibilities of a Member on sabbatical leave will be the work described in the approved sabbatical leave application. Any changes must be approved, in writing, by the Member's Dean.

- 27.6.4 Service is not an expectation of any Member on sabbatical leave, but Members may continue service external to the University, in order to maintain ongoing commitments.
- 27.6.5 Sabbatical leave is not intended to allow a Member to seek or to hold a new, full-time position elsewhere. Members on sabbatical leave may receive financial assistance to support work undertaken while on sabbatical leave, in the form of fellowships, grants, or similar awards.
- 27.6.6 A Member on sabbatical leave will remain a Member of the Faculty Association and will be subject to the assessment of membership dues.
- 27.6.7 Within two (2) months of return from sabbatical leave, a Member will submit a sabbatical leave report to the Dean, with a copy to the Provost. This report will outline the Member's achievements on sabbatical leave, relative to the approved application. This sabbatical leave report will be considered as part of any future application for sabbatical leave.

ARTICLE 28 Travel

- 28.1 When a Member provides a vehicle for travel on University business, the Member will be compensated for the use of such vehicle according to at least the rates established in current Grant MacEwan University Policy D4010 (Allowable Expenses).

ARTICLE 29 Academic Freedom

29.1 Preamble

- 29.1.1 Academic Freedom is a principle shared by the Parties to this Agreement. It is the cornerstone of a University's role to serve the common good of society. As such, Academic Freedom inheres in a University community to foster the search for, and dissemination of, knowledge through the leadership in thought and expression of its faculty members. The Parties agree that a University cannot fulfill its purpose as a public institution without an unwavering commitment to both the idea and the practice of Academic Freedom.
- 29.1.2 Academic Freedom is a right of all Members of the Faculty Association. The Board of Governors, the Faculty Association, or the administration of the University will not abridge on any grounds the legitimate exercise of Academic Freedom.
- 29.1.3 The exercise of Academic Freedom as per this Article will not, of itself, be grounds for discipline.

29.2 Principles

- 29.2.1 The responsibility of Members under the terms of this Agreement to advance and communicate knowledge is inseparable from the examination, questioning, and testing of accepted ideas and established opinion.
- 29.2.2 The free and open pursuit of knowledge by faculty members sometimes results in differing judgments with respect to truth. Such differences are valued because the expression of unpopular judgments or interpretations of scholarly enquiry advances the search for knowledge beyond prevailing opinion or popular belief as may exist at a given time.

- 29.2.3 The shared principle of Academic Freedom respects the right of faculty members to search for truth and advance knowledge in a climate that supports independent thought and expression. Academic Freedom is the freedom of faculty members to teach, to design, and to develop curriculum and pedagogy; to engage in professional practice; to engage in scholarly activity, including research and creative work; to publish, perform, or otherwise present the products of that scholarly activity; to engage in institutional governance; and to engage in service to the institution and community without being subject to infringement of the Academic Freedom upon which their work is based.
- 29.2.4 Coupled with the right to Academic Freedom are equally high standards of Academic Responsibility. Academic Responsibility includes adherence to policies approved via University governance processes and acknowledgement of the University's duty to manage its affairs in accordance with its mission and mandate. Academic Responsibility also requires respect for the rights of others, the exercise of Academic Freedom in a reasonable manner, and acknowledgement of the approved academic objectives of the institution.
- 29.2.5 Academic Responsibility as expressed in 29.2.4 does not require agreement with policies nor does it preclude criticism of policies and procedures without fear of censure or interference. The University is, and should be, a place where vigorous debate about governance is encouraged. The Parties agree that such debate when conducted in a respectful and reasonable manner strengthens collegial self-governance and allows the best ideas about governance policy and practice to be implemented.

29.3 Teaching

- 29.3.1 Academic Freedom includes the right to teach approved and assigned courses without fear of censure or interference. To that end, Members have the right to select course materials, content, methodology, and sequence of topics to be taught. Faculty members will exercise this freedom responsibly within the requirements of approved course syllabi.
- 29.3.2 Faculty members have the right and responsibility to participate in decision making with respect to the development of curriculum and pedagogy; new programs; new course offerings; modifications of existing courses; and degree, diploma, or certificate requirements. Their participation in such decision making will be afforded by a system of appointed or elected Department, Faculty/School, and University committees as will exist in accordance with approved policy at a given time.

29.4 Research, Publication, and other Scholarly Activities

- 29.4.1 Members are free to select topics for research and/or creative work and in the publication, performance, or presentation in any form of the products of that research and/or creative work. Members have the responsibility to ensure that all research and creative activity meets high scholarly and ethical standards. Honest and thoughtful inquiry, reasoned discourse, rigorous analysis of evidence, and peer review are core elements of those standards.

29.5 University Governance

29.5.1 Members have the right and responsibility to participate in University governance by providing counsel and advice on matters of planning and policy. Members share a right and responsibility for shaping the direction of their respective Departments and Faculties/Schools, and for serving on University-wide councils and committees. Since participation of Members in these areas is vital to academic governance, the University and all its Members have a shared responsibility to participate in University governance.

29.6 Professional and Community Activities

29.6.1 Members, as citizens and members of learned professions, have a right to personal and professional opinions, no matter how unpopular they may be, and to state these publicly without censorship or fear of harassment or reprisal. In any exercise of freedom of expression, Members will not purport to speak on behalf of the University unless so authorized by the Board, or the University President or designate. An indication of affiliation with the University should not be construed as speaking on behalf of the University. When exercising these rights as citizens within the University, individuals must be cognizant of, and sensitive to, the fact that other members of the University also enjoy these same rights and freedoms.

ARTICLE 30 Non-Harassment

30.1 The University agrees to the maintenance and administration of Policy D1125 (Non-Harassment), as amended from time to time by the University in consultation with the Association.

ARTICLE 31 Intellectual Property

31.1 Copyright

31.1.1 Principles and Definitions

31.1.1.1 The University's role is to create, to disseminate, and to ensure public access to knowledge and information. The core nature of the faculty profession is to carry out this role.

31.1.1.2 "Copyright" and "moral rights" will have the same meaning as in the Copyright Act (Canada), R.S.C. 1985, c. C42, as amended, and as interpreted by the applicable courts, and the University and faculty members remain subject to all other applicable laws. For clarity, this Article does not derogate from any user rights, including fair dealing rights that the University or any Member may have with respect to any work.

31.1.1.3 "Work" is any original form of expression fixed in any tangible medium now known or later developed, and includes a Teaching Work.

31.1.1.4 "University Curriculum and Student Records" means course titles; calendar descriptions; course grades; the required elements of a course outline; and other student records related to instruction and student evaluation, placement, and assessment.

- 31.1.1.5 “Teaching Work” will mean the original course content and teaching methodologies created by a Member for the purpose of providing instruction to students enrolled in academic courses within Ministry-approved programs at the University.
- 31.1.1.6 “Student” means a person who is registered as a student within any category of registration at the University.
- 31.1.1.7 “Agreement” will mean a written contract between a member or members and the University or between two (2) members.
- 31.1.1.8 “Third Party Agreement” will mean a written contract between a Member or Members and an external entity or a Member, Members, the University, and an external entity.
- 31.1.2 Scholarship, Research, and Teaching Works
- 31.1.2.1 Faculty members own the copyright and retain the moral rights in and to all Works they create, including Teaching Works, and Works related to research and scholarship, subject only to the exceptions and limitations listed in this Article, under the sections “Commissioned and Administrative Works,” “Third Party Agreements,” and “Collaborative/Iterative Teaching Works and e-courses.”
- 31.1.2.2 Where a Member has co-authored a Work with one or more other Members, the co-authors will be joint and equal owners of the Work, subject to any agreement among the Members or the University to the contrary. Members are encouraged to include a dispute resolution article in their agreements with other Members.
- 31.1.2.3 As owner or joint owner of the copyright in the Works created by the Member, or jointly with other Members, the Member will be wholly responsible for ensuring such Works do not violate the rights of third parties, and will be solely liable for any claims brought against the Member or against the University in relation to any part of the Work constituting an infringement or other violation of the rights of any third party. Where the University is owner of the copyright of a Work under the provisions of this Article, the University will be liable for any such claims. Where the University and the Member enter into an agreement dealing with the ownership or licensing of Works as contemplated in this Article, liability for such claims will be as determined by such agreement. The Member is responsible in all cases to obtain in advance any necessary clearances from third parties for any Work created by or contributed by the Member.
- 31.1.2.4 The University will not interfere with a Member’s freedom to use or publish the Member’s Works for the purposes of scholarship, research, or teaching, except for limitations imposed by duly constituted University Research Ethics Boards.
- 31.1.2.5 No Member will be obliged to engage in the commercial exploitation of his or her scholarship, nor to provide commercial justification for it.
- 31.1.3 Interim License of Teaching Works for in-progress courses

- 31.1.3.1 Where a Member is unable to complete his or her assigned duties in regard to instruction of an academic course within a Ministry-approved program at the University that includes use of a Teaching Work created by the Member, the Member will grant to the University a royalty-free, irrevocable license to use the applicable created Teaching Work(s) that are required to deliver the course in its original intended delivery mode, and only for the scheduled course at risk. Members are not required to provide the University with any such Teaching Work(s) at the beginning of a course.
- 31.1.4 Commissioned and Administrative Works
- 31.1.4.1 The University owns the copyright in all University Curriculum and Student Records, and all administrative materials created by University employees that do not constitute Teaching Works.
- 31.1.4.2 Where the University wishes to specifically commission a Member to create a Work in which the University will have rights of ownership or license beyond the rights provided otherwise in this Article, and the Member is agreeable to doing so, that commission will be recorded in a written agreement that will, at minimum, define allocation of liability and copyright ownership and/or license terms. The Member will be at liberty to consult with the Faculty Association prior to signing such an agreement. The University will provide the Faculty Association with a copy of any such agreement at least five (5) working days prior to its signing.
- 31.1.5 Third-Party Agreements
- 31.1.5.1 The University and a Member may jointly agree to enter into third-party agreements with third parties which relate to intellectual property rights of the Member, the University, and the third party, or any of them. Copyright ownership and licensing of Works specified in such agreement, and dispute resolution among the parties, will be governed by the terms of that agreement. A Member may not enter into an agreement with a third party which uses the name of, or places obligations on, the University, or has the effect of interfering with a Member's obligations to the University, without the written consent of the University. The University will not enter into any agreement with a third party which alters or abridges, or has the effect of altering or abridging, the intellectual property rights of a Member without the Member's written consent.
- 31.1.6 Collaborative/Iterative Teaching Works and E-Courses
- 31.1.6.1 Where collaborative and iterative development of Works is the normal or agreed-upon practice in an Academic Unit, all members in that unit will be advised of this practice before a Member engages in the creation of any such collaborative or iterative Work. In such a case, the copyright in any collaborative or iterative Work created will be owned by the University.
- 31.1.6.2 For the purposes of Article 31.1.6, an e-course is defined as the parts which form the online content, software, interface, delivery, and technical aspects of a partly or wholly online educational course and includes the online content of blended learning courses. The copyright in all online content of e-courses will be owned by the Member unless alternate terms are agreed to by the Member and the

University in writing. Any such agreement will be formalized using the University's standard form agreement.

- 31.1.6.3 Subject to any agreement reached by the parties in accordance with Article 31.1.6.2, for the contribution to collaborative/iterative works or the creation of online content for e-courses, where a Member uses or adapts material in which the Member already holds copyright, such as previous course materials or other Works, the University will own only copyright of the collaborative/iterative work or online content of the e-course, and will advance no claim to the source material from which the work was adapted. The Member hereby provides to the University a non-exclusive, non-transferrable, perpetual, royalty-free licence to use and reproduce the source material for its own non-commercial internal use and benefit, and for the purposes of providing the associated e-course to students.
- 31.1.6.4 A Member contributing to any such collaborative/iterative Work or contributing online content for an e-course agrees to waive his or her moral rights in such Works in favour of the University and any licensees of the University and agrees to allow the University or the applicable academic unit to amend, adapt, or modify the Work as needed.
- 31.1.6.5 Dispute Resolution Process
- 31.1.6.6 If a dispute arises between a Member and the University regarding the ownership or use of any Work or other intellectual property, the Association and the University will first attempt to resolve the dispute through informal discussion.
- 31.1.6.7 If either party concludes that such discussion fails to resolve the dispute, within five (5) working days of notice being provided by one party to the other party, the matter will be referred to an ad hoc Intellectual Property Committee comprised of three (3) people, one (1) representative appointed by the University President or designate, one (1) representative appointed by the Association, and a Chair. Within ten (10) working days of providing notice to the other party, each party will appoint and inform the other party and the Provost in writing of the names of its representative. The two representatives will, within five (5) days of the communication of the names of the representatives, meet to jointly select a third person as Chair. The Chair will have equal voting rights. If the two representatives are unable to agree on a Chair, resolution of the dispute will be subject to the regular grievance process in Article 4.
- 31.1.6.8 The Intellectual Property Committee members will not have had prior involvement with the matter, nor will they have had a professional or personal relationship with the responding Member involved with the dispute. Intellectual Property Committee members must hold Tenured appointments as Associate Professors or Professors at the University. Quorum is the entire Intellectual Property Committee.
- 31.1.6.9 Each party will, within five (5) days of the selection of the Chair, submit a written summary of the nature and scope of the dispute, all relevant materials, and the

resolution proposed by it to the other party and to the Chair of the Intellectual Property Committee.

31.1.6.10 The Intellectual Property Committee will review material submitted, and may seek independent expertise during the deliberation process. The Intellectual Property Committee will, within thirty (30) working days of receiving the parties' submissions, determine by majority vote what its recommended course of action to resolve the dispute will be, and provide a report to the parties and the Provost of its recommended course of action to resolve the dispute.

31.1.6.11 If the Intellectual Property Committee is unable to resolve the dispute to the satisfaction of both parties either party may, within thirty (30) working days of receiving the Intellectual Property Committee's recommended course of action, proceed to Step 2 of the Grievance process, Article 4.3.3.

31.1.7 Successor and Other Rights

31.1.7.1 When a Member leaves the University, ownership, license rights, and obligations in any works created by the Member while employed by the University will continue and survive as defined here, including in regard to any third-party agreement.

31.2 Patents and Related Intellectual Property

31.2.1 "Patents and Related Intellectual Property" or "PRIP" means inventions, integrated circuits, computer software capable of patent protection, plant cultivars, trademarks, and industrial designs, and excludes data and works to which copyright alone attaches.

31.2.2 For the purposes of this article, "net revenue" means any money received as a result of the development or commercial exploitation of PRIP, less any expenses incurred to register, develop, exploit, or administer the PRIP.

31.2.3 Faculty members own the intellectual property rights in PRIP that they create in the course of their employment even if it was produced with the University's facilities and resources, subject to any written agreement to the contrary.

31.2.4 Where a Member has co-created PRIP with one or more others, the co-creators will be joint and equal owners of the Work, subject to any agreement among the members, third parties, or the University to the contrary.

31.2.5 Reference to "Member" in this article will include multiple creators where applicable.

31.2.6 The discovery of PRIP is not a basic purpose of University research, nor is it a condition of support of such research. A Member will have no obligation to seek patent protection or to modify research to enhance patentability but will nonetheless be welcome to consider, and, where appropriate, undertake commercialization of the results of their research, and in accordance with this Article.

31.2.7 Where a Member chooses to pursue commercialization of PRIP, the University may approve or not approve any use of the University's name, facilities, or resources in any proposed commercial arrangement. The University has the sole discretion to

decide if it will or will not be a party to commercialization agreements involving a Member and/or one or more third parties.

- 31.2.8 Where a Member chooses to pursue commercialization of PRIP, the Member may agree to any delay in publication of the research or scholarly work of the Member for the purposes of commercialization.
- 31.2.9 Although the Member is the owner of PRIP created by the Member, the Member and the University will share in the net revenues resulting from the commercialization of PRIP under any of the following conditions:
- 31.2.9.1 The costs of the activities giving rise to the PRIP were specifically funded by third-party contracts with the University;
- 31.2.9.2 The costs of the activities giving rise to the PRIP were specifically funded by grants from the University's endowments, special-purpose funds, or specific budget allocations;
- 31.2.9.3 The PRIP was created using the specialized research facilities and services of the University, including the University's research laboratories, capital equipment, and technical facilities and services. "Specialized facilities and services" do not include the use of offices and office equipment, limited office services, personal computers, the library, or other services commonly available to members; or
- 31.2.9.4 The University or the University's agent actively participates in protection or commercialization of the PRIP, including the development, financing, manufacture, license, and sale of the PRIP.
- 31.2.10 A Member may choose to commercialize the PRIP on their own, with the University, or with a third party. In the event a Member chooses to pursue commercialization of PRIP, the Member will disclose to the University any PRIP that is within the above revenue-sharing categories prior to taking any steps toward commercialization. The disclosure will be made to the Office of Research Services and copied to the Association. Such disclosure will be kept confidential by all parties.
- 31.2.11 The University will notify the Member in writing of its decision to participate or not in the commercialization of the PRIP within three (3) months of disclosure. Where the University agrees to participate, as a precondition to that participation, the Member and the University must enter into a written agreement acceptable to each party that details the rights and obligations of each party to effect commercialization of the PRIP. Proceeding with commercialization of the PRIP will also be subject to the University and Member entering into a written agreement acceptable to each of them with any third party that may have rights or interest in the PRIP. Where the University decides not to participate, the Member may pursue commercialization on his or her own.
- 31.2.12 If a Member does not disclose a potential PRIP subject to the revenue sharing guidelines above, the University will nonetheless maintain its rights to revenue sharing under this Article.
- 31.2.13 The University's share of revenue from PRIP that is subject to the above revenue sharing guidelines will be determined by the following applicable category:

- 31.2.13.1 Commercialization by the Member: the University will have a share of twenty-five per cent (25%) of net revenues over \$75,000;
- 31.2.13.2 Commercialization by the University: the University and the Member will each have a fifty per cent (50%) share of net revenues; or
- 31.2.13.3 Commercialization by a Third Party: The University and the Member will have a negotiated share subject to the terms of the agreement with the third party, and the relative shares of the University and the Member will be commensurate with the past and expected costs and efforts of each of them in participating in commercialization by the third party.
- 31.2.14 The University's share of any revenue received under the above revenue sharing system will be distributed as follows:
 - 31.2.14.1 1/3 of net revenue will go to a University-level fund to support research and scholarly activity;
 - 31.2.14.2 1/3 of net revenue will go to support research and scholarly activity in the Member's faculty;
 - 31.2.14.3 1/3 of net revenue will go to support general University activity; and
 - 31.2.14.4 The amount and distribution of such funds will be reported to the Association annually.
- 31.2.15 The University will in all cases have a royalty-free, perpetual, non-exclusive right to use and re-use for academic purposes the subject matter of PRIP which is subject to the revenue sharing guidelines in this Article.
- 31.2.16 As owner or joint owner of the PRIP created by the Member, or jointly with other Members, the Member will be wholly responsible for ensuring such PRIP do not violate the rights of third parties, and will be solely liable for any claims brought against the Member or against the University in relation to any part of the PRIP constituting an infringement or other violation of the rights of any third party. Where the University and the Member enter into an agreement dealing with the ownership or licensing of the PRIP as contemplated in this Article, liability for such claims will be as determined by such agreement. The Member is responsible in all cases to obtain in advance any necessary clearances from third parties for any PRIP created by or contributed to by the Member.
- 31.2.17 If a dispute arises between a Member and the University regarding the ownership and use of a PRIP, the parties will follow the procedure set out under Article 31.1.7.

32.7.2 In keeping with Article 32.7.1 above, the Nurse Educator workload will range from 447 IH to 473 IH.

32.7.3 Every attempt will be made to provide a Nurse Educator with a full instructional assignment by May 30 for the upcoming annual-work-cycle.

ARTICLE 33 Sessional and Sessional-Extended Appointments

33.1 General

33.1.1 This article outlines definitions and procedures related to Sessional and Sessional-Extended appointments. All other terms and conditions of the Collective Agreement will apply except as otherwise described in this article.

33.2 Sessional Appointments

33.2.1 Sessional Members are appointed to participate in the delivery of academic programming. A range of additional activities may supplement assigned workload in instruction, but these duties will be assumed only at the Member's discretion.

33.2.2 Sessional Members may choose to participate in discretionary workload activities, for their professional development and for the benefit of the University community. When an appointment decision is made, a Member's record of effective teaching will be the only relevant consideration.

33.2.3 Sessional Members are appointed, on a term-by-term basis, for a fixed term.

33.2.4 Sessional appointments are not precursors to Full-Time Limited-Term, Tenure-Track, or Tenured appointments.

33.2.5 Sessional appointments are made by the Dean on the recommendation of the Chair of an Academic Unit.

33.2.6 Appointments are subject to a record of effective teaching. It is an applicant's responsibility to provide sufficient information to enable the Chair to assess the applicant's performance, though the submission of a teaching dossier is optional. The Chair will base the assessment on the information reasonably available to the Chair for the period under review.

33.2.7 A course is considered available to be taught by a Sessional appointee only when it is not used to make up a Full-Time Limited-Term, Tenure-Track, or Tenured Member's course assignment.

33.2.8 A Sessional Member who has taught in the current academic year will be given first consideration for courses to be sessionally assigned.

33.2.8.1 This consideration will mean an obligation to consider first, and in good faith, the application of any eligible Sessional Member.

33.2.8.2 This consideration does not mean that the University is under the obligation to appoint any Sessional Member.

33.2.9 When a section of a course assigned to a Sessional Member is cancelled or withdrawn from that Member within ten (10) working days of the start of the

course, the Sessional Member will be paid, in lieu of a stipend, ten (10) dollars per IH.

- 33.2.10 Sessional Members will report to their Chair absences due to illness or emergency and will neither be required to pay for a replacement nor to have to find a replacement.

33.3 Sessional-Extended Appointments

- 33.3.1 Sessional-Extended appointments are a subset of Sessional appointments. A Sessional-Extended appointment is a specified minimum workload offer as a Sessional Member, guaranteed for three (3) years, subject to a continued record of effective teaching.

- 33.3.2 Instructional Members holding Sessional-Extended appointments will be offered a minimum workload of 260 IH per Academic Year.

- 33.3.3 University Preparation Members holding Sessional-Extended appointments will be offered a minimum workload of 486 hours per Academic Year.

- 33.3.4 English as an Additional Language Members holding Sessional-Extended appointments will be offered a minimum workload of 607.5 hours per Academic Year.

- 33.4 By June 1, Members with Sessional-Extended appointments may make a request to the Dean, in writing, to teach only in the Fall and Winter Term of the upcoming Academic Year. While these Members may be offered teaching outside Fall Term and Winter Term, no Member with a Sessional-Extended appointment will be obliged to teach in all months of an Academic Year. The University will make every reasonable effort to accommodate the request.

- 33.4.1 Workloads for Members with Sessional-Extended appointments may include a formal, remunerated service component if assigned by the Dean.

- 33.4.2 By January 15, each Dean will confirm with the Provost the number of Sessional-Extended appointments available in a Faculty or School for the next Academic Year. By February 1, each Dean will invite Members whose Sessional-Extended appointments are expiring, as well as other Sessional Members who have taught during the current Academic Year, to make application for a Sessional-Extended appointment.

- 33.4.3 By May 15, a Member's application for a Sessional-Extended appointment will be considered by a Sessional Review Committee. The Committee will consist of:

- 33.4.3.1 The Dean, as non-voting Chair of the Committee;

- 33.4.3.2 The Chair of the Academic Unit from which a Member has made application; and

- 33.4.3.3 Two (2) other Tenured Members of the Academic Unit, chosen by the Dean.

- 33.4.4 Quorum for a Sessional Review Committee is the Dean and all voting Members.

- 33.4.5 Normally, one Sessional Review Committee will consider all applications for each Academic Unit in an Academic Year. A Dean may appoint more than one Committee to consider applications in an Academic Unit when many applications are received.

- 33.4.6 In its deliberations, the Committee will consider the following motion: "That the Member's performance in teaching, as demonstrated by the evidence submitted,

merits a Sessional-Extended appointment.”

- 33.4.7 Passage of the motion constitutes a recommendation to the Dean that a Sessional-Extended appointment be granted. Failure of the motion to carry constitutes a recommendation to the Dean that a Sessional-Extended appointment not be granted.
- 33.4.8 The written decision of the Dean, including reasons for any denial, will be forwarded to the Member, to the Chair of the Academic Unit, and to the Faculty Association by July 1.
- 33.4.9 If a Member is denied a Sessional-Extended position, that Member may be appointed as a Sessional Member.

33.5 Pay

- 33.5.1 Members with Sessional appointments will receive vacation pay at the rate of eight per cent (8%) and is included in the rates expressed in the salary tables.
- 33.5.2 Sessional appointments will be paid on the Sessional Salary Table.
- 33.5.3 Sessional Lab Instructor appointments will be paid on the Sessional Lab Instructor Salary Table.
- 33.5.4 Where relevant, Members who have earned an additional credential will move across their salary table for the Fall Term or Winter Term that immediately follows their Convocation. It is the responsibility of the Member to notify the Dean of this change.

When the benefits are based on full-time appointment, the Member will pay the difference in cost to the University for benefits coverage.
- 34.2.5 A Tenured Member with a temporary reduced appointment will begin reduced workload on September 1 with a proportionate reduction in workload, instruction or assignments, vacation entitlement, and annual salary.

Financial Settlement, July 1, 2017 to June 30, 2019

Whereas the University and the Faculty Association have agreed to implement a new salary compensation structure effective July 1, 2017;

The parties agree and understand that for the period July 1, 2017 to June 30, 2019, the following will occur:

1. Salaries will be permanently adjusted to the new salary tables, effective July 1, 2017, except for Sessional Instructor salaries, and, going forward, Member salaries will be in accordance with these tables. ("Sessional Instructor" is distinct from "Sessional Lab Instructor," "Sessional EAL Instructor," and "Sessional UP Instructor.")
2. Members will receive no grid-step progression at any time during the period of July 1, 2017 to June 30, 2019.
3. Members with start dates on July 1, 2017, or after, will be placed on the new salary tables.

#4, #5, and #6 apply to Sessional Instructors only:

4. For the period July 1, 2017 to June 30, 2018, Sessional Instructor salaries will be in accordance with the Hourly Salary Schedule (effective from July 1, 2016) for Instructional Academic Staff: Hourly Paid Faculty (Sessional/Sessional-Extended).
5. On July 1, 2018, Sessional Instructors will have their salaries established on the new salary tables.
6. On September 15, 2018, Members who are Sessional Instructors, and who were in Column A (Non-Degree) Increment 3.0 and Column B (Bachelor's) Increment 3.0 during the 2017-18 Academic Year, will be eligible for a one-time lump-sum ("transition") payment. Eligibility will be determined jointly by the JCMA. This amount will be approximately \$2,000, and will be paid, equally, to eligible members from a fund totaling \$90,000.

7. Where a Member's salary on June 30, 2017 exceeds the salary range available to that Member on the new salary tables, the Member's salary will be maintained at the June 30, 2017 amount. This Member will receive a one-time lump-sum ("transition") payment of two thousand dollars (\$2,000).
8. Members eligible for placement on the new tables will be placed, where the tables allow, at the appropriate step representing the next highest salary amount, relative to their salary on June 30, 2017, that results in an increase of at least two thousand dollars (\$2,000).

9. Members for whom the next highest salary amount is the top of the scale, and so their placement results in an increase of less than two thousand dollars (\$2,000), will receive a one-time lump-sum (“transition”) payment of two thousand dollars (\$2,000).
10. Members whose original appointments began before July 1, 2017, but who are ineligible for placement on the new salary scale on that date will, upon their return to eligibility, be granted the consideration outlined in #7, #8, or #9.
