Employees will not suffer any harassment, abuse or bullying nor will they be discriminated against by the Company and/or the Union, or any of the officers or agents acting on their behalf, with respect to terms and conditions of employment on the grounds of sex, race, colour, nationality, ancestry, place of origin, language ability, family relationship, place of residence, political affiliation, sexual orientation, gender, gender identity, gender expression, marital status, disability, conviction for which a pardon (or equivalent) has been granted, or failure to act on a directive which is illegal or contrary to any provision of this Agreement. The Company will also comply with its responsibilities under the *Canadian Human Rights Act (CHRA)*.

Workplace Harassment

The Company and the Union are committed to providing a harassment, bullying and abuse-free workplace. Harassment, bullying and abuse are defined as a course of vexatious comment or conduct that is known or ought to reasonably be known to be unwelcome, that denies individual dignity and respect on the basis or grounds such as gender, disability, race, colour, sexual orientation, conviction for which a pardon (or equivalent) has been granted or other prohibited grounds as stated in the *Canadian Human Rights Code*. All employee, Owner Operators, supervisors and managers are expected to treat others with courtesy and consideration and to discourage harassment, bullying and abuse.

Harassment or bullying may take many forms, verbal, physical, or visual. It may involve a threat or an implied threat or be perceived as a condition of employment. The following examples could be considered as harassment but are not meant to cover all potential incidents:

- Unwelcome remarks, jokes, innuendos, gestures or taunting about person's body, disability, attire or gender, racial or ethnic backgrounds, colour, place of birth, sexual orientation, citizenship or ancestry;
- Practical jokes, pushing, shoving, etc. which cause awkwardness or embarrassment;
- Posting or circulation of offensive photos, visual materials;
- Refusal to work or converse with an employee because of their racial background, gender, etc.
- Unwanted physical conduct such as touching, patting, pinching, etc.
- Backlash or retaliation for the lodging of a complaint or participation in an investigation;

Harassment is not:

Harassment is in no way to be construed as properly discharged Supervisory responsibilities, including the delegation of work assignments, the assessment of discipline or any conduct that does not undermine the dignity of the individual. Neither is this policy meant to inhibit free speech or interfere with normal social relations.

5.02 Filing a Complaint

- (a) If an employee believes he/she has been harassed and/or discriminated against on the basis of any prohibited ground of discrimination, there are specific actions that may be taken to put a stop to it:
 - Request a stop of the unwanted behavior;
 - Inform the individual that is doing the harassing or the discriminating against you that the behavior is unwanted and unwelcome;
 - Document the events, complete with times, dates, location, witnesses, and details;
 - Report the incident to Supervisor / Union Representative.
- (b) However, it is also understood that some victims of discrimination or harassment are reluctant to confront their harasser, or they may fear reprisals, lack of support from their work group, or disbelief by their Supervisor or others. In this event, the victim may seek assistance by reporting the incident directly to any Union Representative / Company

Representative.

- (c) Investigation - Upon receipt of the complaint, the designated Company Representative / designated Union Representative contacted will immediately inform their Union or Company counterpart and together they will then interview the employee and advise the employee if the complaint can be resolved immediately or if the complaint should be formalized in writing. Properly completed copies of this complaint will be forwarded to the Regional Area Manager or designate and the Local Union President and/or Unit Chairperson or designates. A formal investigation of the complaint will then begin by either the Local Union President and Regional Area Director or their designates interviewing the alleged harasser, witnesses and other persons named in the complaint. Any related documents may also be reviewed.
- (d) Resolution - The Local Union President and the Regional Area Manager or their designates will jointly (when possible) complete a report on the findings of the investigation. The Local Union President and Regional Area Manager or their designates will jointly (when possible) make a determination on an appropriate resolution, and ensure the resolution is fair and consistent with the intent of the Company and National UNIFOR policy regarding discrimination and harassment in the workplace. All communication with the parties shall be collaborative in nature and shall not exclude either side from the process.

At the conclusion of this step, if unresolved, the complaint will be inserted into Step 3 of the grievance procedure for resolution. In the event that the complaint is not resolved by the parties at Step 3 of the grievance procedure, it may be appealed to arbitration. The parties agree that this procedure is an alternative complaint procedure and as such, complaints should not be pursued through both the grievance procedure and the Human Rights Complaint procedure.

The pursuit of frivolous allegations through the Human Rights Complaint Procedure has a detrimental effect on the spirit and intent for which this policy was rightfully developed and should be discouraged.

All documentation is to be secured in a location agreeable to all parties.

All employees have the right to file a complaint with the Human Rights Commission and to seek redress under the *Canadian Human Rights Code*.

The Company and the Union agree that changes may be made to this policy by mutual agreement.

- (i) Any route, where the revenue has been increased by twenty-five (25%) or more, must be included in the Bid Pool. The Company will provide the relevant data to substantiate to the Owner Operator the increase of the revenue.
- (ii) If the reroute results in a decrease in the overall numbers of routes, the routes currently occupied by the Junior Owner Operators (of equivalent numbers) must be included in the Bid Pool.
- (iii) Only routes that have been impacted by the reroute may be volunteered into the Bid Pool by the Owner Operator.
- (iv) Once the mandatory elements of the Bid Pool have been determined (a&b) then the Bid Pool detail will be posted. Those Owner Operators who are in the route pool (c) will then have two (2) working days to review the posting and subsequently volunteer their route to the Bid Pool in writing.
- (v) "Specials" (revenue) will be included in the above scenarios to determine inclusion in the Bid Pool, but will not be included in the reroute compensation formula.

(i) Bidding and Posting

- (i) Upon final determination of the Bid Pool a posting will be generated outlining all routes and Owner Operators included in the Bid Pool. The seniority of the Owner Operators and specific route information will be detailed in the posting.
- (ii) The duration of the posting will be five (5) working days.
- (iii) All Owner Operators included in the Bid Pool will be required to submit a bid, in writing that clearly identifies their order of preference on every route in the Bid Pool.
- (iv) Upon completion of the bid process any remaining routes will be posted and filled in accordance with the Collective Agreement.
- (v) In the event of a facility reroute in Ontario, all affected Owner Operators will bid on new routes in order of seniority.
- (vi) Any owner operator whose route is abolished or who is bumped will bump a junior owner operator in, first the depot, then the branch, and then the province unless otherwise specified in this agreement. As an option to bumping as provided above, the Owner Operator may elect to hold seniority and bid on any vacancies that become available in the next nine (9) calendar months.
- (vii) The Union and the Company agree to ensure that all bidding and bumping is completed within five (5) calendar days of the new routes being posted.
- (viii) Further, new customers in an Owner Operator route area will be offered first to the Owner Operator within that area provided that the Owner Operator can fulfill the service standards required by the Company.

- (ix) If the reroute is required as a result of an Owner Operator taking on the new customer the below compensation formula will not apply.

If the reroute results in a loss of revenue for an Owner Operator the Owner Operator will be given a one time compensation based on the revenue lost as follows:

Pre re-route income per day minus post re-route income per day multiplied by thirty (30).

Pre re-route income will be calculated from the T4-A for the previous year's income divided by the number of workdays in the year. If the driver has been on the route for less than a full year, total income earned on route divided by the number of workdays on the route.

Post-re-route will be calculated on the first thirty (30) days of revenue after re-route divided by thirty (30).

(j) Saturday Reroute Compensation

- (i) A re-route that only applies to a change to the Saturday portion of a route the following formula will apply:
- (ii) Pre re-route Saturday income per day minus post re-route Saturday income per day multiplied by five (5).
- (iii) Pre re-route income will be calculated by taking an average of the last five (5) Saturdays worked.
- (iv) Post re-route income will be calculated by taking an average of the first five (5) Saturdays worked.

(k) Saturday Abolishment Compensation

- (i) A re-route that only applies to an abolishment or elimination of the Saturday portion of a route the following formula will apply:
- (ii) Pre re-route income multiplied by five (5).
- (iii) Pre re-route income will be calculated by taking an average of the last five (5) Saturdays worked.

Note: The above principles are subject to local discussions. In addition, there will be discussion regarding definitions required to be worked out on terms such as incumbency, facility reroute, etc.

SURVEILLANCE AND SEARCHES

It is agreed that the Company will not use video surveillance to monitor performance. Access to video surveillance material will be restricted to a small number of Company officials.

4. The LOOMIS policy contemplates "requesting the employee to lift his or her upper garments to expose the waist band area" and that "employees who refuse a clothing search will be subject to disciplinary action up to and including termination." The Union raised concerns that such intimate searches are not permitted by anyone other than law enforcement officials under the correct circumstances as set out in law.

After its legal counsel and senior Management have reviewed the policy and the above issues, the Company will meet with the Union to discuss the findings and any proposed changes to the policy and practice prior to implementation. Disagreements will be handled through good faith discussion prior to either party advancing a grievance on the policy.

The average price will be based solely on Edmonton and Calgary reported prices.

PAY RATES – FORT MCMURRAY, ALBERTA BRANCH

In recognition of the labour market constraints and fluctuating living expenses in the Fort McMurray, Alberta area, the Company has determined it is appropriate to increase the starting rate at this location only.

Effective October 1st, 2011, the Company will begin all new permanent and casual hourly positions at the applicable rate for their position at 19 months of service level. Current employees of the Fort McMurray branch who are below this rate will automatically be adjusted to the new start rate effective this date. Increases shall be applied according to the annual increases outlined in the collective bargaining agreement for these employees.

The Company, at its own discretion, may remove this adjusted start rate at any time by providing two (2) weeks' notice in writing to the Unit Chair. When it has been determined that the higher start rate is no longer required, it shall revert back to the rates established by the collective agreement at that time. No employee hired at the higher start rate established by this letter of understanding shall be reduced to a lower rate as a result of the Company's decision to return to the regular start rate.
