The Employee shall have a written review every three hundred and thirty (330) regular hours paid during the trial period.

The appointed Employee(s) shall be paid at the higher classified rate of pay for each hour spent in the performance of these duties.

11.1.3 When the City finds it operationally necessary to have a majority of the duties of the vacant position performed throughout the vacancy, it shall fill the position in accordance with Article 11.2. The appointed Employee shall be paid at the higher classified rate of pay for the duration of the relief assignment.

APPENDIX IV – TRANSIT

The above stated parties to the Collective Agreement have agreed that all articles of the Collective Agreement shall apply to Transit Department Employees, except as modified in this Appendix.

1 **RECOGNITION (Article 2)**

- 1.1 The Union Emblem may be worn on service uniforms.
- 1.2 An appropriate official emblem of the Union may be placed on all City owned vehicles by members of the Union. Said emblem shall be placed, where designated by the City, in full view of the travelling public. Such emblem is to be furnished by the Union and the cost of installation, maintenance of same and replacement to be borne by the Union.

2 **HOURS OF WORK (Article 15)**

- 2.1 The City agrees in principle to retain the present work schedule and hours of work and agrees that if there is any change to the present system, it will be subject to consultation with the Union. This does not preclude; however, the management's rights to enter into a changed operation for the efficient and economic operation of the system.
- 2.2 The City of Medicine Hat shall endeavour to provide the six (6) most senior operators on Regular Transit to normally work on Monday through Friday with Saturday and Sunday as their days off. These Employees shall occasionally be required to work on a day or evening shift on a Saturday and receive another day off. Any changes to this schedule shall be subject to prior consultation with the Union.
- 2.3 Transit Operators and Service Workers who are working a full eight (8) hour shift shall be provided with a thirty (30) minute paid lunch break during the eight (8) hour shift.
- 2.4 In the event that an Employee books off for sickness or other short notice emergent reasons, Management or their designate shall call out, according to seniority the first available qualified temporary Employee who has not maximized their average weekly hours. First consideration shall be given, according to seniority, to those qualified temporary Employees who are not working a full shift (7.25 hours or greater) on that day.
- 2.5 The Union and Transit Operators on regular runs recognize that unpaid travel time of up to fifteen (15) minutes prior to and/or following their regular shift may be required in order to get the buses between the Transit Garage and the bus routes.
- 2.6 A new run selection shall take place for the following reasons.
 - (a) sign up in December, June and August to become effective the first day of the first pay period in January, July and September respectively, or;
 - (b) when there is a major change in hours or in the shift schedule, or;
 - (c) when there is a major change of a route, or;
 - (d) when there is a major change in a run.

A **Run** shall mean an area in which a bus travels (i.e., Dunmore / Northeast, Kensington)

A **Route** shall mean the path of travel (i.e., specific streets travelled).

- 2.6.1 All operators shall be included in the regular sign-up in order of seniority.

- 2.6.2 If an Employee is not available when a sign-up occurs, that Employee shall leave his desired runs in order of preference with his Supervisor. When it is the Employee's turn to indicate his selection, the Supervisor shall assign an available run in order of the Employee's indicated preferences.
- 2.6.3 If an Employee is not available when a sign up occurs and does not leave his desired runs with his Supervisor, the Supervisor shall assign the Employee to an available run when it would have been the Employee's turn to indicate his selection.
- 2.7 Notwithstanding the above, Mark Crane shall be given first consideration for runs designated as Special Transit.
 - 2.7.1 The aforementioned Employee shall only retain such rights until he elects to choose a Regular Transit run when a Special Transit run is available.
 - 2.7.2 This article does not regulate the number of Special Transit runs or guarantee a Special Transit run.
- 2.8 All Employees concerned shall be bound by the run or shift selected until the next sign-up.
- 2.9 Whenever a new run selection is administered all temporary Employees shall, at that time, declare when they shall be available for work for the remaining period of the run selection.

3 RELIEF ASSIGNMENTS AND TERM POSITIONS (Article 11)

- 3.1 Relief assignments under thirty (30) days in a Lead Hand classification shall be filled from within the crew. All other relief assignments under thirty (30) days shall be filled by temporary Service Workers / Operators.
- 3.2 Once an Employee is assigned to a crew, he shall be deemed to be a member of that crew.
- 3.3 When a permanent position becomes temporarily vacant for a period in excess of four (4) months, or where it can be reasonably foreseen that the position will be temporarily vacant in excess of four (4) months, the provisions of Article 11 shall apply.

4 GROUP HEALTH AND INSURANCE PLANS (Article 32)

- 4.1 The City agrees to reimburse Employees for medical examinations required as a condition of continued employment and by the Alberta Motor Vehicles Branch up to a maximum of one hundred dollars (\$100.00) per examination.

5 GENERAL HOLIDAYS (Article 35)

- 5.1 All permanent Transit Employees who are employed on March 31st of each year shall be entitled to a floater holiday in lieu of Easter Monday, to be taken at a time mutually agreed between the Employee and the Manager of Transit Services.

6 PAY ON GENERAL HOLIDAYS (Article 36)

- 6.1 A permanent Transit Employee shall receive general holiday pay of an amount equal to his classified rate of pay multiplied by his regular daily hours.

- 6.2 A temporary Transit Employee shall receive general holiday pay of four point six percent (4.6%) of his classified rate(s) of pay multiplied by his regular hours paid in each bi-weekly pay period.
- 6.3 When a general holiday falls on an Employee's regular day off, he shall be paid his general holiday pay.
- 6.4 When a general holiday falls on an Employee's regular work day and he is not required to work, he shall be paid his general holiday pay.
- 6.5 When a general holiday falls on an Employee's regular work day and he is required to work, he shall be paid at two times (2x) his classified rate(s) of pay for each hour worked in addition to his general holiday pay.
- 6.6 Shifts on a general holiday shall be offered to qualified staff in order of seniority commencing with the senior operator and then rotating from the last operator on the previous general holiday.

7 TRANSPORTATION

- 7.1 Free transportation shall be granted to all Medicine Hat Transit System Employees over the employer's system.

APPENDIX V – PERMANENT PART-TIME EMPLOYEES

1 DEFINITIONS (Article 8)

Permanent Part-time Employees when used in this Collective Agreement shall mean an Employee who has been permanently appointed to a permanently established part-time position and shall also include permanent part-time Employees serving a probation period. Permanent part-time Employees may also work in relief assignments and shall maintain their permanent status while doing so.

Permanent Part-time Position when used in this Collective Agreement shall mean a year round position established by the City as permanent that averages less than thirty-six and one quarter (36.25) hours and shall have a minimum of four (4) hours per working day and a minimum of forty (40) hours bi-weekly on a regular basis.

2 HOURS OF WORK (Article 15)

An Employee who is employed on a permanent part-time basis shall not have his daily hours of work permanently increased without written notification and prior discussion with the Employee(s) concerned and the Union.

3 GENERAL HOLIDAY PAY (Article 36)

General Holiday Pay for permanent part-time Employees shall be based upon their average daily hours paid in the previously worked bi-weekly pay period prior to the General Holiday (or prior to March 31st for the Floater Holiday).

4 ADDITIONAL WORK

The following conditions shall apply to permanent part-time Employees who wish to accept additional work outside of their home department.

- (a) The permanent part-time Employee must first obtain permission from their Supervisor prior to accepting any assignment outside of their own department. Such hours shall not conflict with their regular scheduled hours of work.
- (b) When an Employee works in a position where the base hours are solely within the 1,885 hours per year or 2,080 hours per year, the corresponding entitlements for overtime shall apply (i.e., overtime after thirty-six and one quarter (36.25) hours per week for a position with annual hours based on 1885).
- (c) When an Employee works a combination of positions with a base of 1,885 and 2,080 hours per year, overtime shall be paid on those hours after forty (40) hours per week.
- (d) It shall be the responsibility of the Employee to inform their Supervisor and the other department of the potential of an overtime situation when additional relief hours are being offered.
- (e) As the current payroll system cannot accommodate the accrual of vacation hours and vacation pay at the same time, the payroll department shall perform annual reviews of part-time Employees and pay vacation pay for the earnings worked as a temporary Employee outside of their home department prior to the payroll year end in each year.
- (f) For the purposes of pension and other Employee benefit entitlements, the additional hours worked at a rate other than the Employee's regular classified rate or outside of their home department are not considered as part of the Employees permanent or "guaranteed hours" and therefore shall not be included in the calculation of annual pay for the application of these benefits.
- (g) Part-time Employees working additional hours shall be paid the classified pay range of the position where the additional hours are worked, whether higher or lower than the Employee's part-time position pay range.

APPENDIX VI – RECREATION EMPLOYEES

1 LAYOFF (Article 13)

If conditions such as mechanical failure or in order to comply with health regulations causes the City to temporarily close an aquatic facility, the temporary layoff of Employees shall be based upon seniority of those temporary Employees working at the aquatic facility for any layoff up to four (4) consecutive days. Any layoff of four (4) consecutive days or longer shall be based upon seniority in the Department (where the Employee has the necessary qualifications to perform the work remaining) and may require rescheduling of Employees at the other aquatic facilities. Upon mutual agreement, the above named parties may consider special circumstances that would extend the aforementioned four (4) day period.

2 MINIMUM HOURS - AQUATIC LESSON INSTRUCTION (Article 15)

Whenever possible scheduled aquatic shifts shall be for a minimum of two (2) hours and Employees may be paid at different classified rates during the shift depending on the work performed.

3 MINIMUM HOURS - AQUATICS (Article 15)

Temporary aquatic Employees who are obliged to report to work but work only two (2) hours or less because they are no longer required (i.e., reduced workload), shall be paid a minimum of two (2) hours at their classified rate of pay for that day.

APPENDIX VII - COMMUNITY PEACE OFFICERS

1 COURT ATTENDANCE

- 1.1 Shifts shall not be changed to accommodate court appearances.
- 1.2 If an Employee is required to attend court to carry out his duties as a Community Peace Officer during hours other than the Employee's regularly scheduled shift and subsequently such court appearance is cancelled, the Employee shall be given at least twelve (12) hours notice of such cancellation and shall not receive any pay for the cancelled court appearance or the Employee shall receive two (2) hours pay if the Employee receives at least eight (8) hours notice of such cancellation or the Employee shall receive four (4) hours pay if the Employee receives less than eight (8) hours notice. If an Employee is required to attend court to carry out his duties as a Community Peace Officer during hours other than his regularly scheduled shift, he shall be paid at two times (2X) his classified rate of pay with a minimum of two (2) hours pay at two (2) times his regular rate of pay.
- 1.3 An Employee required to attend court during the Employee's vacation leave shall be granted an extra day of vacation leave (8 or 12 hours as per the Employee's shift schedule) in lieu of each day of court attendance, and further shall be granted an extra day of vacation leave (8 or 12 hours as per the Employee's shift schedule) for each day required to travel. This paragraph does not apply to temporary Community Peace Officers.
- 1.4 All necessary travel expenses, including food and lodging actually incurred by the Community Peace Officer in returning from vacation to undertake any duty required of the Employee during vacation leave shall be paid by the City. Where possible and at the option of the Employee required for the court attendance, the Employee shall be transported to court and returned by air. If travel time is in excess of twelve (12) hours, actual time shall apply.

2 COMPENSATION FOR INJURIES (Article 45)

- 2.1 If any permanent Employee of the City is injured under conditions which entitle him to compensation under the Worker's Compensation Act, such Employee shall be paid at the classified rate for which he was paid before such injury for two (2) pay periods following the injury provided that he assigns to the City, causes to be paid, and the City receives all wages received by him from the Worker's Compensation Board. If the Employee continues on compensation for more than twenty-eight (28) days, then the Employee receives ninety percent (90%) of classified rate for the balance of compensation on that claim.

Participation by each Employee shall be voluntary.
