ARTICLE 1 - PREAMBLE

1.1 Purpose of Agreement

- (a) The purpose of this agreement is to establish and maintain orderly collective bargaining procedures between the Employer and the Union.
- (b) The parties to this agreement share a desire to improve the quality of the Health Benefits Operations service and accordingly, they are determined to establish, within the framework provided by the law, an effective working relationship at all levels of the Employer in which members of the bargaining unit are employed.

1.2 Future Legislation

In the event that any future legislation renders null and void or materially alters any provision of this agreement, the remaining provisions shall remain in effect for the term of the agreement, and the parties hereto shall negotiate a mutually agreeable provision to be substituted for the provision so rendered null and void or materially altered.

1.3 Conflict With Policies and Procedures

In the event that there is a conflict between the contents of this agreement and any policies and procedures made by the Employer, or on behalf of the Employer, this agreement shall take precedence over the said policy.

1.4 Singular and Plural

Wherever the singular is used in this agreement the same shall be construed as meaning the plural if the context requires unless otherwise specifically stated.

1.5 Human Rights Code

The parties hereto subscribe to the principles of the *Human Rights Code* of British Columbia.

In accordance with Clause 7.5, the parties will continue to review methods of extending knowledge of the *Human Rights Code* within MAXIMUS and for extending knowledge relating to the *Human Rights Code* to all employees.

MAXIMUS, in cooperation with the Union, will promote a work environment that is free from discrimination where all employees are treated with respect and dignity.

Discrimination relates to any of the prohibited grounds contained in the BC *Human Rights Code*. Prohibited conduct may be verbal, non-verbal, physical, deliberate or unintended, unsolicited or unwelcome, as determined by a reasonable person. It may be one incident or a series of incidents depending on the context.

Employees have the right to employment without discrimination because of race, colour, ancestry, place of origin, religion, family status, marital status, physical disability, mental disability, sex, age, sexual orientation, political beliefs, and criminal or summary offence unrelated to their employment.

Discrimination does not include actions occasioned through exercising in good faith the Employer's managerial/supervisory rights and responsibilities.

Protection against discrimination extends to incidents occurring at or away from the workplace during or outside working hours provided the acts are committed within the course of the employment relationship.

This clause does not preclude an employee from filing a complaint under Section 13 of the BC *Human Rights Code*, however, an employee shall not be entitled to duplication of process. An employee making a complaint of discrimination must choose to direct a complaint to either the Human Rights Tribunal or to the process specified in Clause 1.7. In either event a complaint of discrimination, if included as an element of a grievance, shall not be pursued through the process identified in Clause 1.7.

An employee who files a written complaint which would be seen by a reasonable person to be frivolous, vindictive or vexatious may be subject to disciplinary action. Disciplinary action taken may be grieved pursuant to Article 8—Grievances.

1.6 Sexual Harassment

MAXIMUS, in cooperation with the Union, will promote a work environment that is free from sexual harassment where all employees are treated with respect and dignity.

Sexual harassment is one form of discrimination and is defined as any unwelcome comment or conduct of a sexual nature that may detrimentally affect the work environment or lead to adverse job-related consequences for the victim of the harassment. Prohibited conduct may be verbal, non-verbal, physical, deliberate or unintended, unsolicited or unwelcome, as determined by a reasonable person. It may be one incident or a series of incidents depending on the context.

Sexual harassment does not include actions occasioned through exercising in good faith the Employer's managerial/supervisory rights and responsibilities.

Protection against harassment extends to incidents occurring at or away from the workplace during or outside working hours provided the acts are committed within the course of the employment relationship.

This clause does not preclude an employee from filing a complaint under Section 13 of the BC *Human Rights Code*, however, an employee shall not be entitled to duplication of process. An employee making a complaint of sexual harassment must choose to direct a complaint to either the BC Human Rights

Tribunal or to the process specified in Clause 1.7. In either event a complaint of sexual harassment, if included as an element of a grievance shall not be pursued through the process identified in Clause 1.7.

An employee who files a written complaint which would be seen by a reasonable person to be frivolous, vindictive or vexatious may be subject to disciplinary action. Disciplinary action taken may be grieved pursuant to Article 8—Grievances.

Examples of sexual harassment include but are not limited to:

- a person in authority asking an employee for sexual favours in return for being hired or receiving promotions or other employment benefits;
- sexual advances with actual or implied work related consequences;
- unwelcome remarks, questions, jokes or innuendo of a sexual nature; including sexist comments or sexual invitations;
- verbal abuse, intimidation, or threats of a sexual nature;
- leering, staring or making sexual gestures;
- display of pornographic or other sexual materials;
- offensive pictures, graffiti, cartoons or sayings;
- unwanted physical contact such as touching, patting, pinching, hugging;
- physical assault of a sexual nature.

This definition of sexual harassment is not meant to inhibit interactions or relationships based on mutual consent or normal social contact between employees.

1.7 Discrimination, and Sexual Harassment Complaint Procedures

(a) All persons involved in the handling of a discrimination, or sexual harassment complaint under Clause 1.7 or 1.8 shall hold in the strictest confidence all information of which they become aware; however, it is recognized that various officials of the constituent group(s) and the Employer will be made aware of all or part of the proceedings on a "need to know" basis.

(b) Before proceeding to the formal complaint mechanism an employee who believes he or she has a complaint of harassment or discrimination may approach their supervisory personnel, union steward, or other contact person to discuss potential means of resolving a complaint and to request assistance in resolving the matter. If the matter is resolved to the complainant's satisfaction the matter is deemed to be resolved.

(c) If the matter is not resolved to the employee's satisfaction, then the employee will approach the first excluded level of management not involved in the matter, for assistance in resolving the issue within six months of the alleged occurrence. - (b) In the case of a dispute arising from other suspensions, the grievance may commence at Step 2 of the grievance procedure within 30 days of the date on which the suspension occurred, or within 30 days of the employee receiving such notice.

8.12 Technical Objections to Grievances

It is the intent of both parties to this agreement that no grievance shall be defeated merely because of a technical error other than time limitations in processing the grievance through the grievance procedure. To this end an arbitration board shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

8.13 Effective Date of Settlements

Settlements reached at any step of the grievance procedure in this article, other than Clause 8.11, shall be applied retroactively to the date of the occurrence of the action or situation which gave rise to the grievance, but not prior to the effective date of the agreement in effect at the time of the occurrence or the date set by a board of arbitration.

supervisor intends to interview an employee for disciplinary purposes, the supervisor shall make every effort to notify the employee in advance of the purpose of the interview in order that the employee may contact their steward, providing that this does not result in an undue delay of the appropriate action being taken. This clause shall not apply to those discussions that are of an operational nature and do not involve disciplinary action.

(b) A steward shall have the right to consult with a staff representative of the Union and to have a local union representative present at any discussion with supervisory personnel which the steward believes might be the basis of disciplinary action against the steward, providing that this does not result in an undue delay of the appropriate action being taken.

10.9 Rejection During Probation

(a) The Employer may reject any probationary employee for just cause. A rejection during probation shall not be considered a dismissal for the purpose of Clause 10.4. The test of just cause for rejection shall be a test of suitability of the probationary employee for continued employment in the position to which they have been appointed, provided that the factors involved in suitability could reasonably be expected to affect work performance.

(b) Where an employee feels they have been aggrieved by the decision of the Employer to reject the employee during the probationary period, they may in accordance with Article 8 - Grievances, grieve the decision within 30 days of receiving the notice of rejection. Such grievance may be filed directly at arbitration in accordance with Clause 8.9(a).

10.10 Abandonment of Position

An employee who fails to report for duty for 10 consecutive workdays without informing the Employer of the reason for their absence will be presumed to have abandoned their position. An employee shall be afforded the opportunity to rebut such presumption and demonstrate that there were reasonable grounds for not having informed the Employer.

11.5 Bridging of Service

If a regular employee terminates as a result of a decision to care for a dependent parent, spouse or child, and is re-employed, upon application they shall be credited with length of service accumulated at time of termination for the purposes of benefits based on service seniority. The following conditions shall apply:

The parties acknowledge that as a general principle regular part-time employees should have access to continuous full-time employment prior to auxiliary employees.

(a) Where it is known for at least a week in advance that such temporary full-time work is available, the Employer will pre-schedule regular part-time employees on the basis of service seniority, prior to auxiliary employees, provided:

- (1) there shall be no increased cost to the Employer, including but not limited to premiums or penalties attributed to going on or coming off the temporary full-time work schedule;
- (2) work assigned/offered must be within the same classification and work unit in which the regular part-time employee usually works as a regular part-time employee;

This calculation based upon full-time work will continue for the duration of the scheduled full-time employment and thereafter revert to a benefit based upon the employee's part-time appointment.

ARTICLE 13 - LAYOFF AND RECALL

PREAMBLE

The Employer agrees not to exercise its right to cause a layoff that results in the cessation of employment for a regular employee except as provided in this article.

PRE-LAYOFF CANVAS

Prior to the layoff of regular employee(s) under Clause 13.3 or 13.4, the Employer may canvas any employee or group of employees to invite;

- (a) Voluntary placement into a vacant position;
- (b) Resignation with severance, as provided for in Clause 13.3/13.4; or
- (c) Where eligible, early retirement.

13.1 Workforce Adjustment

(a) The parties recognize that workforce adjustment will be necessary due to the elimination of positions resulting from a reduction in the amount of work required to be done by the Employer, reorganization, program termination or closure which impacts a number of employees.

(b) The timeframe for Clause 13.1 placement activities is 90 days, or a lesser time frame for smaller adjustments, from the date the employee receives written notice of redundancy as mutually agreed to by the Joint Committee. Such notice will only be issued after consultation with or advice to the Joint Committee.

(c) The Employer will consult with the Union through the Joint Union/Management Committee established pursuant to Article 30 respecting workforce adjustment which results in redundancy as required pursuant to (a) above. Workforce adjustment activities will be guided by the following principles and procedures:

- (1) Both parties recognize the need for the cooperation of all participants to facilitate the placement of regular employees.
- (2) The Employer must first minimize the impact on their regular employees through the appropriate:
 - (i) layoff of limited term employees;
 - (ii) cancellation of contracts for employment agency personnel;
 - (iii) cancellation of personal service contracts where a surplus regular employee qualified to do the work can be placed;
 - (iv) where necessary, layoff of auxiliary employees;
 - (v) lateral transfers and, where necessary, regular employees displacing auxiliary employees performing ongoing work.
- (3) The placement process applies to junior regular employees or, where appropriate, other regular employees in the same classification and seniority block for placement into vacant positions for which they are qualified.
- (4) Surplus employees will be placed through lateral transfers where such vacancies are available.
- (5) Surplus employees not able to be placed through lateral transfers will be offered available comparable vacancies.
- (6) Where an employee accepts an offer, once confirmed in writing such acceptance is final and binding upon the employee, subject to the agreement of the Employer.

13.2 Less Than Three Years' Service Seniority

In the event of a layoff, the following shall apply to regular employees with less than three years' service:

(a) *Layoff*

- (1) Layoff of regular employees with less than three years' service seniority shall be in reverse order of seniority within a classification and within the seniority block as specified in this agreement.
- (2)
 - (i) A regular employee designated for layoff may opt to use Clause 13.4(c)(2)(i) and (ii) providing the employee exercising such an option has the qualifications to meet the requirements of the job.
 - (ii) If there are no vacancies available an employee promoted from another position within the same seniority block may opt to displace the employee currently filling the position originally held by the employee designated for layoff, providing the employee exercising such a displacement option has greater seniority and is qualified and able to perform the job after a period of familiarization.

(iii) If an employee is not placed through the option of (a)(2)(ii) above, then they may opt to displace the junior employee currently filling a position within that classification originally held, providing the employee exercising this displacement option has greater seniority and is qualified and able to perform the job after a period of familiarization. This option shall be exercised only within the same seniority block.

(iv) The employee displaced pursuant to (ii) or (iii) shall have the options contained in (i).

(3) Upon layoff, a regular employee will have the option of displacing the most senior auxiliary employee, within the same seniority block and going onto auxiliary recall lists.

(4) A regular employee who chooses to go onto the auxiliary recall list pursuant to this section, shall retain their regular status unless they fail to maintain 1200 hours worked at the straight-time rate within the previous 26 pay periods except as provided under Article 21-Maternity, Parental and Pre-Adoption Leave; but a regular employee recalled to auxiliary work will be considered to have auxiliary status for purposes of Clauses 15.6 and 15.7 vacation scheduling and notice of layoff as specified in (b) below.

Where an employee loses regular status by failing to maintain 1200 hours in 26 pay periods as referenced above, their previous regular service seniority shall be credited as auxiliary seniority for the purposes of layoff and recall only. Calculation shall be based on 1827 hours of auxiliary seniority per year of regular service seniority (prorated for partial years).

(5) Notwithstanding (1), (2) and (3) above, regular employees to be retained shall be qualified and able to perform the work which is available after a period of familiarization.

(b) The Employer shall notify regular employees, in writing, who are to be laid off, 20 workdays prior to the effective date of layoff. Copies of such notifications will be forwarded to the Union. If the employee has not had the opportunity to work 20 full days after notice of layoff, they shall be paid in lieu of work for that part of the 20 days during which work was not made available.

(c) An employee shall not accumulate seniority while on layoff.

(d) Notwithstanding (a)(4) above, a regular employee with service seniority of less than three years and who is laid off, will be placed on a recall list for a period of one year, for the purposes of recall to a regular position within the seniority block from which the employee has been laid off.

(e) Recall of regular employees shall be in order of service seniority providing the employee is qualified and able to perform the work which is available after a period of familiarization. Recall to available work of four months or longer duration shall be considered to be "*regular*" recall under this section rather than "*auxiliary*" recall under Clause 32.5 or (3) above. An employee who declines an offer pursuant to this paragraph shall be deemed to have resigned but may, if eligible, claim early retirement.

(f) *Severance Pay*

(1) An employee may opt for severance pay on the date the layoff was scheduled to occur, in which case they shall be deemed to have resigned.

(2) A regular employee who has elected severance pay pursuant to this article shall be entitled to severance pay in an amount equal to three weeks' pay for every year (1827 hours at straight-time rate) of regular service seniority or major part thereof.

13.3 Layoff - Three or More Years of Service Seniority

In the event of a layoff of employees with three or more years' seniority, the following shall apply:

(a) The Employer shall notify employees affected by Clause 13.4, in writing, at least six weeks prior to the effective date. Copies of such notifications will be forwarded to the Union. If the employee has not had the opportunity to work their regularly scheduled shifts during the six-week period after notice of layoff, they shall be paid in lieu of work for that part of the regularly scheduled shifts during which work was not made available.

(b) An affected employee subject to layoff shall have the right to fill vacancies and to displace employees in the following manner and sequence:

(1) The employee to be laid off shall be the employee with the least service seniority in the same classification.

(2) The employee shall be placed on the basis of service seniority in accordance with (i) through (iv) below.

	Vacancy/ Displacement	Classification	Geographic Location
(i)	Vacancy	same	same
(ii)	Vacancy	comparable	same
(iii)	Displace	same	same
(iv)	Displace	comparable	same

(3) In order to facilitate the administration of Clause 13.4(c)(2) above, an employee is required to immediately indicate if it is their intention to utilize the displacement/bumping option. The displacement/ bumping option shall be voluntary and if the option is declined by the employee it shall not count as a job offer pursuant to this section. Should an employee wish to displace/bump, the Employer will identify the least senior employee within the classification.

(4) For purposes of this clause, an employee may only displace a junior employee with less than three years' seniority.

(5) "Comparable" includes a job with a salary range not more than four grid levels below the employee's original classification.

(6) Notwithstanding (2) above, an employee may choose to take the options available to employees with less than three years' seniority as outlined in Clause 13.3, rather than the options available to an employee with three or more years' service seniority.

(7) In the event that an employee is not placed pursuant to any of the above options they shall claim Section 6 above or early retirement or severance pay.

(c) *Job offers pursuant to (b) above:*

(1) If an employee refuses one job offer in the same classification they will be deemed to have resigned but may, if eligible, claim early retirement.

(2) If an employee refuses one job offer in a different classification and with a salary or maximum step pay range the same as their existing position, they shall claim early retirement or severance pay as outlined in Clause 13.4(h).

(3) If an employee refuses a maximum of two job offers with a salary or maximum step pay range comparable to their existing position they shall claim early retirement or severance pay as outlined in Clause 13.4(h).

(4) An employee who fails to elect between early retirement or severance pay in (2) and (3) above shall be paid severance pay as outlined in Clause 13.4(h).

(d) In all cases, the regular employee must possess the qualifications as determined by the Joint Committee, to perform the work available.

(e) *Retraining and Adjustment Period*

(1) Employees who assume a new position pursuant to this article will receive job orientation, including, where deemed appropriate by the Joint Committee, current in-service training, and shall be allowed a reasonable time to familiarize themselves with their new duties.

(2) In those circumstances where an employee is being placed in a regular vacancy, the Joint Committee shall also consider other training where it is complementary to current in-service training.

(3) Employees involved in training under this section shall receive their basic pay for the period of training, the cost of tuition and the cost of course-related materials.

(f) *Early Retirement*

A regular employee who is age 55 years or older and is entitled to receive a pension under the Public Service Pension Plan Rules, as of the effective date of layoff, and who has opted for and is entitled to severance pay pursuant to this article shall, upon application, be entitled to purchase all or part of any eligible service for which no contributions were made, as permitted by the Public Service Pension Plan Rules.

(g) *Pay Out of Sick Leave*

When an employee age 55 or older opts for severance pay or early retirement, they will also qualify in accordance with the agreement, for an amount equal to 50% of accumulated sick leave credits on the date of severance or retirement.

(h) *Severance Pay*

Prior to the expiry of the Notice of Layoff, or within 30 days of refusing job offers in accordance with Clause 13.4(c), a regular employee with greater seniority than three years will be entitled to resign with severance pay based upon three weeks current salary for each year (1827 hours at straight-time rate) of regular service seniority or major part thereof.

The employee will not receive an amount greater than 12 months current salary.

(1) Subject to Clause 13.4(c), employees shall remain at work and on pay until the steps under Clause 13.4(b)(2) are completed provided the employee:

(2) has co-operated in the placement process; and

(3) has opted for displacement; and

(4) has not opted to use Clause 13.4(b)(6).

13.4 Layoff and Recall Committee

The structure of the layoff and recall/employment security provisions of the agreement are such that those regular employees with three or more years of service seniority have stronger security than regular employees with less than three years seniority. Likewise, all regular employees have stronger security than auxiliary employees.

Consistent with the above, the parties acknowledge that the Joint Committee may need to exercise its discretion as provided in (c) below, in order to maintain the employment of regular employees over auxiliary employees, including regulars with less than three years seniority.

- (a) A Joint Layoff and Recall Committee shall be constituted to provide for continuing consultation and cooperation between the parties with respect to the relocation, training and placement of employees who have three or more years of seniority and who are subject to layoff.
- (b)
 - (1) The Committee shall consist of four representatives, two appointed by the Union and two appointed by the Employer.
 - (2) The Committee shall meet as required during working hours and leave without loss of pay shall be granted to committee members. Minutes shall be taken of all meetings and copies of such minutes shall be provided to the Employer and the Union.
- (c) The Union and the employer representatives on the Committee shall have the authority to waive by mutual agreement any portion of Article 13 where it is considered by them to be fair and equitable, provided such waiver is also with agreement of the employee who is seeking placement via the Joint Committee.
- (d) The Employer will make available to the Committee a monthly list of vacant positions and a list of the employees issued notices, laid off, retired, received severance pay, or placed pursuant to Article 13, by classification.
- (e) The Joint Committee shall establish a schedule of comparable classifications.
- (f) The Employer agrees to supply the Joint Committee with as much notice as possible of expected employees to be designated for layoff.

For the purposes of this clause, and where the Committee considers it appropriate, the following definition of "*comparable*" may be used to effect a placement:

"*comparable*" includes a job with a salary range not more than four grid levels below or one grid level above the employee's original classification.

Where this definition is used, an employee shall not utilize the displacement/bumping options to obtain a promotion.

ARTICLE 14 - HOURS OF WORK

14.1 Hours of Work

- (a) *Preamble*

The parties recognize the Employer's right to establish hours of operation to provide adequate service to the public and to fulfill the functions of the work unit.

(b) *Terminology*

For the purpose of this agreement the following definitions apply:

"Fixed location employees" means those employees who spend all or the greater part of their time at a central work location where they generally perform their duties on a regular daily shift basis.

The annual hours of work exclusive of meal periods taken away from the workstation but including paid holidays will be 1827, which is equivalent to an average of 35 hours per week. The 1827 annual hours means that all work schedules will be based on that figure. Due to varying lengths of the calendar and work years and the varying times that employees may begin and end their work schedules, an employee will be required to work an average of 1827 hours.

(c) *Standard Hours*

(1) Except as otherwise provided, the standard workweek shall consist of five consecutive days from Monday to Friday, inclusive.

(2) Except as otherwise provided, the workday shall be seven hours duration exclusive of meal period, and these hours shall be scheduled between 8:00 a.m. and 5:00 p.m.

(d) All new employees hired subsequent to date of ratification will work 37.5 hours per week or 1957.5 hours per year.

(e) Existing regular employees may voluntarily increase their annual hours of work to 1957.5 which is the equivalent of 37.5 hours per week.

(f) All new employees and existing employees who opt to work increased hours to 37.5 will have their biweekly and annual rates of pay increased accordingly.

14.2 Work Schedules

(a) This agreement shall establish shift patterns, length of scheduled workdays and, where appropriate, averaging periods to meet the annual hours of work.

(b) The Employer shall determine when various services are provided (hours of operation), the classifications of positions and the numbers of employees required to provide the services.

(c) The Employer's designate and the union steward at the local level will establish work schedules based upon the shift patterns and hours of work clauses in the agreement and the provisions of this article including the following:

(1) if either party wishes a change to existing work schedules they shall provide the other party with the earliest possible advance notice in writing;

(2) if a change is requested the notice shall be given to the appropriate union steward or designated employer representative;

(3) the parties shall have 14 days, from the date notice is given to reach agreement on work schedules;

(4) if the parties are unable to reach agreement within 14 days either party may refer the matter to an Hours of Work Umpire on the appropriate form.

(d) The Employer and the Union shall agree on a list of persons designated as "*Hours of Work Umpires*" who shall resolve hours of work disputes in accordance with the provisions of the agreement.

- (e)
 - (1) The Umpire shall have 14 days, which may be extended by mutual agreement of the Principals by a further seven days, in which to bring in a decision.
 - (2) The Umpire shall base their decision on work schedule information in the agreement and the criteria to be applied in this section. The Umpire may consider a work schedule proposed by either party, however only work schedules which are consistent with the agreement may be considered.
 - (3) The party requesting a change from what has been previously agreed to shall bear the onus for justifying the change.
 - (4) In coming to a decision, the Umpire shall abide by the following rules:
 - (i) the decision must not be retroactive;
 - (ii) the hours of work schedule awarded shall not contain scheduled overtime;
 - (iii) the decision must not interpret the collective agreement except for the provisions of Clauses 14.2(e)(4) and 14.2(f).
- (f) The parties recognize that in reaching mutual agreement on work schedules, or where the Umpire is determining a schedule in accordance with the provisions of this article the following will also apply:
 - (1) work schedules shall meet the hours of operation and shall consider unusual or seasonal demands and functionally linked work groups within and without the bargaining unit;
 - (2) work schedule changes, within existing hours of operation, must not result in increased cost to the Employer and where possible shall result in decreased cost to the Employer and/or improved efficiency and/or improved service to the public. The onus of proof shall be on the Employer to prove decreased cost;
 - (3) consideration shall also be given to employee preferences, fairness and equity.
- (g)
 - (1) In the event there is a dispute between the parties at the local level, the Employer may implement, on an interim basis, a new or changed work schedule by giving 14 days' notice, providing the length of workday is not increased beyond nine hours and providing the change is necessary because of an introduction of a new program or a change to the hours of operation. However, under extenuating circumstances the 14 days' notice may be concurrent with the period of notice in (c)(3) above.
 - (2) Where the proposed change is within existing hours of operation, no change shall be made without mutual agreement or an Umpire's decision.
- (h) Either party may grieve an Hours of Work Umpire decision made pursuant to Clause 14.2 on the grounds that the award contravenes the requirements of Clause 14.2(e) or Clause 14.2(f). The grievance may be filed to a mutually agreed upon Hours of Work Arbitrator within 14 days of the receipt of the Umpire's award. The Hours of Work Arbitrator shall render a decision within 14 days of the conclusion of the hearing.

14.3 Modified Workweek

- (a) Where there is mutual agreement between the union designate and the Employer's designate at the local level for a modified workweek, work schedules may be arranged on one of the following bases:

- (1) 5/4 - the workday shall be seven hours and 47 minutes.

However, the Employer reserves the right, subject to the grievance procedure, to determine the legitimacy of the overtime claimed. (3) If the elapsed eight hour period following results in only two hours or less of their regular shift available for work, employees shall not be required to report for work on that shift, with no shortfall.

(d) Time spent by an employee travelling to work or returning to their residence before and after callout shall not constitute time worked but shall be compensated at the overtime rate.

(e) Should the employee be required to work that period which is considered free from work in the regular shift, as provided for in (b)(2), (c)(1), and (c)(2) above, then that portion of the shift shall be compensated at overtime rates.

The daily rate shall be determined by multiplying the number of regularly scheduled hours in the employee's day shift by the hourly rate. For the purposes of converting a biweekly rate to a monthly rate, the formula will be as follows:

$$\frac{\text{Biweekly Rate x 26.0893}}{12}$$

The formula for paying a partial salary to employees paid on a biweekly basis is:

Salary = hours worked and paid holidays x biweekly salary divided by hours scheduled and paid holiday (paid holiday equals 7 hours).

When an article in this agreement has a reference to payments at the "*end of the month following the month*" in which an event occurs, payment will be "*at the end of the second pay period following the pay period*" in which the event occurs.

Similarly, a reference to payments on specified dates will mean payment on the closest pay period payday to the specified date.

27.19 Expenses Within Headquarters Area

An employee in performing their duties within their headquarters area may claim unusual and/or extraordinary out-of-pocket expenses, subject to approval by the Employer. It is agreed that payment for out-of-pocket expenses is intended to include payment for meals where the situation warrants. - (1) employer endorsed education, training and career development activities, or

- (b) The Employer agrees to supply the President of the Union or their designate with the job evaluation plan and benchmarks/reference jobs for those classifications in the bargaining unit.
- (c) The former classification plan specifications are redundant for evaluation purposes and will be utilized solely for descriptive purposes to assist in the orderly management of the Employer including staffing and collective agreement purposes.

- (c) Time limits may be extended in writing by the mutual agreement of the parties.

30.6 Priority Placement and Employment Equity

The parties support the recruitment and development of a well-qualified and efficient workforce that is representative of the diversity of the people of British Columbia and the training and development of employees to foster career development and advancement.

The parties will cooperate in the identification and removal of barriers which restrict or inhibit people from being successfully employed and advanced.

Some examples of typical barriers are:

- discriminatory attitudes or behaviour such as bias, stereotyping and harassment by co-workers, supervisors and managers;
- failure to appreciate cultural differences because of a lack of familiarity with the cultural values of the designated groups or the group's lack of familiarity with the cultural values of Employer;
- lack of information about opportunities for employment, training, special projects or promotions, etc.;
- physical barriers such as workplaces, facilities, jobs and tools that may need to be adapted for use by individuals from the designated groups;
- systemic barriers such as employment policies, practices and systems which have an adverse impact on designated groups. An example of a systemic barrier is a qualification statement requiring years of experience rather than specifying the type and depth of experience that is needed.

In order to meet the above objectives and to redress existing employment imbalances and disadvantages the Employer may use remedial measures such as:

- providing career counselling, mentorship programs, internship training opportunities or other developmental opportunities to employees;
- outreach recruitment to encourage members of designated groups to apply for jobs in with the Employer, providing them with information on employment opportunities, how to apply for positions, how to prepare for interviews, etc.

Where the application of remedial measures outlined above do not meet the stated objectives, the Employer may, after consulting with the President of the B.C. Government and Service Employees' Union or his/her designate, in respect to a vacancy, identify that applicants to a posting be limited to employees:

- (a) covered by Clauses 13.2, 13.3 and 30.5;
- (b) encourage career development and advancement;
- (c) of a stated occupational group, position level or organizational unit.

Where the application of remedial measures outlined above do not meet the stated objectives, the Employer, and the President of the B.C. Government and Service Employees' Union or his/her designate may mutually agree to limit or give preference in a manner intended to achieve employment equity objectives.

- (d) Where an employee is returning to work after a period of illness or injury and where the Rehabilitation Committee has approved such return on a trial basis for assessment and/or rehabilitation purposes, the Short Term Plan period shall continue to be as defined in Section 1.2(a). Such trial period must be approved during the period the employee is receiving short-term benefits, however, the end of the trial period can go beyond the Short Term Plan benefit period.
- (e) Employees who return to work after a period of illness or injury and who do not work the same number of hours that were scheduled prior to the illness or injury shall receive prorated benefits under this plan, however, not beyond six calendar months from the initial date of absence as defined in Section 1.2(a), if absence is due to the same illness or injury.

1.4 Doctor's Certificate of Inability to Work

The Employer may require an employee who is unable to work because of illness or injury to provide a statement from:

- (a) a medical practitioner qualified to practise in the province of BC; or
- (b) the consulting physician to whom the employee is referred by the medical practitioner providing medical evidence of the employee's inability to work in any of the following circumstances:
 - (1) where it appears that a pattern of consistent or frequent absence from work is developing;
 - (2) where the employee has been absent for six consecutive scheduled days of work;
 - (3) where at least 30 days have elapsed since the last statement was obtained and the employee has been in receipt of plan benefits throughout that period.

With the exception of the STO2 and doctor's certificates referenced above, where the Employer requires a medical assessment from the employee's physician specifying the employee's employment limitations and/or capabilities, the employee will be reimbursed, upon production of receipt, for 50% of the cost of the medical assessment.

Benefits will cease to be paid when an employee fails to provide satisfactory evidence of medical disability during the benefit period.

1.5 Integration With Other Disability Income

Short-term benefits will be reduced by all other disability income benefits to which the absent employee is entitled except disability income which was being received prior to the illness or injury resulting in the employee being absent from work and which is unrelated to the illness or injury causing the current absence and the $\frac{1}{4}$ day accumulation that is being used to supplement the plan, pursuant to Section 1.2(b). Other disability income benefits will include:

- (a) any amount the absent employee receives from any group insurance, wage continuation or pension plan of the Employer;
- (b) any amount of disability income provided by any compulsory Act or law, except Employment Insurance sickness benefits and WCB benefits payable in accordance with Section 1.1(d);
- (c) any periodic benefit payment from the Canada or Quebec Pension Plan or other social security plan of any country.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments, or personal insurance disability income benefits exceed either:

- (1) 100% of pay; or
- (2) the applicable benefit percentage of the individual's average total monthly income in the 12-month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply, the employee will be required to provide satisfactory evidence of their total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third party for an injury for which the employee received or would receive STIIP benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that Plan benefits in combination with the wage loss claim paid exceed 100% of pay.

This section does not apply to a war disability pension paid under an Act of the governments of Canada or other commonwealth countries.

1.6 Benefits Not Paid During Certain Periods

Benefits will not be paid when an employee is:

- (a) receiving designated paid holiday pay;
- (b) engaged in an occupation for wage or profit;
- (c) on strike or is locked out unless the strike or lockout occurred after the illness or injury resulting in the employee being absent from work;
- (d) serving a prison sentence;
- (e) on suspension without pay;
- (f) on paid absence in the period immediately preceding retirement;
- (g) on any leave of absence without pay.

Notwithstanding (g) above, where an illness or injury occurs during a period of approved:

- (1) educational leave;

- (2) general leave of absence not exceeding 30 days;
- (3) maternity leave, parental leave, or adoption leave

which prevents the employee from returning to work on the scheduled date of return, the Short Term Plan will be effective from the date of disability due to illness or injury and benefits will be paid for the balance of the six-month period remaining from the scheduled date of return to work.

(h) not actively engaged in a treatment program where the employee's physician determines it to be appropriate to be involved in such a program. An employee shall be afforded the opportunity to demonstrate there were reasonable grounds for not being engaged in a treatment program.

1.7 Employee to Inform Employer

The employee shall inform the Employer as soon as possible of their inability to report to work because of illness or injury. The employee shall inform the Employer of the date of return to duty, in advance of that date, in order that relief scheduled for that employee can be notified.

1.8 Entitlement

For the purpose of calculating six days per calendar year, one day shall be considered to be one day regardless of the regularly scheduled workday. Calculation for part-time employees and partial days will be on a prorated basis.

1.9 EIC Premium

The parties agree that the complete premium reduction from Human Resources Development Canada Insurance Commission accruing through the improved illness and injury plan will be returned to the Employer.

1.10 Benefits Upon Layoff or Separation

(a) Subject to (b) and (c) below, regular employees who have completed three months of service and who are receiving benefits pursuant to Section 1.1(c), 1.1(d), or 1.2 shall continue to receive such benefits upon layoff or separation until the termination of the illness or until the maximum benefit entitlement has been granted, whichever comes first, if the notice of layoff or separation is given after the commencement of the illness for which the benefits are being paid.

(b) In the event that layoff or separation notice was given prior to the commencement of the illness, benefits will cease on the effective date of the layoff or separation only if the illness commenced within two months of the effective date of the layoff or separation.

(c) Benefits will continue to be paid in accordance with (a) above for which notice of layoff or separation was given prior to the commencement of the illness and if the illness commenced more than two months before the effective date of the layoff or separation.

The maximum 6 month period identified in this appendix shall be a maximum 7 month period for auxiliary employees who qualify for benefits pursuant to the agreement, Article 32.12.

Part II – Long Term Disability Plan

2.1 Eligibility

- (a) (1) Regular full-time employees shall be covered by the Long Term Disability Plan upon completion of six months active employment with the Employer. To be covered by the Plan, a regular part-time employee must be working in a position that requires at least half-time work

on a regularly scheduled basis, and must have completed six months active service in such a position.

(2) Where an employee is converted from auxiliary to regular status, plan coverage shall commence the earlier of (a)(1) above, or upon the completion of six months of full-time, unbroken employment from the date the employee qualified for Short Term Illness and Injury Plan benefits under Clause 32.12.

(b) An employee who is not actively at work because of illness or injury on the workday coincident with, or immediately preceding, the date they would otherwise have become eligible for coverage under the Plan will not be eligible for coverage until the date the employee returns to active employment.

(c) Coverage in the plan is a condition of employment.

2.2 Long-Term Disability Benefit

In the event an employee, while covered under this plan, becomes totally disabled as a result of an accident or a sickness, then, after the employee has been totally disabled for six months, including periods approved in Sections 1.3(a) and (c), they shall be eligible to receive a monthly benefit as follows:

(a) While the employee has a sick bank balance to be used on a day-for-day basis, full monthly earnings will continue until the sick bank is exhausted, and Section 2.6 will not apply.

(b) When an employee has no sick bank, or after it is exhausted, the employee shall receive a monthly benefit equal to the sum of:

- (1) 70% of the first \$2,300.00 of monthly earnings; and
- (2) 50% of the monthly earnings above \$2,300.00.

For the purposes of the above, earnings shall mean basic monthly earnings as at the date of disability as determined by the Employer.

The basic monthly earnings as at the date of disability shall be the salary in effect for the last month of the Short Term Plan period, or equivalent six-month period, taking into consideration any retroactive adjustments. The date of disability for determining the commencement of the first 25 months of disability shall be the day following the last month of the Short Term Plan period, or an equivalent six-month period.

(c) The long-term disability benefit payment will be made as long as an employee remains totally disabled in accordance with Section 2.3, and will cease on the date the employee recovers, or at the end of the month in which the employee reaches age 65, or resigns or dies, whichever occurs first.

(d) An employee in receipt of long-term disability benefits will be considered an employee for purposes of pension benefits and will continue to be covered by group life, extended health, dental and medical plans. Employees will not be covered by any other portion of a collective agreement but will retain the right of access to a rehabilitation committee established thereunder and will retain seniority rights should they return to employment within nine months following cessation of benefits. A temporary assignment or auxiliary appointment will not disqualify an employee from the nine month access period.

(e) When an employee is in receipt of the benefit described in (b) above, contributions required for benefit plans in (d) above and contributions for pension benefits will be waived by the Employer.

(f) An employee engaged in rehabilitative employment with the Employer and who is receiving partial long-term disability benefit payments will have contributions required for benefit plans in (d) above and contributions for pension benefits waived by the Employer, except that pension benefits contributions shall be deducted from any salary received from the Employer to cover the period of rehabilitative employment.

2.3 Total Disability

(a) Total disability, as used in this Plan, means the complete inability because of an accident or sickness of a covered employee to perform all the duties of their own occupation for the first 25 months of disability except where accommodation has been made which enables an employee to work:

- (1) in their own occupation, or
- (2) in a job other than their own occupation.

Where accommodation has been made which enables an employee to return to work they will not be considered totally disabled and the rate of pay shall be the rate for the job.

If the rate of pay for this job is less than the rate of pay of the employee at the date of disability, the employee's salary will be protected in accordance with Clause 27.7(a) at the employee's basic rate at the date of disability.

After the first 25 months of total disability, where accommodation has been made that enables an employee to return to a job other than their own occupation, the employee will not be considered totally disabled and their basic rate shall be the basic rate for the job or 75% of the basic rate of their own occupation, whichever is greater.

After the first 25 months of total disability, employees able by reason of education, training or experience to perform the duties of a gainful occupation for which the rate of pay is not less than 75% of the current rate of pay of their regular occupation at date of disability will not be considered totally disabled and will therefore not be eligible for benefits under this Long Term Disability Plan.

(b) Total disabilities resulting from mental or nervous disorders are covered by the Plan in the same manner as total disabilities resulting from accidents or other sicknesses, except that an employee who is totally disabled as a result of a mental or nervous disorder and who has received 25 months of Long Term Disability Plan benefit payments must be confined to a hospital or mental institution, or where they are at home, under the direct care and supervision of a medical doctor, in order to continue to be eligible for benefit payments.

During a period of total disability an employee must be under the regular and personal care of a legally qualified doctor of medicine.

(c) (1) If an employee becomes totally disabled and during this period of total disability engages in rehabilitative employment, the employee may earn in combination with benefits from this Plan up to 100% of their earnings at the date of disability. In the event that income from rehabilitative employment and the benefit paid under this Plan exceed 100% of the employee's earnings at date of disability, the benefit from this Plan will be further reduced by the excess amount.

"Rehabilitative employment" shall mean any occupation or employment for wage or profit or any course or training that entitles the disabled employee to an allowance, provided such rehabilitative employment has the approval of the employee's doctor and the Employer.

The rehabilitative employment of a disabled employee will continue until such time as the employee's earnings from rehabilitative employment reach 100% of the employee's earnings at the date of disability but in no event for more than 25 months from the date benefit payments commence.

If earnings are received by an employee during a period of total disability and if such earnings are derived from employment which has not been approved of as rehabilitative employment by their doctor and the Employer, then the regular monthly benefit from the Plan will be reduced by 100% of such earnings.

(2) In the event that an employee has been classified as totally disabled for all occupations and engages in approved rehabilitative employment, the provisions of (1) above apply except that the rehabilitative employment may continue for 25 months from the date rehabilitative employment commenced.

(3) In the case where rehabilitative employment has been approved while an employee is receiving a benefit under the provisions of Section 2.2(a), the provisions of Section 2.3(c)(1) shall not apply until the employee is receiving a benefit under Section 2.2(b).

2.4 Exclusions from Coverage

The Long Term Disability Plan does not cover total disabilities resulting from:

- (a) war, insurrection, rebellion, or service in the Armed Forces of any country after the commencement of this plan;
- (b) voluntary participation in a riot or civil commotion except while an employee is in the course of performing the duties of their regular occupation;
- (c) intentionally self-inflicted injuries or illness.

2.5 Pre-Existing Conditions

An employee shall not be entitled to long-term disability benefits from this Plan if their total disability resulted from an accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received in the 90- day period prior to the date of hire unless they have completed 12 consecutive months of service after the date of hire during which time they have not been absent from work due to the aforementioned accident, sickness or mental or nervous disorder with respect to which medical treatment, services or supplies were received. This clause does not apply to present employees who have been continuously employed since April 1, 1987.

2.6 Integration With Other Disability Income

In the event a totally disabled employee is entitled to any other income as a result of the same accident, sickness, mental or nervous disorder that caused them to be eligible to receive benefits from this Plan, the benefits from this Plan will be reduced by 100% of such other disability income.

Other disability income shall include, but not necessarily be limited to:

- (a) any amount payable under the *Workers Compensation Act* or Law or any other legislation of similar purpose; and
- (b) any amount the disabled employee receives from any group insurance, wage continuation or pension plan of the Employer that provides disability or retirement income; and
- (c) any amount of disability income provided by any compulsory Act or law; and

- (d) any periodic primary benefit payment from the Canada or Quebec Pension Plans or other similar social security plan of any country to which the disabled employee is entitled or to which they would be entitled if their application for such a benefit were approved; and
- (e) any amount of disability income provided by any group or association disability plan to which the disabled employee might belong or subscribe.

The amount by which the disability benefit from this Plan is reduced by other disability income will normally be the amount to which the disabled employee is entitled upon becoming first eligible for such other disability income. Future increases in such other disability income resulting from increases in the Canadian Consumer Price Index or similar indexing arrangements will not further reduce the benefit from this Plan.

Notwithstanding the above, in the case of ICBC Weekly Indemnity payments or, in the case of personal insurance coverage, integration will apply to the extent that the combination of Plan benefits and ICBC Weekly Indemnity payments or, personal insurance disability income benefits exceed either:

- (1) 100% of basic pay; or
- (2) the applicable benefit percentage of the individual average total monthly income in the 12-month period immediately preceding commencement of the disability, whichever is the greater. Where this provision is to apply the employee will be required to provide satisfactory evidence of their total monthly income.

Notwithstanding the above, where an employee makes a successful wage loss claim against a third party for an injury for which the employee received or would receive LTD benefits, the Employer will be entitled to recover or decrease Plan benefits by an amount equal to the amount that Plan benefits in combination with the wage loss claim paid exceed 100% of pay subject to the following:

- (1) The amount of plan benefit recovered or decreased will be reduced limited to the legal fees attributed to the Employer's share of total claim recovery.
- (2) The existence of an action commenced by or on behalf of an employee does not preclude the Employer from joining the employee's action or commencing an action on its own behalf respecting the benefits paid.
- (3) Where the Employer or the employee intends to commence or join such an action, they shall advise the other in writing of that intention.

This section does not apply to a war disability pension paid under an Act of the governments of Canada or other commonwealth countries.

2.7 Successive Disabilities

- (a) If, following a period of total disability with respect to which benefits are paid from this Plan, an employee returns to work on a full-time basis for a continuous period of six months or more, any subsequent total disability suffered by that employee, whether related to the preceding disability or not, shall be considered a new disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan.
- (b) In the event the period during which such an employee has returned to work is less than six months and the employee again suffers a total disability and that is related to the preceding disability, the subsequent disability shall be deemed a continuation of the preceding disability, and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan as though they had not returned to work.

(c) Should such an employee suffer a subsequent disability that is unrelated to the previous disability and, provided the period during which the employee returned to work is longer than one month, the subsequent disability shall be considered a new disability and the employee shall be entitled to benefit payments in accordance with the provisions of this Plan. If the period during which the employee returned to work is one month or less, the subsequent disability shall be deemed a continuation of the preceding disability and the disabled employee shall be entitled to benefit payments in accordance with the provisions of this Plan.

(d) Limitation of benefits for successive disabilities in (b) and (c) above must be determined within one year from the date of absence due to successive disability.

2.8 Cessation of Benefits

(1) An employee shall cease to be eligible for benefits of this Plan at the earliest of the following dates:

- (a) at the end of the month in which the employee reaches their 65th birthday (60th birthday for correctional centre employees);
- (b) on the date of commencement of paid absence prior to retirement;
- (c) on the date of termination of employment with the Employer.

Benefits will not be paid when an employee is serving a prison sentence.

Cessation of active employment as a regular employee shall be considered termination of employment except when an employee is on authorized leave of absence with or without pay.

(2) In the event that the maximum retirement provisions of the Public Service Pension Plan Rules are declared inoperative or are otherwise struck down by a Court of competent jurisdiction, 2.8(a) will read:

at the end of the month in which the employee reaches their 65th birthday.

2.9 Leave of Absence

Employees on leave of absence without pay may opt to retain coverage under the plan and shall pay the full premium, except when on approved Maternity Leave. Coverage will be permitted for a period of 18 months of absence without pay except that if the leave is for educational purposes the maximum period will be extended to two years. If an employee on leave of absence without pay or with partial pay, who has elected coverage under this Plan, becomes disabled, benefits under this Plan will be based upon monthly earnings immediately prior to the current leave of absence.

2.10 Benefits Upon Plan Termination

In the event this Long Term Disability Plan is terminated, the benefit payments shall continue to be paid in accordance with the provisions of this Plan to disabled employees who became disabled while covered by this Plan prior to its termination.

2.11 Contributions

The cost of this Plan will be borne by the Employer.

2.12 Waiver of Contributions

Employee contributions to this Plan shall be waived with respect to disabled employees during the time such an employee is in receipt of disability benefit payments from this Plan.

2.13 Claims

(a) Long-term disability claims will be adjudicated and paid by a claims-paying agent to be appointed by the Employer. In the event a covered employee disputes the decision of the claims-paying agent regarding a claim for benefits under this Plan, the employee may arrange to have their claim reviewed by a claims review committee composed of three medical doctors; one designated by the claimant, one by the Employer, and a third agreed to by the first two. Written notice of a disputed claim or an appeal under this Plan shall be sent to the Plan Administrator.

(b) (1) Written notice of an appeal must be submitted to the Plan Administrator within 60 days from the date the claims-paying agent rejected the claim. Due to extenuating circumstances, the time frame may be extended by the Plan Administrator.

(2) Where the claims-paying agent denies benefits due to insufficient medical evidence being provided, an employee will have 60 days in which to provide satisfactory medical evidence to support their claim.

In such circumstances the 60-day appeal period in (1) above will not commence until the claims-paying agent renders its decision based on the medical evidence provided.

Where the employee fails to provide further satisfactory medical evidence within the 60-day period, the claim will be deemed to have been denied and the appeal period in (1) above shall commence.

(c) The expenses incurred by a claims review committee will be paid by the Plan.

(d) Where an employee has disputed the decision of the claims-paying agent and is awaiting the outcome of a review or an appeal, the employee will be considered to be on leave of absence without pay during the portion of the waiting period when they are not receiving pay or benefit allowance. During the waiting period an employee will continue to be covered by group life, extended health, dental and medical plans.

(e) LTD benefits received will be reduced by the same amount of benefits received for the same period under the *Employment and Assistance Act* and/or the *Employment and Assistance for Persons with Disabilities Act* (referenced in this section as the "Acts"), except where the benefits received for that period under these Acts are repaid to government. Where the employee has been deemed eligible for benefits under these Acts which benefits exceed the LTD benefits level, LTD benefits will not be subject to reduction for that additional amount.

(f) Access to the Claims Review Committee (CRC) shall be as follows:

(1) The CRC will continue to apply to those employees who have regular status as of April 1, 2004.

(2) The CRC will apply to those employees who have regular status subsequent to April 1, 2004, for the first 25 months of total disability. Any disputed claims for periods of time beyond 25 months shall be appealed to the contracted carrier and the CRC will not apply.

(3) The CRC will not apply to those employees appointed to regular status subsequent to April 1, 2010. Any disputed claim shall be appealed to the contracted carrier.

2.14 Physical Examination

The Employer, at its own expense, shall have the right and be given the opportunity to have a medical doctor appointed by the Employer examine, as often as it may reasonably require, any employee whose injury, sickness, mental or nervous disorder is the basis of claim upon this Plan.

2.15 Canadian Currency

All monies payable to or from this plan shall be payable in Canada in Canadian currency.

2.16 Administration

The Employer will be the administrator of the Plan. All questions arising as to the interpretation of this Plan shall be subject to the grievance and arbitration procedures in Articles 8 and 9 of this agreement.

2.17 Implementation by Regulation

The provisions of this Plan shall become part of a memorandum of agreement between the parties and will be implemented by regulation.

2.18 Benefit Level

Persons receiving benefits shall receive the same increases to their benefit level as do the employees covered by the terms and conditions of this collective agreement receive in wage increases.

Part III - Joint Advisory Committee

There shall be a joint advisory committee which shall consist of two representatives appointed by the Employer and two representatives appointed by the Union. The Employer and the Union may each appoint one alternate committee member. The purpose of the Committee shall be to consider and make recommendations to the bargaining Principals on all matters related to the effective administration of the Short Term Illness and Injury and Long Term Disability Plans and to consider and make recommendations to the bargaining Principals on any questions which may arise related to interpretation or application of the wording of Appendix 2. The Committee shall consider and report back on all matters related to the plans which may be referred to it jointly by the bargaining Principals.

Part IV - Rehabilitation

In the event that a regular employee becomes incapacitated through accident or sickness and they are unable to perform all the duties of their own occupation, the following shall apply:

- (a) For the purpose of this section, incapacity shall mean where the employee is unable to perform all the duties of their own occupation as defined in Section 2.3(a) of the Long Term Disability Plan.
- (b) Where the employee meets the definition in (a) above, the Employer shall provide the employee with an application for alternative suitable employment. An employee who fails to:
 - (1) sign the application form;
 - (2) make themselves reasonably available and co-operate with a reasonable rehabilitation/return to work process consistent with Rehabilitation Committee principles;
 - (3) actively engage in a treatment program where the employee's physician determines it to be appropriate to be involved in such a program

shall have benefits suspended.

Prior to having benefits suspended, an employee shall be afforded an opportunity to demonstrate that there were reasonable grounds for failing to meet the above obligations.

(c) The application shall be completed and returned to the Employer who shall within 10 workdays forward the application to the Secretary. The committee members shall be provided with copies of the application.

(d) The Rehabilitation Committee will, based on the information, coordinate the necessary medical and/or vocational assessments and determine the following:

- (1) if the application is properly before the Committee;
- (2) based on the assessment, determine whether the employee is immediately capable of performing modified, alternative or rehabilitative employment;
- (3) if no to (2) above the Committee may, based on the assessments, implement the necessary training to place the employee in alternative or rehabilitative employment;
- (4) In considering modified, alternative or rehabilitative employment, the Committee may provide advice and make recommendations to the Employer to return the incapacitated employee to work considering the following accommodations:
 - (i) modification of the duties of the employee's job;
 - (ii) flexibility in scheduling hours of work within existing hours of operation;
 - (iii) provision of technical or mechanical aids.

(5) where the employee is considered capable of performing alternative employment or once the rehabilitative employment is considered to be successful, and the employee is therefore able to perform the duties of a gainful occupation, they shall be subject to Article 13 - Layoff and Recall of the agreement excluding displacement options pursuant to Clauses 13.3 and 13.4(c)(2).

(e) (1) An employee in receipt of STIIP benefits, whose prognosis for return to work exceeds eight weeks, may be referred to the Rehabilitation Committee if it is medically appropriate to do so.

(2) In those cases where a return to their own occupation is unlikely, employees may be referred, by either party to the Rehabilitation Committee while on STIIP. In such cases, Part IV (c), and (d) will apply.

(f) Where an employee has a physical occupational illness or injury, the Employer will, where feasible, accommodate the employee's incapacity so as to avoid a time loss illness or injury. Where a time loss illness or injury occurs, the compensation payable shall be in accordance with the applicable terms of the agreement.

(g) Where the Employer has concerns with a recommendation made in accordance with (d)(4) above, the concern will be reviewed with the Rehabilitation Committee.

APPENDIX 3

Social, Information and Health Component

This appendix will apply to the "in scope" BCGEU Component 6 classifications only.

Should a conflict arise between the language contained in the collective agreement and this appendix (precluding language inserted from the Union Component 12 meld discussions), the collective agreement will prevail.

The parties agree that the following articles apply:

6.7 Preparation for Examination

Where workloads permit, employees shall be granted reasonable time during the regular workday to prepare for examinations held by the Employer and to complete courses offered by the Employer. The parties recognize, however, that the employees who avail themselves of the provisions of this clause have a responsibility to devote some of their own time to prepare themselves for examinations and to complete courses.

12.1 Supply and Maintenance of Equipment

- (a) An employee shall not suffer loss in salary in the event that they cannot carry out their normal duties by reason of the Employer failing to furnish or properly maintain equipment, machinery, supplies, or by reason of power failure or other circumstances occurring at the place of work.
- (b) This clause shall not apply to short-term relief personnel beyond the day of occurrence.

APPENDIX 3A Workload

It is in the interest of the parties that all employees are aware of their job expectations and responsibilities.

It is the responsibility of supervisors and managers to ensure that staff perform their duties and to ensure that procedures are in place to address service demands.

Where an employee is concerned that they cannot complete assignments or respond to urgent matters to fulfill work obligations it is their responsibility to immediately seek the advice and direction from their direct supervisor.

Should the employee continue to hold the opinion that they are unable to fulfill their obligations they will put their detailed concerns in writing and the direct supervisor will provide a written response to those concerns within 14 days. Responsibility for any consequences of complying with the direction provided by the direct supervisor will not rest with the employee.

Should the employee continue to hold the opinion that they are unable to fulfill their work obligations the employee's written concerns and the supervisor's written response will be forwarded to the Joint Union/Management Committee.

This article is not subject to the grievance or arbitration procedures of the agreement.

INFORMATION APPENDIX I Advance Payment of Group Life Benefits

The guidelines regarding payment of group life benefits for terminally ill employees pursuant to Clause 25.2 are as follows:

1. Death must be "*expected*" within 12 months. The employee's attending physician will be required to provide sufficient medical information, including the employee's diagnosis and prognosis, to allow the group life insurance carrier to assess the life expectancy.
2. Requests for advance payments must be in writing and should be accompanied by evidence of financial need.
3. Authorization from the Employer must be submitted with the employee's request.
4. The amount of the payment will be 50% of the life insurance coverage, subject to a maximum of \$50,000.
5. A signed release will be obtained from the insured employee prior to payment being made. A release is not required from designated revocable beneficiaries as they have no legal rights to life insurance proceeds until after the insured's death. Situations involving irrevocable beneficiaries or divorce judgments will require special releases.

MEMORANDUM OF AGREEMENT #1 **Employment Security**

1. During the term of this memorandum of agreement the Employer agrees not to exercise its right to cause a layoff which results in the cessation of employment for an employee in the bargaining unit who has regular status as of April 1, 2004.
2. This Memorandum does not apply to regular employees who are normally subject to layoff because of business cycle or seasonal work.
3. In order for the Employer to satisfy the provision of point 1 above, the Union recognizes that workforce adjustment activity will be necessary whether due to reorganization, program termination, relocation, closures, etc.
4. The Article 30 Joint Committee will coordinate such workforce adjustment activity in accordance with its mandate as outlined in Clause 13.2.
5. In order to facilitate the Employer's commitment and workforce adjustment measures necessary as a result of this commitment, it is agreed that, following the application of Phase 1 (Clause 13.1):
 - A regular employee with less than 3 years' service seniority who refuses one reasonable offer of continued employment will be deemed to have resigned.
 - A regular employee with 3 or more years' service seniority who refuses an offer of continued employment at the same classification level will be deemed to have resigned.
 - A regular employee with 3 or more years' service seniority who refuses one offer of continued employment in a different classification (with the same maximum salary) will be deemed to have resigned with applicable severance pay.
 - A regular employee with 3 or more years' service seniority who refuses two job offers in a comparable pay range will be deemed to have resigned with applicable severance pay.
6. The determination of employees to be subject to workforce adjustment will be consistent with the seniority provisions of Article 13.

7. Greater than 3 year regulars are entitled to displace less than 3 year regulars pursuant to Article 13. Employees who do not immediately exercise their option to displace will not be covered by the security provisions of this Memorandum and Clause 13.4 shall apply. Less than 3 year regulars are entitled to the auxiliary recall option in lieu of a reasonable offer of continued employment.
8. Regular employees with more than three years' service seniority who are placed pursuant to this Memorandum shall have their salary protected pursuant to Clause 27.7 of the agreement.
9. The Chairperson of the Joint Article 13 Layoff and Recall Committee shall, at the request of either party, sit as an arbitrator over all disputes pertaining to the application or interpretation of this memorandum of agreement after the parties have reviewed and attempted to resolve the dispute.
10. The provisions of Article 13 remain unchanged.
11. The provisions of Article 13 shall be subject to the provisions of this memorandum of agreement.
12. This memorandum remains in force and effect for the period April 1, 2010 to March 30, 2015.

MEMORANDUM OF AGREEMENT #2
