PREAMBLE

WHEREAS it is the desire of both Parties to this Agreement to maintain harmonious relations between the Employer and its employees, to recognize the mutual value of joint discussion and negotiation in matters pertaining to working conditions, hours of work and scales of wages paid, to encourage efficiency of operations and to promote the morale, well-being, security and efficiency of all the employees covered by the terms of this Agreement, realizing that the first consideration is the welfare of the patients/residents/trainees of the facility,

AND WHEREAS it is the desire of both Parties that these matters be drawn up in an Agreement,

NOW THEREFORE, this Agreement witnesseth that the Parties hereto in consideration of mutual covenants hereinafter contained, agree each with the other as follows:

ARTICLE 1: SCOPE OF RECOGNITION

101 The Employer recognizes the Union as the sole and exclusive bargaining agent for employees in classifications included in the bargaining unit as certified by the Manitoba Labour Board under certificate **no. MLB-6970**, or as may be granted voluntary recognition by the Employer and identified in Schedule “A”.

102 Work of the Bargaining Unit

Persons whose jobs are not classified within the bargaining unit shall not work on jobs on a regular and recurring basis which have been determined as being within the bargaining unit, except where it has been mutually agreed upon by both Parties or in the case of training or emergency.

103 The term “Employer” shall mean the **Northern** Regional Health Authority (RHA).

104 The term “Union” shall mean the Canadian Union of Public Employees, Local 8600 (CUPE).

105 The term “site” shall mean the group of facilities within the Regional Health Authority in which the position occupied is located, as listed below:

Snow Lake Site Snow Lake Health Centre and all other facilities within the Town of Snow Lake.

The Pas Site

The Pas Health Complex (St. Anthony's General Hospital, St. Paul's Residence, Rosaire House), and all other facilities within the Town of The Pas.

ARTICLE 2: DURATION

- 201 (a) This Agreement shall be in full force and effect from the **first day of April 2012 to March 31, 2017** and supersedes the Collective Agreement between the Parties which was in effect on **April 1, 2008**.
- (b) Should the Parties fail to conclude a new contract prior to the expiry date of this Agreement, all provisions herein contained shall remain in full force until a new Agreement has been reached or until the date on which the Union takes strike action or the Employer institutes a lockout whichever occurs first.
- (c) The Union agrees to give the Employer at least one (1) weeks' (7 days) written notice as to the intended time and date of strike action.
- (d) The Employer agrees to give the Union at least one (1) weeks' (7 days) written notice as to the intended time and date of lockout.
- 202 Should either party desire to propose changes to this Agreement, they shall give notice in writing, including proposed amendments, to the other party not more than ninety (90) calendar days and not less than thirty (30) calendar days prior to the date of termination. Within thirty (30) calendar days of the receipt of these proposals, the other party shall be required to enter into negotiations for the purpose of discussing the changes and the formation of a new Agreement.
- 203 This Agreement may be amended during its term by mutual agreement.
- 204 It is agreed that neither the Union nor the Employer shall sanction or consent to any strike or lockout during the term of this Agreement and further, no employee in the unit shall strike during the term of this Agreement.
- 205 All retroactive wage and benefit adjustments shall be made payable within one hundred and twenty (120) calendar days of ratification of this agreement.
- Former employees shall receive any applicable retroactive pay provided they request the retroactive pay from the Employer in writing with their current mailing address no later than ninety (90) days after the ratification date.**
- 206 Changes in wages and benefits shall be adjusted retroactively, unless otherwise specified.

ARTICLE 3: MANAGEMENT RIGHTS

301 The Union recognizes the sole right of the Employer, unless otherwise provided in this Agreement, to exercise its function of management, under which it shall have, without limiting the generality of the foregoing:

- the right to maintain efficiency and quality patient care;
- the right to direct the work of its employees;
- the right to hire, classify, assign to positions and promote;
- the right to determine job content and number of employees at any site;
- the right to demote, discipline, suspend, lay-off, and discharge for just cause;
- the right to make, alter and enforce rules and regulations in a manner that is fair and consistent with the terms of this Agreement.

In administering the Collective Agreement, the Employer agrees to act fairly, in good faith and in a manner consistent with the terms of the Collective Agreement.

302 Sub-Contracting

It shall not be considered as sub-contracting should the Employer:

- (a) merge or amalgamate with another health care facility or health care related facility, or
- (b) transfer or combine any of its operations or functions with another health care facility or health care related facility, or
- (c) take over any of the operations or functions of another health care facility or health care related facility.

303 In accordance with Article 302, an employee will be given ninety (90) days' notice. Where the Employer is unable to provide alternate employment for which the employee possesses qualifications and ability sufficient to perform the required duties within a fifty (50) kilometre radius of the employee's originating site, the employee shall have the option of invoking the layoff provisions in accordance with Article 23 or accepting severance pay. Severance pay shall be on the basis of two (2) weeks' pay at the regular basic rate, for the position last occupied for each year of employment with the Employer.

304 If the Employer intends to sub-contract work which results in the displacement of a number of employees, the Employer will notify the Union at least ninety (90) days in advance of such changes and will make every reasonable effort to find suitable alternative employment within the Regional Health Authority for those employees so displaced and will guarantee to offer alternative employment with the Regional Health Authority to those employees who have thirty-six (36) months or more continuous service with the Employer.

Any employee with more than thirty-six (36) months service accepting a position in a lower paid classification will continue at the salary of her present classification and will receive an increase only when the rate in her new scale, corresponding to her years of service, provides for an increase over her current rate.

An employee with less than thirty-six (36) months service to whom the Employer cannot offer alternative employment will receive severance pay on the basis of two (2) weeks' pay for each completed year of service.

305 No employee shall be required to make a written or verbal agreement with the Employer which may conflict with the terms of this Agreement, in accordance with Section 72 (1) of *The Labour Relations Act of Manitoba*.

306 Hospital Disaster and Fire Plans

(a) In any emergency or disaster declared by the CEO/COO or designate, employees are required to perform duties as assigned notwithstanding any contrary provision in this Agreement.

Compensation for unusual working conditions related to such emergency will be determined by later discussion, between the Employer and the Union, and/or by means of the grievance procedure if necessary, except that the provisions of Article 19 shall apply to overtime hours worked.

(b) Where overtime is worked by reason of a disaster plan exercise or fire drill, overtime will be paid in accordance with Article 19.

The importance of disaster plan exercise and fire drills is mutually acknowledged by the Employer and the Union and, to this end, participation of all employees is encouraged.

ARTICLE 4: UNION DUES – SECURITY

401 The Employer agrees to deduct the amount of monthly dues as determined by the Union from the salaries of each and every employee covered by this Agreement. The Employer also agrees to deduct from each and every employee covered by this Agreement the amount of any general assessment levied by the Union, with the proviso that such an assessment shall normally be limited to one (1) per calendar year.

402 The deductions shall be made from the first payroll of each month or in the case of a percentage dues structure, every payday, and shall be forwarded to the Secretary-Treasurer of the National Union within three (3) weeks, accompanied by one (1) list of names of those employees from whose salaries deductions have been made, **the total regular wages for the pay period (if feasible and the report is available at no additional cost to the Employer)**, and the amount of such deductions. A copy of the list shall be sent to the Local Secretary-Treasurer.

- 403 The Union shall notify the Employer in writing of any changes in the amount of dues at least one (1) month in advance of the end of the pay period in which the deductions are to be made.
- 404 In consideration of the foregoing clauses, the Union shall hold the Employer harmless with respect to all dues so deducted and remitted and with respect to any liability which the Employer may incur as a result of such deductions.
- 405 The Employer shall include the amount of Union dues paid by each employee during the relevant year on the Income Tax T4 slips.

ARTICLE 5: UNION REPRESENTATION

- 501 The Union agrees to exchange with the Employer a current list of Officers and authorized representatives.
- 502 (a) The Employer agrees that the bargaining unit shall have the right to assistance from representatives of the Canadian Union of Public Employees when negotiating or dealing with matters concerning the Agreement.
- (b) Representatives of the Union who are not employees of the Employer shall, upon request to the Employer, be given access to the Employer's premises at a time mutually agreed upon for the purpose of investigation and to assist in the settlement of a grievance.
- 503 When meeting with the Employers to conduct central negotiations, the maximum number of employees who will be entitled to leave of absence without loss of regular pay or benefits to attend as representatives of the Union shall be fourteen (14) employees. The Chair of the Provincial Health Care Council shall participate as an additional representative at the Union's expense. The Union shall provide the Employer with four (4) weeks or more written notice of those chosen to participate in central negotiations.
- 504 Union Representatives will be granted necessary time off with basic pay to meet with the Employer for the purpose of conducting local negotiations, subject to a maximum cost to the Employer of maintaining salaries for three (3) employees so engaged.
- 505 The President or designate shall be granted up to fifteen (15) minutes at the end of the orientation program in order to acquaint new employees falling within the scope of this Agreement with the fact that a Union Agreement is in effect and to indicate the general conditions and obligations as they relate to the employees. A member of management may be present during this period.
- 506 All correspondence arising out of this Agreement shall pass to and from the Executive Director or designate and the Secretary of the Local Union or designate. **Where a local**

union has an office, and the Union has provided the mailing address to the Employer, all correspondence shall be forwarded to the local office.

- 507 Union activities other than those provided for in this Agreement shall not be conducted during the hours of duty of any employee unless prior written approval has been received from the Employer.
- 508 The Employer and the Union agree to the cost sharing (on a 50%/50% basis) of the printing of Collective Agreements.

ARTICLE 6: RESPECTFUL WORKPLACE

- 601 The Employer and the Union jointly affirm that every employee is entitled to a respectful workplace which is free from discrimination and harassment.
- 602 **Unless allowed under the *Manitoba Human Rights Code***, the Parties agree that there shall be no discrimination based on:
- ancestry, including colour and perceived race
 - ethnic background or origin

 - religion or creed
 - sex, including pregnancy
 - marital status or family status

 - **gender identity**
 - physical or mental disability
 - place of residence
 - membership or non-membership or activity in the Union.
- 603 The Employer and the Union agree that no form of harassment shall be condoned in the workplace and it is further agreed that both Parties will work together in recognizing and dealing with such problems, should they arise. Situations involving harassment shall be treated in a confidential manner by the Employer, the Union and the employee(s).
- 604 The definition of harassment shall consist of the definition contained in the *Human Rights Code* and *The Workplace Safety and Health Act* and shall further include the definition of harassment set out in the Respectful Workplace Policy.

Employees are encouraged to review the Respectful Workplace Policy available through the Employer's Policy Manual. Should the Employer amend the Respectful Workplace Policy, the Employer agrees to provide the Union with a copy prior to implementation of the Policy.

707 Anniversary Date shall be the date in which an employee last commenced a permanent full-time or part-time position.

708 "Bidding Hours" shall be the total accrued employment hours within the bargaining unit since date of hire. Bidding Hours are recognized for vacancy selection purposes only.

902 **HEB Manitoba Disability and Rehabilitation Plan**

The **HEB Manitoba** Disability and Rehabilitation Plan shall continue to be implemented for all eligible employees. Effective March 1, 2003 the Employer will contribute to a maximum of two point three percent (2.3%) of base salary to fund the **HEB Manitoba** Disability and Rehabilitation Plan.

The Parties agree that income protection will be used to offset the elimination period. Once the elimination period has been exhausted, the employee will commence drawing disability benefits. An employee may claim income protection for a period of time not to exceed the elimination period.

It is understood that the elimination period for the **HEB Manitoba** Disability and Rehabilitation plan is one hundred and nineteen (119) calendar days.

- 903 (a) The Parties agree to participate in the **HEB Manitoba Pension Plan** in accordance with its terms and conditions including established contribution rates as set out in the **HEB Manitoba Pension Plan** Trust Agreement, **HEB Manitoba** Pension Plan text and other applicable written policies and guidelines.

- (b) Any disputes with respect to the level of pension entitlement shall not be subject to the grievance and arbitration procedure under this Agreement but shall be subject to adjudication in accordance with the terms of **HEB Manitoba**.
- (c) In the event that the contributions required by the **HEB Manitoba** plan text are not sufficient to fund the necessary pension benefits, the Parties to this Agreement shall meet forthwith to determine an appropriate funding mechanism. The contribution rate may only be amended by the process outlined in the Pension Plan text or through collective bargaining.

904 **Extended Health Care Plan / Health Spending Account**

The following benefit improvements will be applied through **HEB Manitoba** as specified:

1. Extended Health Care Plan:

- April 1, 2009 - All employees who are enrolled or become enrolled in accordance with the options set out below, will be in the **HEB Manitoba** “Enhanced” Extended Health Care Plan.
- Effective April 1, 2009 the “Enhanced” Plan premiums will be paid 50% by the Employer and 50% by the employee.
- There will be a three (3) month enrollment period of Jan 1, 2009, to March 31, 2009, to allow employees currently participating in the “Basic” Plan to either opt into the “Enhanced” Plan or to opt out of Plan coverage altogether.
- Employees not previously in the Plan may revisit their status and either opt into the “Enhanced” Plan provided they are eligible in accordance with their category of employment, or remain out.
- Employees currently in the “Enhanced” Plan must remain in the “Enhanced” Plan.
- New employees hired on or after April 1, 2009, will, as a condition of employment, be required to participate in the “Enhanced” Plan subject to plan text enrollment requirements unless they are eligible to waive participation in accordance with the plan text.
- Any other enrollment changes will be as per the **HEB Manitoba** plan text.

2. Health Spending Account (HSA):

Effective April 1, 2010, a Health Spending Account (HSA) shall be made available for eligible employees. The HSA shall only apply and be made available to top up the existing benefits provided in the **HEB Manitoba** “Enhanced” Extended Health Benefit Plan and the **HEB Manitoba** Dental Plan.

 \$125 for part-time employees

April 1, 2011: \$500 for full-time employees*
 \$250 for part-time employees

* For the purpose of the HSA, an employee is deemed to qualify for the full-time benefit if she/he has been paid for a minimum of one thousand five hundred (1,500) hours in the previous calendar year. Hours paid at overtime rates do not

count in the annual determination of whether an employee qualifies for the full-time benefit.

- A “year” or “the annual HSA benefit” is defined as the calendar year – January 1st to December 31st.
- In order to be eligible for the HSA an employee must be enrolled in the “Enhanced” Extended Healthcare Plan.
- New employees hired on or after April 1, 2010, who become enrolled in the “Enhanced” Extended Healthcare Plan will commence HSA coverage following one (1) year participation in the “Enhanced” Extended Health Care Plan.
- Unutilized HSA monies are not carried over to the subsequent year.

906 Premiums when on Unpaid Leave of Absence (LOA)

Employees will pay the Employer’s and the employee’s share of Group Health, Dental, Group Life and Disability & Rehabilitation (D&R) when on any unpaid LOA.

Subject to the terms of the plan, where an employee is on any return to work program where all or a portion of the employee’s wages are being paid by the Employer, the Employer will pay the Employer’s share of the premiums on the condition the employee is paying their share.

ARTICLE 10: GRIEVANCE PROCEDURE

1001 A grievance shall be defined as any dispute arising out of interpretation, application, or alleged violation of the Agreement.

1002 An earnest effort shall be made to settle grievances fairly and equitably in the following manner, however, nothing in this Agreement shall preclude the Employer and the Union from mutually agreeing to settle a dispute by any means other than those described in the following grievance procedures without prejudice to their respective positions.

1003 Local Union Representatives, upon request to their immediate supervisor and subject to operational requirements, shall be granted necessary time off with pay to meet with the Employer for the purpose of processing grievances subject to a maximum cost to the Employer of maintaining salaries of three (3) employees so engaged. Such permission shall not be unreasonably withheld.

1004 Step 1/Discussion Stage

Within twenty-one (21) calendar days after the cause of a grievance occurs, the grievor shall attempt to resolve the dispute with her immediate supervisor, who is outside the bargaining unit. In the event of a grievance originating while the employee is on approved leave of absence from work such grievance must be lodged within fourteen (14) calendar days of return.

1005 Step 2

If the grievance is submitted but not resolved within the foregoing time period, the grievor and shop steward may, within the ensuing fourteen (14) calendar days, submit the grievance in writing to the next appropriate level of management as determined by the Employer who is outside the bargaining unit, stating all allegations and remedies sought. The Employer shall have fourteen (14) calendar days to respond to the grievance.

1006 Step 3

Failing settlement of the grievance at Step 2, the Union may within fourteen (14) calendar days, submit the grievance in writing to the Executive Director of Human Resources or designate who shall, within fourteen (14) calendar days after receipt of the grievance, render a decision.

1007 An employee claiming to have been discharged or suspended without just cause may submit the grievance directly to the Executive Director of Human Resources or designate.

1008 If a dispute involving a question of general application or interpretation occurs and affects a group of employees, the Union or the employees may submit the grievance directly to the Executive Director of Human Resources or designate.

1009 An employee may choose to be accompanied by a Local Union Representative at any stage of the grievance procedure.

1010 The time limits in both the grievance and arbitration procedures may be extended by mutual agreement and shall be confirmed in writing.

ARTICLE 11: ARBITRATION PROCEDURE

1101 Within ten (10) calendar days after receiving the reply of the Executive Director of Human Resources or designate and failing a satisfactory settlement, either party may refer the dispute to Arbitration by giving notice to the other party in writing.

- 1102 Unless both Parties agree to the selection of a Sole Arbitrator within seven (7) calendar days following the matter being referred to Arbitration, each party shall in the next seven (7) calendar days give notice to the other party in writing naming its nominee to the Arbitration Board.
- 1103 The two (2) named members of the Board shall, within ten (10) calendar days, name a third member of the Board who shall be Chairperson.
- 1104 In the event of a failure to agree upon a third person, the Minister of Labour for the Province of Manitoba shall be requested to appoint a third member.
- 1105 The Arbitration Board or the Sole Arbitrator shall not be empowered to make any decision inconsistent with the provisions of this Agreement, or to modify or amend any portion of this Agreement.
- 1106 The Board shall determine its own procedures, but shall provide full opportunity to all Parties to present evidence and make representations. The Board shall hear and determine the difference(s) or allegation(s) and render a decision within ten (10) calendar days from the time it holds its final meeting.
- 1107 The decision of the majority or the Sole Arbitrator shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. ARTICLE 13: INCOME PROTECTION

Also refer to Article 31: Special Provisions Re: Part-Time Employees.

- 1301 An employee who is absent from scheduled work due to illness, disability, quarantine or because of an accident for which compensation is not payable by either the Workers Compensation Board or by the Manitoba Public Insurance (MPI) or **Saskatchewan Government Insurance (SGI)** shall receive her regular basic pay to the extent that she has accumulated income protection credits. The Employer reserves the right to verify that a claim for income protection is not made with respect to an injury for which lost earnings are compensated by the **MPI/SGI**.
- (a) In the case of medical, dental or chiropractic examinations or treatment, the employee shall be allowed time off with pay to attend such appointments to the extent that she has accumulated income protection credits, with the proviso that:
- i) If the employee chooses a doctor, dentist or chiropractor outside of her community, such time off with pay will be to a maximum of two (2) hours.
 - ii) Should it be necessary for an employee to attend a doctor, dentist or chiropractor outside of her region by reason of non-availability of service in her region, the employee shall be allowed up to three (3) days off with pay to the extent that income protection credits have been accumulated, for the time necessary to attend such appointment to the nearest point of available service.
 - iii) It is understood that the elimination period for the **HEB Manitoba Disability and Rehabilitation Plan** is one hundred and nineteen (119) days. The Parties agree that income protection will be used to offset the elimination period. An employee may claim income protection for a period of time not to exceed the elimination period.

1302 (a) An employee who is unable to report for work due to illness shall inform her Supervisor or designate prior to the commencement of her next scheduled shift(s). An employee who fails, without valid reason, to give notice as specified below will not be entitled to receive income protection benefits for the shift(s) in question.

Prior to day shift	1½ hours' notice
Prior to evening shift	3 hours' notice
Prior to night shift	3 hours' notice

(b) Where an employee has been provided necessary time off due to scheduled surgery and where the surgery is subsequently cancelled, and where the Employer has made arrangements for alternate staffing for covering the anticipated absence, the Employer shall have the right to cancel the relief shifts scheduled to cover the anticipated absence without additional cost.

1303 (a) Income protection shall accumulate at the rate of one and one-quarter (1.25) days per month with no maximum.

(b) Subject to the provisions of Article 1303 (a) of each one and one-quarter (1.25) days of income protection accumulated, one (1) day shall be reserved exclusively for the employee's personal use as outlined in Article 1301. The remaining one-quarter (.25) of a day shall be reserved for either the employee's personal use or for use in the event of family illness as outlined in Article 1314 or to offset the waiting period for Employment Insurance (EI) benefits for maternity/parental leave as outlined in Article 1705. The Employer shall maintain an up to date record of the balance of income protection credits reserved for each of these purposes.

In the employee's first year of employment, amend one day to read three-quarters (.75) of a day and amend one quarter (.25) of a day to read one-half (.5) of a day.

1304 The Union agrees that in cases of suspected abuse of income protection, disciplinary action may be taken by the Employer and the Union further agrees to work with management in the review of income protection utilization.

1305 Except as provided in Article 1209, income protection credits will accumulate on the same basis as seniority is accrued under Article 12.

1306 An employee shall accumulate but will not be entitled to the paid income protection benefits for any sickness occurring during the probationary period.

1307 The Employer reserves the right to require a certificate from a qualified medical practitioner as proof of the employee's fitness to return to work, or to determine the approximate length of illness, or in the case of suspected abuses, as proof of illness in regard to any claim for income protection. Failure to provide such a certificate when

requested may disqualify an employee from receiving income protection benefits. Such certificate shall not be required without cause after an absence of less than three (3) days.

1308 (a) If an employee is to be absent for illness for a period exceeding her income protection, including Employment Insurance (EI) credits, she must request, or cause someone on her behalf to request a leave of absence in writing for the expected duration of convalescence within ten (10) days of her last paid day of income protection. 1310 Income Protection and Workers' Compensation

An employee who becomes injured or ill in the course of performing her duties must report such injury or illness as soon as possible to her immediate supervisor.

An employee unable to work because of a work-related injury or illness will inform the Employer immediately, in accordance with established procedures, so that a claim for compensation benefits can be forwarded to the Workers Compensation Board (WCB). Workers Compensation payment will be paid directly to the employee by WCB.

By application from the employee, the Employer will supplement the award made by the Workers Compensation Board for loss of wages to the employee by an amount equal to ten percent (10%) of the WCB payment. The Employer's supplement shall be charged to the employee's accumulated income protection credits. Such supplementation shall continue until the employee's income protection credits are exhausted or for a maximum period of one hundred and nineteen (119) days from the first day of supplement.

Regular net salary will be based on the employee's basic salary (exclusive of overtime and premiums) less the employee's usual income tax deduction, Canada Pension Plan contributions and Employment Insurance contributions, and any benefit plan contributions which are waived under the terms of the plan.

Subject to the provision of each plan, the employee may request the Employer to deduct from the supplement, if sufficient, the contributions which would have been paid by the employee to the Employer's pension plan, dental care plan and life insurance plan as if the employee was not disabled. If the supplement is not sufficient, or where the employee elects to receive an advance, the employee may, subject to the provisions of each plan, forward self-payments to the Employer for the first one hundred and

nineteen (119) calendar days, to ensure the continuation of these benefit plans. The Employer will contribute its usual contributions to these benefit plans while the employee contributes.

If at any time it is decided by the Workers Compensation Board that a supplement paid by an Employer during a claim for Compensation Benefits must be offset against benefits otherwise payable by the Workers Compensation Board, such supplementation shall cease immediately and no further supplement shall be payable by the Employer.

Further to this, the Facility shall notify Workers Compensation of salary adjustments at the time they occur.

- 1311 Where an employee has applied for WCB benefits and where a loss of normal salary would result while awaiting a WCB decision, the employee may elect to submit an application to the Employer requesting an advance subject to the following conditions:
- (a) Advance payment(s) shall not exceed the employee's basic salary, less the employee's usual income tax deductions, Canada Pension Plan contributions and EI contributions.
 - (b) The advance(s) will cover the period of time from the date of injury until the date the final WCB decision is received, however, in no case shall the total amount of the advance exceed seventy percent (70%) of the value of the employee's accumulated income protection credits.
 - (c) The employee shall reimburse the Employer by assigning sufficient WCB payments to be paid directly to the Employer to offset the total amount of the advance.
 - (d) In the event that the WCB disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
 - (e) Upon request, the Employer will provide a statement to the employee indicating the amount of advance payment(s) made and repayment(s) received by the Employer.

1313 **MPI/ SGI Advance**

- (a) Where an employee is unable to work because of injuries sustained in a motor vehicle accident she must advise her supervisor as soon as possible and she must submit a claim for benefits to the Manitoba Public Insurance, or Saskatchewan Government Insurance. The employee shall be entitled to receive full income protection benefits for any period of time deemed to be a “waiting period” by **MPI** or **SGI**.
- (b) Subject to (a), where an employee has applied for **MPI** or **SGI** benefits and where a loss of normal salary would result while awaiting the **MPI** or **SGI** decision, the employee may submit an application to the Employer requesting an advance subject to the following conditions:
 - i) Advance payment(s) shall not exceed the employee’s basic salary as defined in Article 2101 (exclusive of overtime), less the employee’s usual income tax deductions, Canada Pension Plan contributions, and EI contributions.
 - ii) The advance(s) will cover the period of time from the date of injury in the motor vehicle accident until the date the final **MPI** or **SGI** decision is rendered. In no case shall the total amount of the advance exceed seventy percent (70%) of the value of the employee’s accumulated income protection credits.
- (c) The employee shall reimburse the Employer by assigning sufficient **MPI** or **SGI** payments to be paid directly to the Employer to offset the total amount of the advance or by repayment to the Employer immediately upon receipt of payment made by **MPI** or **SGI** directly to the employee.
- (d) In the event that **MPI** or **SGI** disallows the claim, including any appeal, the employee shall be paid for the absence in accordance with the income protection provisions of this Agreement and the Employer shall recover the total amount of the advance by payroll deduction.
- (e) Upon request, the Employer will provide a statement to the employee indicating the amount of advance payment(s) made and repayment(s) received by the Employer.

ARTICLE 23: LAYOFF AND RECALL

2301 Job Security

The Northern Regional Health Authority shall endeavour to ensure that all employees covered in the Bargaining Unit shall retain employment during the duration of this Agreement. If circumstances evolve whereby it becomes necessary to reduce hours of work, the number of positions or the number of employees, the Employer agrees to the following:

Notice to employees shall be as follows:

- (a) Layoffs of six (6) weeks or less = two (2) weeks' notice;
- (b) Layoffs of longer than six (6) weeks = four (4) weeks' notice.

Notice of layoff shall be given by personal service or by registered mail to the employee and a copy of the notice will be provided to the Union. An employee who is on layoff shall not be entitled to notice of layoff when she returns to work on an incidental basis.

In layoffs as per (b) above, the Employer shall notify the Union in writing at least one hundred and twenty (120) days in advance of any reduction of hours of work, number of employees, and/or deletion of an occupied position, such notice shall include:

- (a) reduction of hours and/or identification of position;
- (b) names of incumbents;
- (c) reasons for deletion/reduction.

The Employer and the Union shall meet not later than twenty (20) working days after receipt of the above notice to discuss and examine all available options with a view to minimize the effect on employees.

Before any reduction of any occupied position(s) and/or hours of work takes place, the following options shall be explored:

- (a) attrition;
- (b) bumping rights;
- (c) posting of vacancies;
- (d) transfer to other departments;
- (e) other options.

Reduction in the staffing complement will only take place after all avenues relevant to the issue of job security have been explored.

- 2302 The Employer will provide the Union within fourteen (14) days, an updated seniority list identifying the name, position, and FTE of employees within the Bargaining Unit.
- 2303 When reducing staff, senior employees within the site shall be retained, providing their qualifications and ability are sufficient to perform the required duties.
- 2304 If the layoff is expected to be temporary (of not more than six (6) weeks' duration), employees shall be laid off in reverse order of seniority within the department affected.

If the layoff is expected to or actually does exceed six (6) weeks' duration, an employee shall be entitled to exercise her seniority to displace an employee in any classification with the same or lower salary range within the site, provided she possesses the qualifications and ability sufficient to perform the required work, or to accept layoff. Where due to seniority level this is not possible, an employee shall then be entitled to exercise her seniority to displace any employee in any classification with the same or lower salary range within the sites comprising the Regional Health Authority, provided she possesses the qualifications and ability sufficient to perform the required work, or to accept layoff. An employee thus displaced shall have the same rights. When exercising her seniority, an employee shall not be entitled to displace into more than one established position within the Regional Health Authority.

For the purpose of interpreting the meaning of "same or lower salary range", it is agreed that classifications will be considered to be the same provided that the maximum of the salary range the employee is considering bumping into is within one per cent (1%) of the maximum of the salary range for the position currently held by the employee.

Should the employee bump into a position with a salary range considered to be the same, she will be paid at the same increment level that she currently holds.

- 2305 Laid off employees shall be recalled in order of seniority to vacancies occurring at the originating site and at other sites within a fifty (50) kilometre radius of the originating site. Such recall shall be to vacancies in equal or lower paid classifications and in equal or lower FTE status provided that the employee possesses qualifications and ability sufficient to perform the required work. This will not preclude the employee from requesting in writing, at the time of layoff or subsequently, recall to sites outside the fifty (50) kilometre radius.

Recall shall be made by registered mail or by personal service and shall provide for at least one (1) weeks' notice to report back to work. 3104 General Holidays

Part-time employees will be paid four point six two percent (4.62%) of their basic pay in lieu of time off on general holidays. Such holiday pay shall be included in each regular pay deposit.

It is further understood that this shall be an exception to the rule, therefore where the Union advises the Employer that such shift(s) have been offered to an individual employee on a more frequent basis than is deemed acceptable, the Parties shall meet to negotiate a mutually agreed upon resolve.

3202 At no time shall the sum of the positions occupied exceed the equivalent of one (1) FTE.

3203 Where the sum of the positions occupied equals one (1) FTE, the status of the employee will continue to be part-time (i.e., the status will not be converted to full-time), and the provisions of Article 31 will apply based on the total of all active positions occupied, unless otherwise specified in this Article.

When a casual employee obtains a term or permanent position, said casual employee will have the bidding hours brought forward to the term or permanent position for future vacancy selection purposes only.
- (k) A casual employee shall be paid four point six two percent (4.62%) of their basic pay in lieu of general holidays. Such general holiday pay shall be included on each regular **pay deposit**.

RE: STAFFING REVIEW

Whereas the Parties recognize that there may be a proliferation of regular positions having a low FTE and a proliferation of utilization of casual work;

And whereas it is the intent of the Parties to maximize the FTE of part-time positions and the creation of as many full-time positions as is reasonably possible;

And whereas by minimizing the use of casual work, the Parties agree that there will be the potential to convert casual employment into regular employment status;

And whereas the Parties wish to investigate and address these issues;

Now therefore the Parties have agreed that these issues will be examined utilizing the following guidelines:

- (a) When it is determined by the Employer that a vacancy will be filled, the Employer and the Union will examine the potential of reallocating part, or all of the vacant FTE of part-time positions, in accordance with the Collective Agreement, to qualified part-time employees within the relevant classification, within the service department/patient care unit, within the site or within the facility. Only part-time vacancies of .4 FTE or less will be examined for reallocation.
- (b) Part-time employees who wish to increase their FTE under the provisions of the Letter of Understanding will be required to indicate in writing to the Employer within sixty (60) days of ratification of the Collective Agreement and no later than May 1st of each year thereafter.
- (c) The Employer and the Union will meet in order to identify the most appropriate method of reallocating such FTE. Unless otherwise mutually agreed, such reallocation will not require job posting under Article 14 or invoking of any provisions of Article 23.
- (d) In the event that mutual agreement cannot be reached regarding the reallocation of additional hours, a regular part-time position will then be posted.
- (e) The nature and the rate of utilization of additional hours (including casual hours) worked will be examined by the Employer and the Union on a semi-annual basis, during the

second and fourth quarter of each calendar year, to determine whether such hours may be incorporated into regular positions or, whether regular or term positions could be created based on operational need. If it is determined that regular or term positions will be created, the Union and the Employer will meet to discuss the process under which the newly created positions will be posted or allocated.

- (f) New letters of employment will be issued when an employee's FTE is increased or a casual employee is confirmed to regular employment.

SCHEDULE “B” – REMOTENESS ALLOWANCE

Remoteness Allowance shall be paid to employees subject to the following eligibility criteria and conditions:

A. Eligibility Claim

An eligibility claim for the payment of dependant(s) or non-dependant rate of allowances shall be submitted to the Employer when first requesting the allowance, and renewed thereafter, if requested by the Employer or when any change in dependant claims.

B. Non-Dependant or Dependant Allowance

Subject to Article 3 that follows, the Non-Dependant Allowance will be paid to employees that have established a residence in a location designated as a Remote Location and who are eligible for the payment of Remoteness Allowance. Claims for dependant’s allowance will be subject to the following criteria and conditions:

1. The employee shall be supporting one or more dependants where a dependant includes:
 - a marital partner living with and dependant on the employee for main and continuing support;
 - an unmarried child under eighteen (18) years of age; an unmarried child over eighteen (18) years of age but under twenty-one (21) years if in full-time attendance at school or university or similar educational institution;
 - an unmarried child of any age if mentally or physically challenged, provided such a child is dependent on the employee for support.
2. There is a presumption of marriage evidenced by co-habitation. If a marriage contract is not in existence, a common-law arrangement between the marital partners must have been in existence for at least one (1) year prior to the application for dependent’s rate.
3. Where both spouses are employees of the **Northern** Regional Health Authority and/or Departments/Agencies to which these eligibility criteria apply, the dependant rate shall be paid to one partner only and the other partner will not receive either the Dependant or Non-Dependant rate of Remoteness Allowance.

C. Location

The Remoteness Allowance paid will be the allowance applicable to the particular location in the **Northern** Region.

D. Hourly Rated Personnel

Remoteness Allowances are to be determined separately from hourly wage rates. Except for employees hired on a “if, as and when” basis, Remoteness Allowances are to be considered on a daily basis (i.e., 1/10th of the biweekly rate, up to a maximum amount for the biweekly period), for the following conditions:

1. For each day the employee is at work irrespective of the number of hours worked;
2. For each day that the employee is recognized as being on “standby”; or
3. In order to qualify for the daily rate, an employee hired on an “if, as and when” basis, would be required to work one-half (.5) or greater of the normal working hours (i.e., seven and three-quarters (7.75) hours in any one day).

E. Limitations

The Remoteness Allowances for the various sites for non-dependant or dependant as indicated, represent a maximum monthly taxable allowance relative to paid employment. They are payable during paid holidays and vacations taken during continued employment, during authorized paid sickness leave and as limited in paragraph “D” above. They are not payable during period of absence without pay, not payable at “time and a half” or other premium pay scales, nor included as part of regular earnings in calculation of vacation wages on termination of employment.

The Employer and the Union further agree that the intent and application will be applied and paid on the same basis as the Provincial Government employees and that any change to this Remoteness Allowance which is made by the Provincial Government will equally affect all employees covered under the scope of this Agreement.
